Knight, 1988 **Paperbound Books in Print**, 1992 Keeping Sabbath [Older Children] Sharon Harding, 2010 Sabbath is intentional time taken by individuals and faith communities to integrate the Divine with humanity and creation Practicing Sabbath leads us to a fuller understanding of who we are as children of God Older children ages 7-11 express a need to belong to the faith community and to participate fully in its life As they grow physically and intellectually they want to contribute to the life of the church Activities in this book assume that the children have at least beginning reading level capabilities Their experiences of the practices of faith may be mostly through their participation in the life of a congregation Practicing our faith is a lifelong process When completed this series will offer 24 practices in 10 different life settings This series can be used at any time or stage in your life **Discipleship Handbook** General Conference Sabbath School and Personal Ministries, 2018-01-01 There is no higher calling than to be a disciple of Jesus Christ Nothing compares to knowing and following the Savior of the world To know Him is to love Him and to follow Him is a wonderful adventure Still the discipleship journey is full of pitfalls and snares that threaten to lead us away from the narrow path that leads to heaven If the devil had his way every Christian would be lulled to spiritual slumber or led into forbid den paths that would steal the heart away from God Therefore even after we are baptized it is imperative that we continue to grow into active and mature disciples of Christ The Discipleship Handbook will benefit anyone seeking such an experience with Jesus It may be used for personal study or in Sabbath schools prayer meetings small groups or one on one settings It is more than a book about discipleship Rather it contains everything needed for a six month Bible based discipleship plan for Seventh day Adventist churches and their members The Discipleship Handbook was developed to ensure that the most essential areas of discipleship are covered The devotional life personal witnessing church life Christian lifestyle and evangelism each receive special emphasis For newer members the 26 chapters of the Discipleship Handbook serve as the heart of 26 weekly meetings with a more experienced mentor **The Sabbath Recorder**, 1929 *Take Our Moments # 1* Arthur Boers, 2007-05-11 *Take Our Moments* and *Our Days* is a four week cycle of morning and evening prayer services prepared for the period in the church year between Pentecost and Advent The services focus on the teaching and ministry of Jesus the Lord s Prayer week one the Beatitudes week two Jesus parables week three and Jesus miracles week four The prayer services are designed for use by small groups of families although they are suitable for individuals as well The central features are Scripture saturated prayer Virtually all the words in these prayers are adapted or taken directly from the Bible The voice of Jesus The words of Jesus are strikingly prominent in these services Anabaptist coloration Lying behind the prayers is a pattern of themes that are especially important in the Anabaptist tradition Published in collaboration with the Institute of Mennoite Studies at Associated Mennonite Biblical Seminary in Elkhart Indiana Also check out Volume 2 in this series *Take Our Moments* and

Tebbutt,2020-08-12 Puzzled by John This exciting book illuminates the Gospel in a completely fresh way Reading and working with it will deepen fellowship and skill in pastoral care The text is mined for gems of insight into ourselves and as a rich resource of ample illustrative material for preachers and teachers Poetry prose and hymn references abound Pastor John elucidates the first four chapters of John s Gospel presenting new insights into the text in a way that involves us in the story When we read we come nearer to Jesus who is always with us anyway A guide is provided for understanding ourselves experienced by sharing with each other Precise guidance is given for workshops where all contribute something of themselves in the light of the text This experience of John s Gospel is illuminated using the latest way of reading the text What the story means is conveyed in detailed Bible study It becomes real for us and this reality is explored by understanding the process of reading and observing our reactions to the text John s Christ becomes central to who we are *Herald and Presbyter* ,1919 Helping Hand in Bible-school Work Seventh Day Baptist General Conference. Sabbath School Board,1919 *Subject Guide to Books in Print* ,1983 **The Future of Christology** Dong-Kun Kim,2019-06-28 The Future of Christology addresses the questions that Christology currently faces and or will face in the future in 12 topics The book consists of two parts In the first part Kim deals with five topics related to traditional Christology while in the second part he wrestles with seven topics related to issues of Christology The twenty first century is a challenging time for Christianity Many in our age are asking what Jesus Christ means in various dimensions of history culture nature and even beyond the Earth Changes in values worldviews and views of the universe are forming a new zeitgeist Dong Kun Kim argues that ways of understanding Christ should change accordingly for a Christology that fails to communicate meaningfully with the times is void of vitality Postmodernism dehistoricization and life post ideology multiculturalism multiple religions and above all the rapid development of the natural sciences pose a serious challenge to traditional Christology Who is Christ in the age of an infinite cosmos How do daily human life social devotion and praxis relate to salvation How can we discuss salvation history in an era post history Where does Christ stand in the public sphere Can the

Chalcedonian definition of the two natures of Christ true God and true human being encompass nature and the cosmos would a third nature of Christ be necessary Will the cyborg which may appear in the near future be the object of Christ s salvation If scientific determinism becomes popular in the future will the basis of faith in Christ lose ground If intelligent life exists in the universe what does Christ mean to such life This book provides innovative answers to these questions in an academic context Matthew Robert Horton Gundry,1994 This commentary demonstrates Gundry s conviction that Matthew relied on the Gospel of Mark and the document Q Furthermore Gundry argues for a combination of historical data and theological embellishments in passages such as those that present the birth of Jesus the Sermon on the Mount and Peter s walking on the water
