Maia Of Thebes:

Maïa of Thebes Ann Warren Turner, 2005 A young Egyptian girl whose brother secretly taught her to read and write accuses her uncle of stealing grain from the temple and must run away from Thebes to survive Reinventing the **Amphiareion at Oropos** Alexandra Wilding, 2021-11-15 This book asks why politically powerful entities invested in the Amphiareion a sanctuary renowned for its precarity and dependency The answer lies in unravelling the intricacies of the shrine's epigraphical record and the stories about the communities and individuals responsible for creating it By explaining patterns in inscribed display against the backdrop of broader events and phenomena emerging within central Greece this book revisits the Amphiareion's narrative and emphasises its political implications for its neighbours. This interpretation offers new perspectives on the sanctuary and exposes agents manipulation of it in the course of reinventing their self image in a changing Greek world **Almost a Spy** Charles Petty, 2012-01-12 The author introduces you to a myriad of characters expatriate embassy personnel Royals spies and party goers From mansions of the oil rich to surprise haram forbidden gambling junkets with members of the Royal family to being charged in absentia and imprisoned and tortured for espionage Chuck held on to tell us his story You will be introduced to this flamboyant host and his hostess and their worldwide travels They have journeyed through African Safaris and exploited the waters of the Nile have been special guests of the King of Thailand and held meetings with one of Chucks counterparts in Moscow Cross over to the other side of his cover jobs as he exposes the intrigue of the Jeddah Conference where kings princes and ministers begged Kuwait to arbitrate with Saddam Hussein to save their country Learn how Kuwaits ruling family not only spurned efforts to hold off invasion but failed to even make preparations to protect their population from impending death and destruction For many years the Kuwaitis had been stealing Iraqi oil and Saddam was there for payback Purse strings and the toss of a coin decided which side the Americans would be on and where the line would be drawn in the sand Follow Chuck on Ali Baba runs and night crawling behind enemy lines and closed doors of Ministries palaces and mosque offices while searching for monetary trails destined for terrorist links During his on and off relationship with Kuwait Chuck moved his efforts over to the Horn of Africa to the stifling hot dusty streets of Mogadishu Somalia where the United Nations was trying to set up a legitimate government With six to seven Marine Corp shooters for constant protection he conducted business from the seaport and airport via the K 4 sniper alley to the United Nations compound on the grounds of the former American Embassy In Somalia his daily duties included personal negotiations with the two opposing War Lords Mohammed Farah Aideed and Moha The Unknown Tutankhamun Marianne Eaton-Krauss, 2015-12-17 The reign of Tutankhamun was of major significance in the history of ancient Egypt Following Howard Carter's discovery of the king's tomb in 1922 the story of the boy who became Pharaoh died young and was buried in splendor at the height of Egyptian civilization captivated generations But there exists a wide discrepancy between that saga and what scholarship has discovered in the last few decades about Tutankhamun's reign A truer story is

revealed not by objects from his tomb but by statuary reliefs paintings and architecture from outside the Valley of the Kings Marianne Eaton Krauss a leading authority on the boy king and the Amarna Period guides readers through the recent findings of international research and the relevant documentation from a wide variety of sources to create an accessible and comprehensive biography Tracing Tutankhamun's life from birth to burial she analyzes his parentage his childhood as Prince Tutankhaten his accession and change of name to Tutankhamun his role in the restoration of the traditional cults and his own building projects his death and burial and the attitudes of his immediate successors to his reign Illustrated with color and black and white images the book includes extensive endnotes and selected bibliography which will make it essential reading for students and scholars as well as anyone interested in Tutankhamun 4. Symposium Zur Ägyptischen Königsideologie Rolf Gundlach, John H. Taylor, 2009 The fourth symposium in the series on Ancient Egyptian Royal Ideology was held at the British Museum in London in 2004 taking at its theme Egyptian Royal Residences Structure and Form The scholars who participated in this gathering approached the subject from a broad range of perspectives. They embraced all phases of history from the foundation of the Egyptian state to the Late Period and covered a variety of interrelated topics These included the physical layout and architectural design of palaces the activities which happened inside and the ideological guestions raised by the status of the king his divine personal and institutional functions Beginning with these focal points the papers and discussions ranged further afield to include the roles of members of the court their relationship with the king and their activities at the residence The papers published in this volume focus strongly on the Middle and New Kingdoms since it is from these periods that the richest sources of data concerning the royal residence survive Textual sources and archaeological traces of palaces have been carefully studied in conjunction to provide new insights and to open new avenues of research
