Passover Haggadah Vanessa L. Ochs, 2020-03-17 The life and times of a treasured book read by generations of Jewish families at the seder table Every year at Passover Jews around the world gather for the seder a festive meal where family and friends come together to sing pray and enjoy traditional food while retelling the biblical story of the Exodus The Passover Haggadah provides the script for the meal and is a religious text unlike any other It is the only sacred book available in so many varieties from the Maxwell House edition of the 1930s to the countercultural Freedom Seder and it is the rare liturgical work that allows people with limited knowledge to conduct a complex religious service The Haggadah is also the only religious book given away for free at grocery stores as a promotion Vanessa Ochs tells the story of this beloved book from its emergence in antiquity as an oral practice to its vibrant proliferation today Ochs provides a lively and incisive account of how the foundational Jewish narrative of liberation is remembered in the Haggadah She discusses the book's origins in biblical and rabbinical literature its flourishing in illuminated manuscripts in the medieval period and its mass production with the advent of the printing press She looks at Haggadot created on the kibbutz those reflecting the Holocaust feminist and LGBTQ themed Haggadot and even one featuring a popular television show The Marvelous Mrs Maisel Ochs shows how this enduring work of liturgy that once served to transmit Jewish identity in Jewish settings continues to be reinterpreted and reimagined to share the message of freedom for all

Wolowelsky, 2005 *Women at the Seder* is a traditional Passover Haggadah whose commentary celebrates one of the great transformations of the Torah community during this past century the emergence of women from the privacy of their home tents to the public arena of the synagogue and Torah study halls without abandoning in any way their central traditional role as the cornerstone of the home and family The Rabbis had long ago acknowledged that it was in the merit of our righteous women that Israel was redeemed from slavery The Passover seder the home celebration of our national liberation is an appropriate place to acknowledge and honor women's expanded role in our public as well as private religious life The commentary includes rabbinic comments on women associated with the Exodus a discussion of those relevant aspects of Jewish law that apply to women and homilies *divrei Torah* by women for the seder many written especially for this volume In a generation it should seem quaint that it was noteworthy that women's *divrei Torah* constituted a significant part of a Haggadah commentary That will be cause for yet additional rejoicing as women's contributions on all levels of Torah scholarship will have become even more commonplace Jewish Every Day Behrman House, Maxine Segal
