## **Mahabharata The Epic:**

*Mahabharata* Vignes Chandran,2020-07-09 Ever wanted to read the Mahabharata but never ended up finishing the epic due to the sheer size of the story or the numerous characters that simply overwhelm Have you always been curious of who the Pandavas actually were and why the Kauravas hated them so much until they resorted to deception and deceit to get rid of their cousins Was Arjuna actually the greatest archer of all time Or was it only because of favourable circumstances that Arjuna became known as such Have you ever wondered how divinity himself Krishna ended up as Arjuna s charioteer And what actually transpired during the battle on the holy lands of Kurukshetra that resulted in us still talking about the Mahabharata more than 5000 years later This book will answer all these questions and more Enjoy the greatest epic of our time the Mahabharata in a compact and easy to read version that is suitable for all ages **Mahabharata** Kumar Jaimini

Shastri,2001-04 The Mahabarata is one of the most widely read epics How can we deprive our children of the opportunity to read this ancient classic literature This book keeps in mind the age interest and comprehension of our young readers The original Mahabarata is a wonderful epic with many heroic characters dramatic incidents and popular legends The authors have attempted to select the characters and incidents with a view to capturing the imagination of the young readers Written in simple and lucid language this narrative is an edited version of the great epic The appendices will make the reading and comprehension of the Mahabarata easier and more interesting And of course the colourful and attractive pictures on every page will add to the beauty of this publication **The Greatest Epic Of All Time Mahabharata** Sterling

Publishers,2009-01-01 Retold in a simple and concise manner for young children this edition of the Mahabharata brings alive the battle of epic proportions The beautifully illustrated book will keep children engrossed for hours Mahabharata Annie Besant,1927 Mahabharata B.R. BHAGWAT,1971-04-01 It all began with petty family jealousy The Kaurava brothers

tricked their Pandava cousins out of a kingdom and even Lord Krishna could not stop the horror and bloodshed that followed Veda Vyasa composed an epic poem the longest in the world to describe the events that unfolded In this epic tale of superhuman heroes and gory action Veda Vyasa explores human ambitions relationships and conflicts to find the true purpose of life *The Mahabharata* R. K. Narayan,2022-12-22 Narayan makes this treasury of Indian folklore and mythology readily accessible to the general reader he captures the spirit of the narrative Library Journal The Mahabharata tells a story of such violence and tragedy that many people in India refuse to keep the full text in their homes fearing that doing so would invite a disastrous fate upon their house Covering everything from creation to destruction this ancient poem remains an indelible part of Hindu culture and a landmark in ancient literature Centuries of listeners and readers have been drawn to The Mahabharata which began as disparate oral ballads and grew into a sprawling epic The modern version is famously long and at more than 1 8 million words seven times the combined lengths of the Iliad and Odyssey it can be incredibly daunting But contemporary readers have a much more accessible entry point to this important work thanks to R K Narayan s masterful

elegant translation and abridgement of the poem Now with a new foreword by Wendy Doniger as well as a concise character and place guide and a family tree The Mahabharata is ready for a new generation of readers Narayan ably distills a tale that is both traditional and constantly changing He draws from both scholarly analysis and creative interpretation and vividly fuses the spiritual with the secular Through this balance he has produced a translation that is not only clear but graceful one that stands as its own story as much as an adaptation of a larger work      **The Mahabharata of Krishna** Kisari Mohan

Ganguli,2021-01-01 The present book is a translation of original Mahabharata written by Vyasa in sanskrit prose This translation has been carried out in the form of prose in the English language      **The Mahabharata** Jean-Claude Carrière,2017-09-21 A unique dramatization of India s greatest epic poem fifteen times longer than the Bible The Mahabharata has played to enthralled audiences throughout Europe the Far East and America Regarded as the culmination of Peter Brook s extraordinary research into the possibilities of theatre the production has been hailed as the theatrical event of this century Sunday Times British audiences encountered The Mahabharata on stage and television in the late eighties This volume contains the complete script of Carriere s adaptation in Peter Brook s translation with introductions by each of them      **Mahabharata** Veda Vyasa,2015-06-04 The core story of the work is that of a dynastic struggle for the throne of

Hastinapura the kingdom ruled by the Kuru clan The two collateral branches of the family that participate in the struggle are the Kaurava and the Pandava Although the Kaurava is the senior branch of the family Duryodhana the eldest Kaurava is younger than Yudhisthira the eldest Pandava Both Duryodhana and Yudhisthira claim to be first in line to inherit the throne The struggle culminates in the great battle of Kurukshetra in which the Pandavas are ultimately victorious The battle produces complex conflicts of kinship and friendship instances of family loyalty and duty taking precedence over what is right as well as the converse      **The Great Epic of India** Edward Washburn Hopkins,1993 Long ago when this book first appeared in the opening year of the century the great Epic Mahabharata had not been thoroughly examined to see what literature it reflected had not received a careful investigation from the metrical side its philosophy had been reviewed only in a most haphazard fashion and its relation to other epic poetry had been almost judgement on the question of the date and origin of the poem of which scholars knew as yet this poem of which scholars knew as yet scarcely more than that before a definitive answer could be given the whole huge structure must be studied from many points of view      **Mahabharata**
