

MAGNIFICENT I ADDICTION

Discovering Addiction as Gateway to Healing

Who would have predicted that after more than twenty years as a psychiatrist I would experience an emotional breakdown and become a patient? Not me. But I did. And who would have anticipated that even though my symptoms were mostly anxiety and depression, not alcoholism or drug dependence, I would discover that I was an addict? Once more, not me. But I am. And who would have conceived that addiction would not only prove to be the root of my breakdown but the key to my healing as well, and that I would today view addiction as the heart of a hopeful program of healing? Certainly not me. But it is.

These startling conclusions grew from a series of unwanted, and certainly unplanned, experiences
