

THE ULTIMATE GUIDE TO WRITING A SHORT STORY

1: Start with a Spark - Find inspiration from your life, dreams, or even a single word.

2: Plot it Out - Create a basic outline of your story, including the beginning, middle, and end.

3: Characters that Pop - Develop characters that are unique, relatable, and have a clear motivation.

4: Setting the Scene - Set the tone and mood of your story by creating a vivid and detailed setting.

5: Show, Don't Tell - Use descriptive language to paint a picture in the reader's mind, rather than simply telling them what's happening.

6: Keep it Short and Sweet - Stick to a clear and concise narrative, avoiding unnecessary details or tangents.

7: The Big Finish - End your story with a satisfying conclusion that ties up loose ends and leaves the reader with a lasting impression.

8: Edit, Edit, Edit - Reread your story multiple times, making sure it flows well and catches any errors or inconsistencies.

9: Share Your Story - Whether it's with friends, family, or an online writing community, share your work and get feedback to improve your craft.

10: Keep Writing - Practice makes perfect! Keep writing and experimenting with different styles and genres to become a master storyteller.

Make A Story

Ann Browne

Make A Story:
