When Cellphones Make Us Crazy Jeremy Bursey, 2020-06-05 Obsession and cellphones make for a happy couple A happy infuriating couple What do we do when obsession grabs us between the legs and pulls Go with it Resist it Do we let it dictate our friendships Our relationships Does it simply make us too stupid to even notice our choices In his twenty something years on earth Avery Ward has had limited success with his dating relationships As a student in psychology and a counselor in training he feels it's important to analyze the mistakes of his past before embarking on those same mistakes in the future So when his psychology professor asks him to chart his obsessions throughout the semester he doesn't think he'll have much to write about He is after all cautious about his choices and cautious people do not submit to obsessions That is until he meets Melissa the girl of his dreams at a fraternity party one fateful night He has sixty seconds with her That's all But that's enough to figure out she is everything he wants in a partner So when her cellphone rings and she goes missing for the evening he

panics He longs to spend more time with her He searches all over for her Where is she He must find her Can he find her He panics She is the woman of his dreams Sixty seconds He needs more Fortunately serendipity kicks in when he runs into her at a local supermarket months later giving him a second chance at a new first impression But he has needy friends and a cellphone and so does Melissa and even as he tries his hardest to kickstart the relationship that he failed to launch at the party friends and cellphones become obsessed with both of them In the aftermath Avery realizes getting the girl of his dreams may require choices that go beyond reason But can a spiderweb of obsessive behaviors get him the girl of his dreams without wrecking his and everyone else's life in the process Note This version is a novella sized remake of When Cellphones Go Crazy 2015 *Nine Critical Mistakes Most Couples Make* David Hawkins, 2005-08-15 Drawing from many years of experience as a licensed clinical psychologist Dr David Hawkins shows that complex relational problems usually spring from nine destructive habits couples fall into and he offers practical suggestions for changing the way husbands and wives relate to each other Thoroughly scriptural and eminently up to date this handbook for healthy relationships gently but clearly shows how to address problems but avoid emotional explosions learn from mistakes create healthy boundaries establish an atmosphere of humility and forgiveness stop battling and begin championing one another Married men and women pastors and counselors will find helpful insights into the challenges all marriages face as well as the strategies for breakthroughs

Crazy Patchwork with Embroidery Mabel Dawn Van Niekerk, 2014-05-28 Crazy patchwork is a fascinating craft Take your patchwork designs to a whole new level by embellishing every patch with your favorite embroidery stitches and adding ribbons braids buttons and beads for more detail The beautiful squares of fabric you create can be used to make quilts cushion covers wall hangings scarves and evening bags Have fun with crazy patchwork and keep in mind that you are supposed to be having fun this is not a competition to see if you can do it better than anyone else **With Her Own Hands** Nicole Nehrig, 2025-08-19 A rich and intimate exploration of how women have used textile work to create meaningful lives from ancient mythology to our current moment Knitting sewing embroidery quilting throughout history these and other forms of textile work have often been dismissed as merely women s work and attached to ideas of domesticity and obedience Yet as psychologist and avid knitter Nicole Nehrig wonderfully explores in this captivating book textile work has often been a way for women to exercise power When their voices were silenced and other avenues were closed off to them women used the tools they had often a needle and thread to seek freedom within the restrictive societies they lived in Spanning continents and centuries With Her Own Hands brings together remarkable stories of women who have used textiles as a means of liberation from an eighteenth century Quaker boarding school that used embroidered samplers to teach girls math and geography to the Quechua weavers working to preserve and revive Incan traditions today and from the Miao women of southern China who in the absence of a written language pass down their histories in elaborate story cloths to a midcentury British women s postal art exchange Textiles have been a way for women to explore their intellectual capacities seek economic independence create community process traumas and convey powerful messages of self expression and political protest Heartfelt and deeply moving With Her Own Hands is a celebration of women who have woven their own stories and a testament to their resilience **The Murder of Crazy Horse** Raven Walker, 2000-12 In one week at the Battles of the Rosebud and the Little Bighorn the military genius of Crazy Horse whipped the U S Army twice using primitive weaponry and notoriously undisciplined warriors Only the horse and maneuver were at his advantage But Crazy Horse lost his war was brought down to surrender and finally in a web of intrigue and cabal worthy of Shakespeare murdered and wiped from the face of the earth Naturally his life was both glorified and distorted by both sides red and white while the truth of his remarkably destiny lay buried and kept secret for 125 years To the redman Crazy Horse became the symbol of once

greatness Some so deified him that his resurrection from the dead is foretold Indeed his generosity was renown and worthy of Jesus To the whiteman he became an embarrassment and an enigma History says he was a solitary laconic man untamed and recalcitrant yet he taught thousands of Sioux warriors the art of war in terms Frederick the Great and Stonewall Jackson would have understood Clearly Crazy Horse was a great communicator one with deep sympathy with his people The recorded history of his last days are full of massive contradiction The eye witness accounts the most divergent of all What kind of man was Crazy Horse really Only the literary art of tragedy is left to answer
