Maine, a History Louis Clinton Hatch, 1973 *Charles Fletcher Dole, Liberal Theology, and Reform* Paul T. Burlin, 2023-09-05 Charles Fletcher Dole Liberal Theology and Reform A Life Well Lived is a historical look at the life and theology of Charles Fletcher Dole Dole was born into what he described as an ultra orthodox religious family He was unable to accept the severe quasi Calvinist theology of his relatives and when he attended Harvard College he was influenced by the intellectual currents set in motion by Darwinism He then tacked off to the radical wing of Unitarian theology It was incumbent on the faithful of any religious tradition to live in ways that helped further the divine plan This moral imperative prompted Dole as the long term minister in the Unitarian Church to advocate for reforms not unlike those of his parents and other relatives including temperance women s suffrage improved race relations anti imperialism and pacifism This historical recovery and interpretation of Dole argues that while Dole s radical theology was the source of his civic engagement his iteration of the social gospel was to some extent also shaped and delimited by the socio economic position he occupied
