Sarah Imhoff

Making Manhood:

Making Manhood Anne S. Lombard, 2003 At its core was a suspicion of emotional attachments between men and women Boys were taken under their father's wing from a young age and taught the virtues of reason responsibility and maturity Intimate bonds with mothers were discouraged as were individual expression pride and play The mature man who moderated his passions and contributed to his family and community was admired in sharp contrast to the young adventurous and aggressive hero who would emerge after the American Revolution and embody our modern image of masculinity BOOK JACKET **Manhood in the Making** David D. Gilmore, 1990-01-01 Offers a cross cultural study of manhood as an achieved status and looks at two androgynous cultures that are exceptions to the manhood archetype

Manhood Manifesto Mike Shereck, 2021-07-20 Manhood Manifesto is a book about men their leadership and the condition of masculinity today We live in the greatest country in the world the United States of America We also live in one of the most dynamic periods of time in history This book is about the opportunity we have as Americans especially men This book calls forth the character and skills of American men To whom much is given much is expected We live in challenging times and American men are more than capable of meeting those challenges To meet those challenges though there needs to be a willingness and acceptance of the responsibilities required This book looks at where we are and how we got here creating a pathway in which to engage This process is intended to restore the trust affinity and community that has been pushed to its limits in the most recent months and years The book does so in a way that is somewhat irreverent yet respectful serious yet fun and challenging yet empowering Mike Shereck has a bias toward men simply because he is one If change must occur it will begin with him and those like and near him In Mike's view for society's problems to be solved first men must own it From the position of ownership we can now address it That is what is done in this book in a direct bold courageous sometimes shocking always heartfelt and humorous way *Making European Masculinities* J. A.

Mangan, 2013-10-08 As sport has grown progressively replacing religion in its power to excite passion provide emotional escape offer fraternal and increasingly sororital bonding it has come to loom larger and larger in the lives of Europeans and others It has become an inescapable reality linking public environment with intimate experience and thus offers the historian an opportunity to inspect and attempt to grasp all the dimensions of the recent past and their relative share in individual and collective experience This collection considers the evolution of modern sport in Europe and examines its role in shaping masculine identity *Making Men Ridiculous* Christopher Nappa, 2018 Barbed and vivid details in Juvenal's satiric poetry

American Judaism Sarah Imhoff, 2017-03-13 An examination of how early twentieth century American Jewish men experienced manhood and presented their masculinity to others How did American Jewish men experience manhood and how did they present their masculinity to others In this distinctive book Sarah Imhoff shows that the project of shaping American

Jewish manhood was not just one of assimilation or exclusion Jewish manhood was neither a mirror of normative American manhood nor its negative effeminate opposite Imhoff demonstrates how early twentieth century Jews constructed a gentler less aggressive manhood drawn partly from the American pioneer spirit and immigration experience but also from Hollywood and the YMCA which required intense cultivation of a muscled male physique She contends that these models helped Jews articulate the value of an acculturated American Judaism Tapping into a rich historical literature to reveal how Jews looked at masculinity differently than Protestants or other religious groups Imhoff illuminates the particular experience of American Jewish men There is so much literature and very good scholarship on Judaism and gender but the majority of that literature reflects an interest in women A hearty thank you to Sarah Imhoff for writing the other half of the story and for doing it so elegantly Claire Elise Katz author of *Levinas and the Crisis of Humanism* Invariably lucid and engaging Sarah Imhoff provides a secure foundation for how religion shaped American masculinity and how masculinity shaped American Judaism in the early twentieth century Judith Gerson author of *By Thanksgiving We Were Americans* German Jewish Refugees and Holocaust Memory

[The Making of the New Negro](#) Anna Pochmara, 2011 The Making of the New Negro examines black masculinity in the period of the New Negro Harlem Renaissance which for many decades did not attract a lot of scholarly attention until in the 1990s many scholars discovered how complex significant and fascinating it was Using African American published texts American archives and unpublished writings and contemporaneous European discourses this book focuses both on the canonical figures of the New Negro Movement and African American culture such as W E B Du Bois Booker T Washington Alain Locke and Richard Wright and on writers who have not received as much scholarly attention despite their significance for the movement such as Wallace Thurman Its perspective combines gender sexuality and race studies with a thorough literary analysis and historicist investigation an approach that has not been extensively applied to analyze the New Negro Renaissance

Godly Man Every young boy dreams about what he wants to be when he grows up Some have goals of becoming an astronaut or a fireman or a professional athlete But what does it take to be a man How does a young person get there In this six session video based curriculum DVD digital video sold separately NFL All Pro sports analyst and businessman Tim Brown uses experiences from his life to teach men the principles and priorities he has learned for leading a life that honors God Through his stories of struggling with God overcoming temptations and discovering what it takes to be a good husband and father he shares what true manhood is all about and what guys must do to attain it These principles have helped Tim lead a life of honor and integrity that has made him one of the most respected men in the world of sports The Making of a Man will not only inspire men of all ages but also challenge them to measure their lives and success by a higher standard Designed for use with The Making of a Man Video Study sold separately *Making Societies* William G. Roy, 2001-01-23 This book shows how the social constructions of time space race gender and class intersect with each other to produce particular social phenomena that are enduring and significant for our society Leading the reader through examples drawn from around the world the author shows how these categories are social constructions historically formed ideologically loaded and subject to change **Chaucer's Visions of Manhood** H. Crocker, 2007-06-25 This book argues that Chaucer challenges his culture s mounting obsession with vision constructing a model of manhood that blurs the distinction between agency and passivity in a traditional gender binary **Hemingway's Theaters of Masculinity** Thomas F. Strychacz, 2003 Thomas Strychacz challenges the traditional wisdom that Hemingway fashions a quintessentially masculine style that promotes an ideal of stoic independent manhood arguing instead that Hemingway s fiction poses masculinity as a theatrical performance **Let Us Make Men** D'Weston Haywood, 2018-09-25 During its golden years the twentieth century black press was a tool of black men s leadership public voice and gender and identity formation Those at the helm of black newspapers used their platforms to wage a fight for racial justice and black manhood In a story that stretches from the turn of the twentieth century to the rise of the Black Power movement D Weston Haywood argues that black people s ideas rhetoric and protest strategies for racial advancement grew out of the quest for manhood led by black newspapers This history departs from standard narratives of black protest black men and the black press by positioning newspapers at the intersections of gender ideology race class identity urbanization the public sphere and black institutional life Shedding crucial new light on the deep roots of African Americans mobilizations around issues of rights and racial justice during the twentieth century Let Us Make Men reveals the critical complex role black male publishers played in grounding those issues in a quest to redeem black manhood

Making Men Stephan M. Wilson, 2015 This book identifies seven narratives of male maturation in the Hebrew Bible and shows how this theme is employed by biblical redactors and narrators to highlight transitions in the historical prose of the Hebrew Bible It also considers how these stories provide insight into the varying representations of biblical masculinity

Southern Sons Lorri Glover, 2007-02-15 Publisher description *Homiletic Review* ,1907 **Between Woman, Man**

and God Hagith Sivan, 2004-08-01 According to the demands of the Decalogue manhood entails the avoidance of stealing killing and coveting not to mention apostasy and violation of the Sabbath and other men's property What then would be the essence of womanhood if different By selecting female characters narratives as interpretative clues for the law this book presents a legal behavioral and representational reading of the Decalogue Beginning with an analysis of the legal contents of each Commandment through allied legal texts which relate to women and to the feminine each chapter continues with an investigation of the ways in which the activities of the female and male protagonists of select narratives elucidate the range of Commandments *The Homiletic Review*, 1907 *Object Lessons* Robyn Wiegman, 2012-01-11 A passionate advocate of identity studies and a keen reader of U S institutional politics Robyn Wiegman turns her attention in *Object Lessons* to the critical practices and political ambitions of identity based fields In a series of case studies drawn from women's studies queer studies ethnic studies and American studies she examines the unspoken belief that better theory will produce progressive social change in order to consider the political desire that fuels current scholarly debate Her metacritical analysis is neither a defense nor a dismissal of such political commitment but a sustained inquiry into the hope it generates the thinking it inspires and the conformity it inadvertently demands
