Finkbeiner, 2024-03-05 When Bake Sterling left his hometown for college he began to leave reality and responsibility behind His promising life of an athlete of note took on all the characteristics of a self indulgent no good hedonist He was a drop out destined for a regular spot in a soup line but the Lord had other ideas He would become the most prominent hero in this tale of dystopian days the time of chaos that followed America s surrender to an alliance of her most powerful enemies the Global Peacekeepers or GP for short Mysteriously as a hitch hiker the Bake who fled his past was introduced to his future by a young family of four They were using their last gas in the tank to drive to a remote Camp of God for refuge Once escorted inside the transformation began not just in Bake but in the entire meaning of God s camp of refuge With the main theme of Rescuing love flowing like a life giving stream throughout the novel the reader will be introduced to a series of sub plots and a multitude of interesting characters Each character some inherently good and noble and others nefarious creates twists and turns that will keep the pages turning and the emotions changing Fluctuating between tears of laughter to tears of sorrow and from anger to joy from defeat to triumph from mediocrity to excellence and splendor the book demands we fasten the seat belt throughout our journey Expect the unexpected as the reader previews the last days from a Camp of God perspective It was God s providence that brought Bake together with the ordinary men and women within the Camp of God who would accomplish extraordinary feats One example is Wendy a dedicated young mother still in her twenties who wonders why the Camp s Prayer Team always asks God for protection from the Global Peacekeeper enemies but never threatens their power or attacks their stronghold As Bake rises in the ranks of the Camp s security detail he proposes the camp forms a team of righteous warriors Hebrew Gibor patterned after Bible heroes like David Gideon Joshua and others who were raised up by God to destroy Israel s enemies Bake receives the leadership s support and goes to work Bake s growing understanding of Jesus rescuing love coupled with his remorse over his past neglect of his family become seeds for Rescue and Harassment Operations RNH on the Global Peacekeeper strongholds Using Bruce a key man remaining in the town that Bake once abandoned bold attacks permanently crippled the GP s ability to control by fear Saved were family and others who rejected the Global leader s mark of loyalty on the forehead and hand This included Bake s family and his sister s friend a young woman named Julie who would later become Bake s wife Collectively the attacks devastated the GP s ability to remain in the Camp Eirene area adding more security to the blessings of camp life Rescuing love made the

team aware that many Camps of God did not have this degree of security Unwilling to rest on their laurels Bake and his team were challenged to save another Camp of God that was being threatened with extinction Travel was full of risks and options were few Only the GP approved were allowed to buy fuel and to be on the road The book was set for an exciting conclusion Miraculous events and clever ruses by Bake and company achieved the impossible From the north country to South Alabama a company of twenty of all ages arrived at Camp of God Rejoice Prayers were answered and spirits were lifted as a Gibor mentality was infused in the Camp s faithful who were expecting death and disaster Camp Leader Vince Riley and Bake hit it off instantly Vince confided in Bake his oath to rescue a hundred nearby prisoners This conclusion to BAKE S BRIGADE paves the way for a dramatic sequel **The Lost Evacuee** Cathy Sharp,2023-10-12 The brand new emotional and compelling novel from the bestselling author Will their new lives bring happiness or heartache
