Graphic Showbiz Adwoa Serwaa,2014-10-27 **Make Room for TV** Lynn Spigel,2013-11-26 Between 1948 and 1955 nearly two thirds of all American families bought a television set and a revolution in social life and popular culture was launched In this fascinating book Lynn Spigel chronicles the enormous impact of television in the formative years of the new medium how over the course of a single decade television became an intimate part of everyday life What did Americans expect from it What effects did the new daily ritual of watching television have on children Was television welcomed as an unprecedented window on the world or as a one eyed monster that would disrupt households and corrupt children Drawing on an ambitious array of unconventional sources from sitcom scripts to articles and advertisements in women s magazines Spigel offers the fullest available account of the popular response to television in the postwar years She chronicles the role of television as a focus for evolving debates on issues ranging from the ideal of the perfect family and changes in women s role within the household to new uses of domestic space The arrival of television did more than turn the living room into a private theater it offered a national stage on which to play out and resolve conflicts about the way Americans should live Spigel chronicles this lively and contentious debate as it took place in the popular media Of particular interest is her treatment of the way in which the phenomenon of television itself was constantly deliberated from how programs should be watched to where the set was placed to whether Mom Dad or kids should control the dial **Make Room for TV** combines a powerful analysis of the growth of electronic culture with a nuanced social history of family life in postwar America offering a provocative glimpse of the way television became the mirror of so many of America s hopes and fears and dreams *How To Make £100 A Night (Or More) As A Pub Quizmaster ,* **Hallmark Keepsake Ornaments, The Inside Stories from the Artists Who Create Them** John Peterson,2007 *Hollywood Stories* Pasquale De Marco,2025-08-08 *Hollywood Stories* is a book about the glitz the glamour and the dark side of the entertainment industry It s a book about the people who make Hollywood what it is from the actors and directors to the agents and publicists It s a book about the business of Hollywood from the financing and distribution of films to the marketing and promotion And it s a book about the impact of Hollywood from its influence on American culture to its global reach In *Hollywood Stories* you ll read about the early days of Hollywood when the studios ruled supreme and the stars were larger than life You ll learn about the golden age of Hollywood when the movies were at their peak and Hollywood was the center of the world s entertainment industry You ll also learn about the decline of Hollywood when the studios lost their power and the stars began to fade But Hollywood is a resilient town and it

has always bounced back from adversity In recent years Hollywood has experienced a resurgence thanks in part to the rise of independent filmmaking and the popularity of streaming services Today Hollywood is once again a thriving center of creativity and innovation Hollywood Stories is more than just a book about the entertainment industry It s a book about the American dream It s a book about the people who come to Hollywood with stars in their eyes hoping to make it big And it s a book about the people who do make it big and the price they often pay for fame and fortune Whether you re a lifelong fan of Hollywood or just curious about the world s most famous entertainment industry Hollywood Stories is the perfect book for you If you like this book write a review **Making it in Hollywood** Gail O'Donnell,1995 Learn the stories of the stars you love to watch how they did it where they started and what they had to do to get where they are today Everyone loves the myths the movies and the magic of Hollywood and Making It in Hollywood will make readers feel like they are part of it all

Jimmy Carter and the Birth of the Marathon Media Campaign Amber Roessner,2020-05-20 With the rise of Jimmy Carter a former Georgia governor and a relative newcomer to national politics the 1976 presidential election proved a transformative moment in U S history heralding a change in terms of how candidates run for public office and how the news media cover their campaigns Amber Roessner s Jimmy Carter and the Birth of the Marathon Media Campaign chronicles a change in the negotiation of political image craft and the role it played in Carter s meteoric rise to the presidency She contends that Carter s underdog victory signaled a transition from an older form of party politics focused on issues and platforms to a newer brand of personality politics driven by the manufacture of a political image Roessner offers a new perspective on the production and consumption of media images of the peanut farmer from Plains who became the thirty ninth president of the United States Carter s miraculous win transpired in part because of carefully cultivated publicity and advertising strategies that informed his official political persona as it evolved throughout the Democratic primary and general election campaigns To understand how media relations helped shape the first post Watergate presidential election Roessner examines the practices and working conditions of the community of political reporters public relations agents and advertising specialists associated with the Carter bid She draws on materials from campaign files and strategic memoranda radio and TV advertisements news and entertainment broadcasts newspaper and magazine coverage and recent interviews with Carter prominent members of his campaign staff and over a dozen journalists who reported on the 1976 election and his presidency With its focus on the inner workings of the bicentennial election Jimmy Carter and the Birth of the Marathon Media Campaign offers an incisive view of the transition from the yearlong to the permanent campaign from New Deal progressivism to New Right conservatism from issues to soundbites and from objective news analysis to partisan commentary

Hollywood's Dirtiest Secret Hunter Vaughan,2019-03-12 In an era when many businesses have come under scrutiny for their environmental impact the film industry has for the most part escaped criticism and regulation Its practices are more diffuse its final product less tangible and Hollywood has adopted public relations strategies that portray it as environmentally

conscious In Hollywood's Dirtiest Secret Hunter Vaughan offers a new history of the movies from an environmental perspective arguing that how we make and consume films has serious ecological consequences Bringing together environmental humanities science communication and social ethics Hollywood's Dirtiest Secret is a pathbreaking consideration of the film industry's environmental impact that examines how our cultural prioritization of spectacle has distracted us from its material consequences and natural resource use Vaughan examines the environmental effects of filmmaking from Hollywood classics to the digital era considering how popular screen media shapes and reflects our understanding of the natural world He recounts the production histories of major blockbusters Gone with the Wind Singin in the Rain Twister and Avatar situating them in the contexts of the development of the film industry popular environmentalism and the proliferation of digital technologies Emphasizing the materiality of media Vaughan interweaves details of the hidden environmental consequences of specific filmmaking practices from water use to server farms within a larger critical portrait of social perceptions and valuations of the natural world

Sex, Liberty & the Pursuit of Happiness Humphrey Zinyuke, 2015-11-25 In SEX LIBERTY AND THE PURSUIT OF HAPPINESS Wisdom for America's New Sexual Order Humphrey Zinyuke dissects sexuality with rare sagacity debunking those aspects of it that are often over the head or simply intrigue In what is perhaps the most timely book since Jonathan Cahn's The Harbinger Humphrey takes stock of modern day sex exploring its commercial political sociocultural and even religious bearings whilst taking us on a tour of key sexual precedents from Kinsey Woodstock right through to this day when the Gay Agenda has reached fruition He goes a step further to prognosticate the eyebrow raising future of sexuality This witty and satirical treatise promises to dispel the mystique on all issues sex from those as grave as the shocking evidence of Jesus Christ's counter cultural teaching that marriage is in fact not for everyone to such trivia as why love and scandal are fast becoming the best sweeteners of tea An end times piece for they that would blend passion with prudence

Showbiz Politics Kathryn Cramer Brownell, 2014-11-24 Conventional wisdom holds that John F Kennedy was the first celebrity president in no small part because of his innate television savvy But as Kathryn Cramer Brownell shows Kennedy capitalized on a tradition and style rooted in California politics and the Hollywood studio system Since the 1920s politicians and professional showmen have developed relationships and built organizations institutionalizing Hollywood styles structures and personalities in the American political process Brownell explores how similarities developed between the operation of a studio planning a successful electoral campaign and ultimately running an administration Using their business and public relations know how figures such as Louis B Mayer Bette Davis Jack Warner Harry Belafonte Ronald Reagan and members of the Rat Pack made Hollywood connections an asset in a political world being quickly transformed by the media Brownell takes readers behind the camera to explore the negotiations and relationships that developed between key Hollywood insiders and presidential candidates from Dwight Eisenhower to Bill Clinton analyzing how entertainment replaced party spectacle as a strategy to raise money win votes and secure success for

all those involved She demonstrates how Hollywood contributed to the rise of mass mediated politics making the twentieth century not just the age of the political consultant but also the age of showbiz politics *The Cinema Book* Bloomsbury Publishing,2019-07-25 The Cinema Book is widely recognised as the ultimate guide to cinema Authoritative and comprehensive the third edition has been extensively revised updated and expanded in response to developments in cinema and cinema studies Lavishly illustrated in colour this edition features a wealth of exciting new sections and in depth case studies Sections address Hollywood and other World cinema histories key genres in both fiction and non fiction film issues such as stars technology and authorship and major theoretical approaches to understanding film Graphic Showbiz Lee Accorley,2000-02-17 **The Teaching Dog** Nicole Larocco-Skeehan,2018-04-03 Hire A Dog To Be Your Training Assistant The concept of using dogs as teaching aides is gaining popularity among trainers worldwide A Teaching Dog can be used to demonstrate behaviors work to socialize puppies and even help out in reactive dog classes *Billboard* ,1947-04-12 In its 114th year Billboard remains the world s premier weekly music publication and a diverse digital events brand content and data licensing platform Billboard publishes the most trusted charts and offers unrivaled reporting about the latest music video gaming media digital and mobile entertainment issues and trends British Novelists in Hollywood, 1935-1965 L.
