Maigret, Simenon and France Bill Alder, 2012-12-10 Georges Simenon 1903 1989 was a phenomenally successful author of crime fiction His 75 Maigret novels and 28 Maigret short stories were published between 1931 and 1972 to great international acclaim he is the only non anglophone crime writer to have achieved such renown His Maigret stories are regarded by many as having established a new direction in crime fiction emphasizing social and psychological portraiture rather than focussing on a puzzle to be solved or on action This book examines the importance of social class and social change in the Maigret stories giving a particular emphasis to the early formative novels and the development of plot characterization and setting The author seeks to establish the extent to which Simenon s portrait of French society is historically accurate and the nature of the influence of the author s own class position and ideology on his fiction Maigret and the Loner Georges Simenon, 1983-10-01 Supersleuth Maigret investigates the identity of a derelict found murdered and the motive for his death *The Publishers' Trade List Annual*, 1992 *Publishers Trade List Annual*, 1992, 1992
