Make Your Own Monstrosities With Tooth:

Monsters, Monstrosities, and the Monstrous in Culture and Society Diego Compagna, Stefanie Steinhart, 2020-01-28 Existing research on monsters acknowledges the deep impact monsters have especially on Politics Gender Life Sciences Aesthetics and Philosophy From Sigmund Freud's essay *The Uncanny* to Scott Poole's *Monsters in America* previous studies offer detailed insights about uncanny and immoral monsters However our anthology wants to overcome these restrictions by bringing together multidisciplinary authors with very different approaches to monsters and setting up variety and increasing diversification of thought as guiding patterns Existing research hints that monsters are embedded in social and scientific exclusionary relationships but very seldom copes with them in detail Erving Goffman's doesn't explicitly talk about monsters in his book *Stigma* but his study is an exceptional case which shows that monsters are stigmatized by society because of their deviations from norms but they can form groups with fellow monsters and develop techniques for handling their stigma Our book is to be understood as a complement and a further development of previous studies The essays of our anthology pay attention to mechanisms of inequality and exclusion concerning specific historical and present monsters based on their research materials within their specific frameworks in order to create engaging constructive critical and diverse approaches to monsters even utopian visions of a future of societies shared by monsters Our book proposes the usual view that humans look in a horrified way at monsters but adds that monsters can look in a critical and even likewise frightened way at the very societies which stigmatize them

Beauty and Monstrosity in Art and Culture Chara Kokkiou, Angeliki Malakasioti, 2024-04-23 This edited volume takes a new look at an old question what is the relationship between beauty and monstrosity How has the notion of beauty transformed through the years and how does it coincide with monstrous ontologies Contributors offer an interdisciplinary approach to how these two concepts are interlinked and emphasize the ways the beautiful and the monstrous pervade human

experience The two notions are explored through the axis of human transformation focusing on body identity and gender while questioning both how humans transform their body and space as well as how humans themselves are gradually transformed in different contexts The pandemic gender crisis moral crisis sociocultural instability and environmental issues have redefined beauty and the relationship we have with it Exploring these concepts through the lens of human transformation can yield valuable insights into what it means to be human in a world of constant change The book will be of interest to scholars working in art history archaeology philosophy architecture and cultural studies *Catalog of Adult Books in the Los Angeles County Public Library: Subjects* Los Angeles County Public Library, *Solar Homes and Sun Heating* George Emery Daniels,1976 **Secret of the Dragon's Teeth** Derek Hart,2016-11-26 The Secret of the Dragon s Teeth continues the adventures of Gavin Kane Emily Scott and Bunty Digby sixteen year olds who struggle with their daily lives in England during the pivotal year of 1944 Cornwall is now an armed camp with thousands of Americans and Canadians as well as men from throughout the occupied countries all training and preparing for the invasion of the European continent The war has reached a brutal climax and the Allies now have the upper hand In Nazi Germany however Heinrich Himmler is far from admitting defeat as he prepares to unleash whatever horror he can devise to delay the inevitable **Smashing the Tablets** Sara Lippmann,Seth Rogoff,2025-04-01 Provocative new readings of biblical texts by major contemporary Jewish writers Lot s daughters rebel against their predatory father Jacob wrestles an angel in a queer underground nightclub Job arrives in the form of an avaricious former sorority girl Smashing the Tablets presents a collection of provocative new readings of biblical texts by major contemporary Jewish writers Behind this groundbreaking collection is the idea that foundational texts must be read anew or they become tools of conservatism and reaction To achieve fresh readings it is often necessary to step outside traditional modes of analysis whether academic or theological and to violate the conventions of storytelling and interpretation By challenging dominant readings and identifying underrepresented characters and moments that have been written out of the biblical conversation the essays stories and poems in this collection rupture assumptions unsettle the reader and give voice to the voiceless The Bible in this collection is bent recontextualized queered inverted and smashed to pieces Smashing the Tablets is one of the most significant Jewish literary collections in decades a groundbreaking must read for Jews and others interested not only in the Bible but also in identity faith and power **The Cumulative Book Index** ,1962 A world list of books in the English language **Hospital and Institution Book Guide** ,1958 *Bulletin of the Illinois State Dental Society* ,1926 *Texas Dental Journal* ,1920 Issues for 1962 include as a separate section the association s annual roster **Unfixable Forms** Katherine Schaap Williams,2021-06-15 Unfixable Forms explores how theatrical form remakes and is in turn remade by early modern disability Figures described as deformed lame crippled ugly sick and monstrous crowd the stage in English drama of the sixteenth and seventeenth centuries In each case such a description distills cultural expectations about how a body should look and what a body should do yet crucially
