A Warhammer Fantasy story  
by Barrington J. Bayley

here have been goblins hereabouts," Muenchbek said. "I can smell them, by Manann."

"Smell them?" Vukotich, his younger companion, shifted uneasily and looked about him. "How do you smell them? What do they smell like?"

"Oh, you wouldn't be able to do it." Muenchbek was peering through the trees, bulky in his thick leather jerkin and brass-studded morion. "Hissum."

The trail was slight and the forest dense. Earlier in the day

there had been bright sunlight, but now a mist had descended and the gloom and darkness of endless wilderness lay all about. "I didn't think to find them this far south," the Marienburger said gruffly. "Oh well, we'd better keep moving."

Vukotich didn't like the situation and hung back. Muenchbek, when he did not hear the tread of his hanks behind him, stopped again and looked back, battle-axe resting on his shoulder. His white teeth showed through his beard in a mirthless grin. "What's the matter? Are you afraid now?" He raised his arm and pointed back along the trail. "Back to Middenheim then. Beg in the gutter. Better still, try your luck in Bretonnia or some place like that. Wade in farms muck minding pigs and chickens — perhaps that's what you're used to." And he turned his back and went lumbering on.

After a few moments Vukotich followed. Muenchbek's taunt had made him angry — he'd never told Muenchbek much about his early life, other than that he'd spent some of it in Kislev. But it was not advisable to walk alone in a goblin-haunted forest.

Vukotich had been wandering the streets of Middenheim looking for work as a hired sword when he'd had the good luck — though as dusk began to press, he was not sure it had been good luck at all — to meet up with the mercenary Muenchbek, himself having just arrived in Middenheim after taking part in some kind of trouble somewhere, and also looking for work. But pickings in Middenheim were thin. On hearing of a campaign against the east being prepared in Kislev, Muenchbek had decided to try his luck there, and it struck him that Vukotich, with his acquaintance of the region, would make a useful companion-at-arms. Vukotich hadn't much liked the idea of journeying back to Kislev, which he'd been only too keen to leave behind him, but Muenchbek had persuaded him.

Actually they were eating better now than they had in Middenheim. The forest had plenty of game and both men were expert trappers and hunters. But though his belly was full of venison, Vukotich felt an empty sensation in his stomach as he paced after his companion, taking the precaution as he did so of fastening his bowstring.

The trail swerved north and passed by a tumble of stone

and rock. Muenchbek paused. He raised his head, and sniffed.

"They're here," he hissed. "If I can smell them, they can smell us!"

And at that moment something came scrambling over the rocks that roared over their heads to their left. They were green as moss, green as green leaves, as if they had grown like a vegetable cancer in the forest, squat and burly, lower jaws fanged, toad-like skin rippling with muscles. For weapons they carried small swords and cudgels studded with spikes, blades and slivers, which Vukotich saw come tumbling down on him.

There were three of them. Vukotich dropped his bow and snatched his sword from its scabbard. Muenchbek's great battle-axe was already swinging, biting into the shoulder of the first goblin, which grunted and gobbled with pain, ichor-blood gushing to the ground. The creature rolled aside, leaving Muenchbek to its two companions and making for Vukotich, swinging its fearsome cudgel into its left hand.

For an instant Vukotich froze. He knew now what Muenchbek meant by the smell of goblin. Its blood, its sweat, had an overpowering tang, like crushed ants, like pickled melon gone bad, like an apothecary's acid that tickled the nostrils and made one hold one's breath. He sidestepped to avoid the cudgel's spikes and jabbed at the creature's left arm, hoping to incapacitate it, but produced no more than a rivulet of dark blood from the timber-hard bicep. He heard a throaty rumble, saw the great mouth gape, and then a forest of spikes was hurtling for his face.

Instinctively he brought up his sword, and at the same time ducked. The bludgeon flew past, one iron spike coming within a hair's breadth of gouging out his eye — and after it came the goblin, the heavy clammy body striking him and carrying him to the ground.

It took him a moment to realize that the goblin was motionless. That it was, in fact dead, the blood from its wounded shoulder dripping over his jerkin. He struggled to free himself and stood up. A very long, light green arrow protruded from the goblin's back.

Where it came from he had no time to think, for he saw that Muenchbek was hard pressed. Keeping his two attackers at bay with wide sweeps of his axe, the Marienburger had his short broadsword in his left hand, moving like a dancer to prevent them from bracketing him. But the goblins knew something of footwork too. Suddenly one was behind him, weapon raised for the death blow. Vukotich snatched up the fallen goblin's bludgeon, and brought it down with all his might on the flat, green head.

The spikes went into the goblin's skull with a crunch of bone, all the way to the timber. The club was wrenched from Vukotich's grasp as, still standing, its own weapon still raised, the creature turned to look at him. The expression on its face was one of surprise, almost puzzlement; the bludgeon balanced on its head like a hat.

Then the tip of Muenchbek's broadsword appeared briefly from its burly chest, like the flicker of a snake's tongue, and the goblin toppled like a fallen tree.

**Connecting Children with Classics** Meagan Lacy, Pauline Dewan, Shady radical, 2018-03-14. This guide identifies hundreds of books that can help children develop into engaged readers. Children's librarians, collection development specialists in public libraries as well as K-8 school librarians and teachers will choose from the best in children's titles. This unique readers advisory and collection development guide for librarians and others who work with children focuses on readers and their needs rather than simply categorizing books by their characteristics and features as traditional literature guides do. Taking this unusual perspective brings forth powerful new tools and curricular ideas on how to promote the classics and how to best engage with young readers and meet their personal and emotional needs to boost interest and engagement. The guide identifies seven reader-driven appeals or themes that are essential to successful readers advisory: awakening new perspectives, providing models for identity, offering reassurance, comfort, strength, and confirmation of self-worth, connecting with others, giving courage to make a change, facilitating acceptance, and building a disinterested understanding of the world. By becoming aware of and tapping into these seven themes, librarians and other educators can help children more deeply connect with books, thereby increasing the odds of becoming lifelong readers. The detailed descriptions of each book provide plot summaries as well as notes on themes, subjects, reading interest levels, adaptations, and alternative formats, translations, and read-alikes. This informative guide will also aid librarians in collection development and bibliotherapy services.

**A Brave Vessel** Hobson Woodward, 2010-06-29. At once a penetrating work of literary analysis and a riveting historical narrative, Nathaniel Philbrick's *Merging* maritime adventure and early colonial history. *A Brave Vessel* charts a little-known chapter of the past that offers a window on the inspiration for one of Shakespeare's greatest works. In 1609, aspiring writer William Strachey set sail for the New World aboard the *Sea Venture*, only to wreck on the shores of Bermuda. Strachey's meticulous account of the tragedy, the castaways' time in Bermuda, and their arrival in a devastated Jamestown remains among the most vivid writings of the early colonial period. Though Strachey had literary aspirations, only in the hands of another William would his tale make history as *The Tempest*, a fascinating connection across time and literature that Hobson Woodward brings vividly to life.
