

A man with short brown hair and a light beard is shown from the chest up. He is holding a long string of small, light-colored beads in his right hand, which is raised towards his face. He has a surprised or excited expression on his face, with wide eyes and an open mouth. He is wearing a light-colored, possibly grey, t-shirt. The background is a dark, textured wall, possibly made of stone or brick, with some faint, illegible markings. The overall lighting is somewhat dim, with a warm, reddish-brown tint.

Tracking the Texas Ranger Historians Bruce A. Glasrud, Harold J. Weiss Jr, 2024-10-15 The first systematic inquiry into the Texas Rangers did not begin until 1935 with Walter Prescott Webb s publication *The Texas Rangers* Since then numerous works have appeared on the Rangers but no volume has been published before that covers the various historians of the Rangers and their approaches to the topic Editors Bruce A Glasrud and Harold J Weiss Jr gather essays that profile individual historians of the Texas Rangers explore themes and issues in Ranger history and comprise archival research biographies and autobiographies Several approaches in Texas historiography have influenced the writings on the Texas Rangers and serve to organize the chapters in the volume Traditionalists Chuck Parsons Stephen L Moore and Bob Alexander stress the revered happenings in the nineteenth century that brought about the Lone Star state and its empire building Ranger force To these historical writers the Texas Rangers were part of a golden age Revisionists Robert M Utley Louis R Sadler and Charles H Harris pull back from this adulation emphasize the importance of overlooked ethnic and racial groups and point out misbehavior on the part of Rangers They also want to separate fact from fiction Some Ranger historians Frederick Wilkins and Mike Cox straddle both traditional and revisionist approaches in their works The final group Cultural Constructionalists Gary Clayton Anderson Am rico Paredes and Monica Mu oz Martinez continue the work of Revisionists and focus on an interconnected past that includes theoretical approaches and the study of memory and regional identities Several themes emerge throughout the book One is how the Rangers changed from unorganized mounted militia dragoons in the modern sense to organized cavalry forces with six shooter firepower who served as a military arm of the state and nation A second is how the dichotomous views of the Rangers as either patriot warriors or bloody avengers left their imprint on Anglo and Hispanic society This divergent examination especially derived from incidents in the US Mexican War the period from 1910 to 1920 and the lower Rio Grande valley in the 1960s And yet another theme is how the Rangers first resisted and

fought against yet ultimately absorbed all creeds and colors into their ranks over two hundred years as they evolved into police officers Anglo Black Hispanic Indian and women Rangers

The Making of a Ranger Chuck Luttrell, 2013-08 Park Rangers are frequently asked two questions What do rangers do How do you get to be a ranger The short answer Everything and it isn't easy Chuck Luttrell thought he knew from watching his family friend John Riffe the longtime ranger on the North Rim of the Grand Canyon going about his business every summer But times have changed and so does a ranger during his or her career In *The Making of a Ranger* Chuck chronicles his postings and the varied tasks he undertakes as law enforcer fireman medic and rescuer whether on lakes deserts snow covered mountains or back roads He acknowledges some successes and some failures which invites readers to wonder how they would cope with the various incidents he has faced The conclusions he comes to about the rest of his Park Service career are not the ones he expected when he set out to master all the skills necessary to protect nature and the park visitors from each other and themselves Chuck's Park Service career took place mostly in parks with lakes such as Lake Meredith in Texas and Lake Mead NRA with some dry but hot assignments on the Shivwits plateau and Chaco Canyon's Harmonic Convergence

Jeff Holmes, 2014-11-07 Davie Meiklejohn had few equals in British football between the wars According to his admiring contemporaries he was a tactical genius a head ahead of his time the greatest ever Ranger Fast tracked by manager William Wilton the former Maryhill junior was part of a title winning side in his debut season There would be many more championships to celebrate for this born leader though Rangers failure to lift the Scottish Cup for 25 long years became a music hall joke until May 1928 when Meik led his team to a hoodoo busting 4-0 rout of arch rivals Celtic In 1931 the tragic on field death of Celtic keeper John Thomson saw Meiklejohn at his dignified inspirational best He enjoyed international adventures a post playing career in journalism and a twelve year stint as manager of Patrick Thistle yet at the
