How to Make Love All Night (And Drive a Woman Wild) Lance Candella, 2015-12-27 Daniel and Allison have been

making love on a rainy Sunday morning and they are both totally turned on It started in the shower with a slow massage and moved to the bedroom where they have been having intercourse for the past ten minutes Daniel knows that Allison needs at least another five minutes of intercourse before she can climax Here s the problem Daniel doesn t think he has five minutes left in him If Daniel continues having intercourse the way he has for the past ten minutes it may be only a matter of seconds before he has an orgasm He thinks about slowing down or stopping but to break the rhythm now would only make it more difficult for Allison to climax He knows that Allison is at that stage where any kind of change in his movement would only frustrate her Besides if he tried to stop or to change the rhythm Daniel could lose strength in his erection which would complicate matters even further This dilemma is making the whole experience a lot less pleasurable for Daniel The first few minutes of sex were pure excitement but now he is worried and conflicted It is hard to enjoy sex when you re fighting your own body Truth is you really can t enjoy sex when you re fighting your own body And neither can your partner What Daniel does not yet know is that he has another option male multiple orgasm The multi orgasmic man has staying power He doesn t have to hold back He doesn t have to fight his own body and deny himself his own pleasure He can enjoy all of the erotic sensations of intercourse have a full orgasm and keep going If he wishes he can have a second orgasm and keep going He can last as long as his partner wishes experience all of the excitement and release and keep going For the multi orgasmic man the sky is truly the limit Daniel is not the only man who has this exciting option Today techniques have been perfected to make male multiple orgasm an option for almost every man Age doesn t matter Previous experience doesn t matter Young or old virgin or veteran all you need is the desire your penis and a few minutes a day So don t stop now Turn the page and cross the threshold into a whole new sense of your own sexuality and a whole new relationship for you and your partner Enjoy your ebook Sex how to make love all night *Esquire Things a Man Should Know about Work and Sex (and Some Things in Between)* Ted Allen, Scott Omelianuk, 2005 All men need to know the rules that lead to success in every professional and social situation and no one can explain them with more humor and verve than Esquire s experts Queer Eye Guy Ted Allen and Scott Omelianuk **The Relationship Training Manual for Men* *Women's Edition** Ph D David Unger, 2008-09 We all know relationships can drive us crazy Our partners routinely annoy us disappoint us and refuse us They upset us hurt us embarrass us and occasionally make us wonder whether we wouldn't be better off without them Yet despite all that most people still want to be in a relationship That's because relationships can also be a source of joy inspiration companionship stability and semi regular and perhaps even spectacular sex This book helps pave the way Praise for the Relationship Training Manual For Men Every woman I know who has read The Relationship Training Manual has immediately given copies to her friends and gratefully given one to her man Every man I know has hidden the book from the women he knows while secretly upgrading himself I am not sure who gets the most out of it but everyone *From Christ to the World* Wayne G.
