Maharaj The Story Of The Rulers Of Udaipur:

HISTORY OF KOTA STATE (VOLUME-1) Dr. Mathuralal Sharma, 2025-08-06 Indian Books in Print , 2003 Inside Story of Sardar Patel Manibahen Patel, Prabha Chopra, 2001 This is the first ever publication of the hitherto unknown diary of Sardar Patel's daughter Maniben generally accompanied Patel everywhere and was present with the Sardar at most of his meetings. She was therefore privy to what transpired in these meetings and also to Sardar's views and innermost thoughts on various historic and sensitive issues which he often could not otherwise express even to his closest friends and colleagues. Then too having earlier spent many years looking after Gandhi and possessed of high intelligence Maniben understood both the context and the significance of the unfolding events and the dramatis personae of the times. The diary runs from 8 June 1936 till Sardar's death on 15 December 1950 and is particularly detailed after Patel's release from jail in 1945. It offers a wealth of often revealing sometimes explosive details and insights into that defining period in India's history which encompasses the country's independence, partition, integration of the princely states, Gandhi's assassination and then the initial crucial years of India's self governance in all of which Patel's was an indispensable pivotal role. Indian States; a Biographical, Historical and Administrative Survey Arnold Wright, 1922 Rajasthan Michelle Coxall, Sarina Singh, 1997 The culture of Rajasthan with its battle scarred forts, palaces of amazing luxury and romantic sense of honour attracts many travellers yet remains uncorrupted by mass tourism. This new guide includes practical travel information, detailed coverage of the arts and crafts and a special section on palace accommodation. **Interpreting Development** Maxine K. Weisgrau, 1997 Based on fieldwork and research in Rajasthan's Udaipur District over an eight year period, this local ethnography of development explores how interpretations of NGO driven development are continually being renegotiated and redefined in local settings. The main focus of this study is the village level interaction between non governmental organizations, their personnel and village participants. The author documents the cultural, political and development histories of this area of northern India, known internationally among development practitioners and donor organizations for its large number of non governmental organizations. This book explores the multiple local perspectives and often conflicting interpretations of development which arise from this interaction and which are profoundly influenced by this region's socio political history as well as by linkages to national and globally situated events and institutions. One of the linkages explored here is the often unexamined role of government in the formulation of NGO policies and strategies. The area's local history includes the effects of the national construction and reification of the cultural categories Tribal and Bhil. With origins in the British colonial period, these demographic labels continue to influence perceptions of identity as well as development strategy and policy. As demonstrated throughout this book, local histories of group identity and inter group relations resonate in NGO driven development strategies of the 1990s. The NGO sector of Udaipur and the villages within which they operate are the locus of events and forces with a national and global reach. **Jaipur State Rulers and Their Diplomacy** Shiri Ram

Bakshi, Sri Kant Sharma, 2000 **GANDHI'S KILLERS INDIA'S RULERS** Dr Partha Banerjee , 2025-03-30 Dr Partha Banerjee the author of this book gives a critical presentation of the main organizations of the Sangh Parivar He was actively associated with the Sangh for more than fifteen years first as a dedicated swayamsevak and later also as the West Bengal provincial joint secretary of Akhil Bharatiya Vidyarthi Parishad or ABVP Thus he has known the organization very thoroughly this knowledge has been further augmented by his father's lifelong association with the Sangh By discussing their political and social strategies he draws the contours of the Hindutva ideology which he characterizes as hierarchical patriarchal conservative and based on elements from the brahminical tradition As a concerned and politically enlightened citizen Dr Banerjee is deeply worried about the possible scenario of India becoming a Hindu state He draws a picture of domesticated women disempowered dalits Christians and Muslims becoming second rate citizens and an uncompromising BJP run state attitude towards Islamic neighboring countries such as Pakistan and Bangladesh A hands on treatise on the so called non political Sangh's open and secret political activities is also included These aspects of the RSS have so far not been treated by other writers on the Sangh The present work discusses critical issues such as the future of Indian secularism and democracy as well as human rights women's rights and minority rights issues Therefore this book is highly relevant and a valuable source of information to anyone interested in contemporary India and the future for the 72 years old Indian Union Since the RSS and VHP are active among Indians living overseas the book should be of importance also to this group and serve as a reminder of their responsibilities for the future of a progressive and secular India Dr Eva Hellman University of Dalarna Sweden *Encyclopaedia of India: Rajasthan* , 1992 Covers all the 25 states and 7 union territories of India [Dalit Literature](#) R.K. reassessment of one of the key events in British colonial history is important in itself but its claim that many of the roots of Islamic terrorism sweeping the world today lie in the partition of India has much wider implications Rajasthan State Gazetteer: History and culture ,1995 General works on Rajasthan **Socialist Congressman** ,1962 Sunset and Dawn L.
