Make Over Your Man:

How to Seduce a Man- and Make Him Crazy for You! Tips and Tricks Prof N L Shraman,2020-03-26 Seduction is a game of psychology not beauty and it is within the grasp of any person to become a master at the game All that is required is that you look at the world differently through the eyes of a seducer What will seduce a person is the effort we expend on their behalf showing how much we care how much they are worth Seducers take pleasure in performing and are not weighed down by their identity or by some need to be themselves or to be natural Every seduction has two elements that you must analyze and understand first yourself and what is seductive about you and second your target and the actions that will penetrate their defenses and create surrender

Make Love to Your Man Jaqueline George,2021-08-17 There are heaps and heaps of books instructing men how to love their women but very few that go the other way excuse the pun It seems that making love to a woman is difficult and needs to be learned while making love to a man is easy and every woman instinctively knows how to do it If you think about it that is very unlikely to be true You can only love men well if you understand them and you have to admit that most women don t Here is a light hearted quest to find what a woman can do to give her man the very best of the best in bed or on the sofa or in the phone booth on the way home wherever Every woman makes love to her man with her heart but just where do you learn how to do it with your mind and body too Here is a chance to peep into the sexy world between your man s ears and lots of practical advice on what to do to drive him wild Now you can be the most skilful lover he has ever experienced Reviews for the First Edition How to make Wild Passionate Love to your Man This is a wonderful book for women who want to know how to please their men Lots of good advice and techniques included in these pages If you re always wondered what makes our men happy in bed this is a must read Keta Diablo

Jacqueline George understands a woman s power to pleasure a man With tasteful candor she unpacks all the ways men are craving the passionate lovemaking of a skilled woman I m giving the book to my wife with the hope that she will enjoy it learn from it and heighten in her womanly wiles with me *Oliver Twist* This is a good book and it has great information but some of this won t work if your man is stubborn Half of the stuff in here would never fly with my husband Edit The more I read this book the more I like it There are parts of it that just make me giggle T Gilpin This book is very witty written with warmth and intelligence It is a light hearted look at the dynamics between men and women Of course the book is aimed at women and what they can do to enhance the experience for their men hmmm I suppose this makes a change from expecting them to perform to a certain standard It s a fun read with tricks to try and ideas to thrill Gemma Parkes

live life but live a fulfilled happy life A Colonel in the Armored Divisions William S. Triplet, 2001 In this fascinating memoir William S Triplet continues the saga begun in his earlier book *A Youth in the Meuse Argonne A Memoir 1917 1918* After serving in World War I Triplet chose to become a career military man and entered West Point Upon graduation in 1924 his assignments were routine to regiments in the Southwest and in Panama or as an officer in charge of Reserve Officers Training Corps units or of men sent to a tank school All this changed however when a new war opened in Europe From 1940 to 1942 Triplet was assigned to the Infantry Board at Fort Benning Georgia where he engaged in testing new weapons and machines for the expanding army He became a full colonel in December 1942 After leaving Benning he received posts with four armored forces the Thirteenth Armored Division forming in the United States an amphibious tank and troop carrier group training at Fort Ord California and the Second and Seventh Armored Divisions in Europe His extraordinary abilities as a tank commander became evident in the Seventh Armored where he took over a four thousand man unit known as Combat Command A He was soon moving from triumph to triumph as he led his unit into Germany Here was much room for professional judgment and decision and the colonel was in his element In the war's last days Triplet and his men fought their way to the Baltic preventing many German troops from joining in the defense of Berlin against the advancing Soviet army Although Triplet was recommended for brigadier general Dwight D Eisenhower believed the U S Army had enough generals to finish the war thus the indomitable Triplet served out the few remaining years of his career as a colonel After retiring in 1954 Triplet moved to Leesburg Virginia where he soon began to mull over his military experiences Fascinated by the history he had witnessed engaged by the attraction of writing about it he recorded his memories with a combination of verve thoughtfulness and harsh judgments concerning ranking officers he considered incompetent generals not excluded Through his annotations Robert H Ferrell provides the historical context for Triplet's experiences Well written and completely absorbing *A Colonel in the Armored Divisions* provides readers the rare opportunity to see firsthand what a real professional in the U S Army thought about America's preparation for and participation in the war against Germany and Japan **50**
