Magill-Oliver,2018-11-06 Experience wonder and excitement as you mindfully take your painting technique to the next level
It s Paint Alchemy Part of the new Alchemy series Paint Alchemy explores how to build a painting practice Whether you re a
novice or an experienced painter you ll learn how to create freely by combining a foundation in solid techniques and design
principles with an open approach that stays focused on the moment rather than the end result You will learn how to prepare
your art space work with intention and move between action and observation responding to the work along the way Paint
Alchemy will help you cultivate a full perspective on the process from developing ideas in a sketchbook to crystalizing your
vision As you work through the exercises you ll gain a better understanding of color theory mark making representational
form abstraction and composition Mindfulness experimentation and reflection will give way to wonder as your paintings

Precup,2020-02-21 This book explores the representation of fatherhood in contemporary North American autobiographical
comics that depict paternal conduct from the post war period up to the present It offers equal space to autobiographical
comics penned by daughters who represent their fathers complicated and often disappointing behavior and to works by male
cartoonists who depict and usually celebrate their own experiences as fathers This book asks questions about how the desire
to forgive or be forgiven can compromise the authors ethics or dictate style considers the ownership of life stories whose
subjects cannot or do not agree to be represented and investigates the pervasive and complicated effects of dominant
masculinities By close reading these cartoonists complex strategies of self representation this volume also places
photography and archival work alongside the problematic legacy of self deprecation carried on from underground comics and
shows how the vocabulary of graphic narration can work with other media and at the intersection of various genres and
modes to produce a valuable scrutiny of contemporary norms of fatherhood *Masterplots II.: Sha-Z* Frank Northen
