## **Making Enquiries Into Alleged Child Abuse And Neglect Partnership With Families:**

*Making Enquiries Into Alleged Child Abuse and Neglect* Dendy Platt, David Shemmings, 1997 Focusing on good working practice in all aspects of conducting enquiries into alleged child abuse this book takes a positive approach to improving relationships between the workers and the families involved Each chapter concentrates on a specific issue including topics such as gatekeeping planning an enquiry interviewing children medical examinations and recorded agreements Practice research and procedures are examined critically from a perspective which emphasises the importance of partnership with children and families This book is essential reading for social services practitioners and managers voluntary organisations and all concerned with the current debate about the role of enquiries into alleged child abuse and neglect This book forms part of a re examination of enquiries into alleged child abuse managed jointly by the National Institute for Social Work the National Society for the Prevention of Cruelty to Children and Parents Against Injustice **Child Welfare Professionals**

**and Incest Families** Ingrid Thompson-Cooper, 2017-07-12 This title was first published in 2001 Little research has been done on the nature of decision making by child welfare professionals in child abuse cases or on the impact of the different approaches on victims and their families This text compares a system which relies heavily on criminal prosecution to handle child abuse cases England with a system that is more treatment orientated and depends primarily on child welfare and clinical services Canada The study examines the extent and nature of the incestuous abuse how it was disclosed and the initial response from the professionals It then looks at how the cases are processed through child welfare and criminal justice systems with attention paid to the decisions made throughout The nature of the social service contacts with the family are also examined as are the type and length of treatment It attempts to determine what factors influence the legal and clinical decisions that are made by various professionals throughout the whole process *Child and Family Assessment in Social Work Practice* Sally Holland, 2004-03-06 This is an essential guide for both social work students and practitioners involved in the assessment of children and their families It is a guide for practice that is strongly rooted in research evidence **Social**

**Work with Children, Young People and their Families in Scotland** Steve Hothersall, 2008-08-08 This updated edition enables students to develop a broader understanding of social work with children and families in Scotland It uses practical examples case studies and a critical appreciation of the legislation to reinforce learning In many ways Scotland has led the way in legal and policy direction for social care and this edition is fully updated to reflect recent key changes **Good**

**Practice in Child Protection** Christine Hobart, Jill Frankel, 1998 Good Practice in Child Care offers comprehensive guidance for all early years workers and students The text includes coverage of legal issues examines the roles of various child protection agencies and gives advice on how to work with parents *The Sage Handbook of Decision Making, Assessment and Risk in Social Work* Brian J. Taylor, John D. Fluke, J. Christopher Graham, Emily Keddell, Campbell Killick, Aron Shlonsky, Andrew Whittaker, 2023-08-16 The SAGE Handbook on Decision Making Assessment and Risk in Social Work

provides a comprehensive overview of key strands of research and theoretical concepts in this increasingly important field. With 49 chapters and four section summaries this Handbook describes the state of the art, discusses key debates and issues and gives pointers on future directions for practice, research, teaching, management of services and development of theoretical understandings. A key aim of this Handbook is to support the development of sound applied knowledge and values to underpin reasoned professional judgement and decision making by social workers in practice and those in management and regulatory roles. With contributions from a global interdisciplinary body of leading and emerging scholars from a wide variety of roles, this handbook has been designed to be internationally generalisable and applicable to all major areas of social work. This Handbook provides a field defining account of decision making, assessment and risk in social work which is unrivalled for its diversity and strength of coverage and will be of value to social work researchers, teachers and practitioners as well as to those in allied fields such as health care.

**Child Protection and the Care Continuum** Elizabeth Fernandez, Paul Delfabbro, 2020-11-25. This important new book critically examines the complex policy and practice issues surrounding child protection, including the impact of theoretical orientations, contemporary debates, policy initiatives and research findings, and maintains an emphasis on the ethics and values underpinning child welfare interventions. The book introduces policies that are central to understanding the position and needs of children and young people and how policy and practice have been influenced by developments, including the children's rights agenda. It also explores the most significant issues in child welfare. These include the experience of maltreatment by children, the systems of child protection to safeguard them, the methods and challenges of risk assessment and the wide range of policy and therapeutic interventions to respond to children's needs. The book also examines family support to promote children's wellbeing before considering provision for children and young people who are looked after in out of home care. There is also a final section that focuses on best practice in communicating and working with children and young people, drawing on participatory, rights oriented and resilience based approaches and supporting foster and adoptive carers and biological parents. Contributing in a substantive and clear manner to a growing international conversation about the present function and future directions for child welfare in contemporary societies, this textbook will be of interest to undergraduate and postgraduate social work students and those from allied disciplines and professionals who are engaged in child welfare services.

**Effective Family Support** Cheryl Burgess, Ruth McDonald, Sandra Sweeten, 2018-07-01. A practice focused guide that assists social workers and others to support families who need help with the task of parenting their children. This support may be required because families are lacking informal networks of support or because of professional worries about the levels of care parents or other carers are providing for their children.

**The Impossible Imperative** Jill Duerr Berrick, Erika Altobelli, 2018. The Impossible Imperative brings to life the daily efforts of child

welfare professionals working on behalf of vulnerable children and families Stories that highlight the work written by child welfare staff on the front lines speak to the competing principles that shape everyday decisions The book shows that rather than being a simple task of protecting children the field of child welfare is shaped by a series of competing ideas The text features eight principles that undergird child protection practice all of which are typically in conflict with others These principles guide practice and direct the course of policymaking but when liberated from their aspirational context and placed in the real world they are fraught with contradiction The Impossible Imperative is designed to inspire a lively debate about the fundamental nature of child welfare and about the principles that serve as the foundation for the work It can be used as a teaching tool for aspiring professionals and as motivation to those looking to social work to make a difference in the world

*Child Protection* Margaret Bell, 2018-12-17 First published in 1999 this book is based on an extensive research study of the experiences of eighty three families and the range of professionals involved in initial child protection conferences this book explores the opportunities and difficulties of working in partnership in child protection within the context of rights justice and empowerment The research identifies what families find helpful and unhelpful in the intervention as well as analysing the difficulties faced by practitioners In exploring the families experience the author provides a concrete base for a much needed clarification of the nature of and limitations on partnership practice within child protection Equally the analysis of professional perspectives on current procedures and the agency structures in place to support them provides insight into key intra and inter agency issues including training The Identification of the conflicts and ambiguities which are inherent in the particular system and with which the professional struggle is of particular interest to social work practitioners and their managers as well as to academics and other researchers in the field The book therefore contributes to the debate about what constitutes good practice in this complex field and while affirming some of the strengths of the existing system suggests some ways in which both the families and professionals who work with them can be better supported Child Sexual Abuse

*Nigel Parton, Corrine Wattam, 1999-10-25* This important volume explores children's needs in the context of the policy practice legal and organisational responses to child sexual abuse The chapters written by distinguished experts in the field provide a critical appraisal of recent developments and key debates concerning how to respond to child sexual abuse The emphasis is on keeping the child central in responding to child sexual abuse particularly in the context of refocusing children's services The book is organised around a series of themes identified by survivors of sexual abuse from the National Commission into the Prevention of Child Abuse These themes include justice mediation advocacy confidentiality communication treatment healing surviving family support community perpetrators institutional abuse All of these areas provide major challenges to professionals and health welfare and legal agencies The authors provide practitioners with suggestions on how to meet children's needs whilst satisfying policy and procedures This timely volume provides a child focused exploration of children's needs tackles key sources of conflict in practice makes recommendations to practitioners for practice and policy development

The book includes discussion on how far the legislative framework meets the criteria for child victims survivors of sexual abuse and survival and healing strategies from the survivor as expert point of view. It also addresses issues concerned with interviewing children arising from the Memorandum of Good Practice Child Sexual Abuse Responding to the Experiences of Children. This is an essential resource for social work practitioners, managers and trainers, health visitors, solicitors and lawyers involved in legal work with children, police officers, teachers and all those on related courses.

***The Child's World*** Janet Anne Basarab-Horwath, 2001-01-01. Written for professionals involved in the assessment of children in need, this book is a comprehensive guide to recent developments in research and practice. It looks at the policy framework for assessment, the actual process of assessment, how to assess the developmental needs of children and how to assess their parents and family's capacity to meet those needs. The contributors are experts from a range of fields and the guide, which was developed by the NSPCC and is published in association with them, is designed to facilitate productive joint agency work. Key topics covered include ecological perspectives on the child and the family, attachment theory and child development, assessing families where the parents have a learning disability, working with children and families from minority ethnic groups, the effect of sexual abuse within the family on the assessment process, assessment prior to birth. Originally commissioned by the Department of Health and outlining the developments and theory underpinning their Framework for the Assessment of Children in Need and their Families, this book will be essential reading for qualified and trainee social workers and those completing the Post Qualifying Award in Child Care. It will also be an indispensable guide for psychologists, teachers, health visitors and any other professionals and qualifying professionals involved in the assessment of children in need.

**Home Truths About Child Sexual Abuse** Catherine Itzin, 2005-06-28. Home Truths About Child Sexual Abuse brings together the findings of research and clinical work by leading figures in the UK and USA. It makes visible the prevalence of sexual abuse and exploitation of children by normal, ordinary, heterosexual family men both within and outside the family. Comprehensive and multidisciplinary in approach, it covers the many different aspects of child sexual abuse, including phenomenology, definitions and terminology, epidemiology, explanatory frameworks, concepts and theory, the contribution of radical feminism, constructs, classifications and typologies, policy, treatments, multi-disciplinary and multi-agency work, medical advice, gender issues, criminal justice. The book provides the evidence and knowledge base necessary to begin to achieve effective prevention. It offers professionals, researchers and policy makers an invaluable source of reference and an informed basis for action.

**Understanding Disorganized Attachment** David Shemmings, Yvonne Shemmings, 2011. Disorganized attachment, the most extreme form of insecure attachment, can develop in a child when the person who is meant to protect them becomes a source of danger. This book provides a comprehensive text on disorganized attachment.

**Social Work** Terry Bamford, Keith Bilton, 2020-06-09. This collection charts the key developments in the social work field from 1970 to the present day and shows how, by fully understanding social work's past, we can make better progress for practitioners and

service users in the future It brings together a broad collection of experts from across social work who trace how thinking and approaches to practice have changed over time examine key legislative developments in the field look at the impacts of major inquiries and consider the re emergence of certain specialisms Providing students and practitioners of social work and social policy with a full picture of the evolution of social work it also shares important insights for its future directions

**Social Work and Social Problems** Gerald Smale,Graham Tuson,Daphne Statham,2000-02-18 This book describes how social work teams can respond to social problems in a way that both deals with immediate need and helps build community capacity The authors recognise the need to respond appropriately to crisis where vulnerable children and adults are at risk but argue that an inappropriate response can compound and perpetuate people s problems They suggest that social care organisations need to go beyond operating as aid agencies focusing on the needs of individuals and should increase their development capacity by working with other agencies and citizens to make communities more supportive and inclusive for vulnerable and excluded people

**Women and Social Work** Jalna Hanmer,Daphne Statham,1999-11-11 In this second edition of a classic text the changes in the lives of women using social services and women working in them are sensitively charted with the aim of reflecting on how non sexist women centred practice can be nurtured and developed Retaining its original emphasis on attitudes values and the social welfare context the text explores the core areas of poverty work including providing support for children and adults violence and familial relationships but with a stronger emphasis on the important diversities created by age disability and employment as well as by race class and sexuality
