

The background of the book cover is a painting of a serene landscape. In the foreground, several large, smooth, light-brown rocks are scattered across a dark blue, pebbly shoreline. A calm body of water, likely a lake, stretches across the middle ground, reflecting the sky. In the background, rolling green hills and mountains are visible under a pale, overcast sky with soft, wispy clouds. The overall tone is peaceful and naturalistic.

## **Making Of The Mosaic A History Of Canadian Immigration Policy:**

**The Making of the Mosaic** Ninette Kelley, Michael J. Trebilcock, 2010-01-01 A coherent and lively tale that traces in considerable detail the evolution of Canadian immigration policy Christopher G Anderson Journal of Canadian Studies A thorough account of Canada's immigration policies Any reader interested in immigration to Canada now has a one stop source for its history Douglas Fisher Ottawa Sun A closely textured well conceived narrative an ambitious work that is tremendously reader friendly Barbara Lorenzkowski Social History Masterful and meticulously documented J D Blackwell Choice A rich resource for scholars of Canadian immigration John Harles Canadian Journal of Political Science The Changing Face of Canada Roderic P. Beaujot, Donald W. Kerr, 2007 Canadian society is rapidly changing This concise up to date volume masterfully captures this change Edited by two of Canada's leading demographers Roderic Beaujot and Don Kerr this book is an exciting entry in Canadian population studies drawing from a variety of disciplines including sociology geography economics history and epidemiology The Changing Face of Canada is an essential text for demography courses across the country Each reading has been meticulously edited and concisely ordered into five essential sections fertility mortality international migration domestic migration and population distribution population aging population composition Vital issues include the role of immigration in Canada's future the deteriorating economic welfare of immigrants globalization undocumented migration and unwanted refugees Aboriginal population change implications of unprecedented low fertility and the astonishing demographic transformation of Canadian cities **Eastern Encounters: Canadian Women's Writing about the East, 1867-1929** Shoshannah Ganz □, 2017-04-17 Eastern Encounters releases early Canadian women writers from a simple focus on autobiography and racial politics and interrogates their specific and sophisticated Asian influences With a compelling reconstruction of historical context Ganz has created perhaps the first book in a much needed series that will revisit Canadian nationalism through the important cultural exchanges she examines Though shaped with an Asian readership in mind Eastern Encounters is an important work for all who wish to challenge the notion that Judeo Christian traditions almost exclusively shaped early Canadian discourse *The Unity of Public Law* David Dyzenhaus, 2004-03-17 This book tackles the important topic of the relationship between three parts of the public law regime in a common law jurisdiction the common law of judicial review or the unwritten constitution the written constitution and public international law Thematic coherence is ensured by the fact that the papers were presented at a conference in early 2003 and then extensively revised and by a general focus on a path breaking decision of Canada's Supreme Court Baker The book thus contains a highly productive exchange between an international group of scholars on such themes as the rule of law judicial deference the separation of powers the role of human rights in common law reasoning on immigration and security matters and the nature of legal authority **Canada and the World since 1867** Asa McKercher, 2019-09-19 This book is a history of Canada's role in the world as well as the impact of world events on Canada Starting from the country's quasi

independence from Britain in 1867 its analysis moves through events in Canadian and global history to the present day Looking at Canada s international relations from the perspective of elite actors and normal people alike this study draws on original research and the latest work on Canadian international and transnational history to examine Canadians involvement with a diverse mix of issues from trade and aid to war and peace to human rights and migration The book traces four interconnected themes independence and growing estrangement from Britain the longstanding and ongoing tensions created by ever closer relations with the United States the huge movement of people from around the world into Canada and the often overlooked but significant range of Canadian contacts with the non Western world With an emphasis on the reciprocal nature of Canada s involvement in world affairs ultimately it is the first work to blend international and transnational approaches to the history of Canadian international relations

**Challenges of Globalization and Inclusivity in Academic Research** Chakraborty, Swati,2024-02-19 As the world becomes increasingly interconnected complexities arise in ensuring inclusivity and diversity in research practices Challenges of Globalization and Inclusivity in Academic Research examines the impact of globalization on academic research within the domains of social sciences religion and technology Through meticulous analysis and case studies it dissects the multifaceted effects of globalization shedding light on how it has shaped research questions methodologies and teaching approaches in these critical disciplines This book is an exploration of challenges and a guidebook for positive change It navigates through topics such as unconscious bias in research gender representation in academia and ethical considerations in international collaborations It encourages readers to develop a nuanced understanding of the need for diversity and inclusivity in research practices laying the foundation for a more equitable and globally connected research community This book is ideal for researchers academics policymakers administrators Diversity Equity and Inclusion DEI advocates and cross cultural collaborators

**Critical Perspectives on Social Control and Social Regulation in Canada** Mitch Daschuk,2020-08-25T00:00:00Z How does social regulation shape who is deviant and who is normal Critical Perspectives on Social Control and Social Regulation in Canada is an introduction to the sociology of what has traditionally been called deviance and conformity This book shifts the focus from individuals labelled deviant to the political and economic processes that shape marginalization power and exclusion Class gender race and sexuality are the bases for understanding deviance and it is within these relations of power that the labels deviant and normal are socially developed and the behaviours of those less powerful become regulated This textbook introduces readers to theories and critiques of traditional approaches to deviance and conformity Using vivid and timely examples of contemporary social regulation and control this textbook brings to life how forces of social control and marginalization interact with social media sex work immigration anti colonialism digital surveillance and social movements and much more Theories and critiques are clarified with summaries definitions rich illustrative examples discussion questions recommended resources and test banks for instructors

U.S. Border Security Judith Ann Warner,2010-07-20 This text provides an integrated view of post 9 11

security concerns over the United States's shared border with Mexico and Canada in regards to terrorism unauthorized migration drug and arms smuggling and other illegal trade The challenges facing U S Customs and Border Patrol are daunting There are 19 841 miles of American land and water boundaries to protect and 95 000 miles of shoreline and defined air space subject to homeland security surveillance Additionally the booming drug trade across the U S Mexico border combined with the ever increasing number of migrants wanting to reach our land of opportunity has resulted in a grim death toll more than 5 000 known migrant deaths have occurred along the U S Mexico border during 1995 2008 and in 2009 an estimated 9 635 Mexicans were killed in drug related violence with 2 573 people killed in Ciudad Juarez alone U S Border Security focuses on the contrast between border security before and after the 9 11 terrorist attacks This text also examines the controversial topics of illegal immigration counterterrorism drug and weapons trafficking human smuggling the impact of border security on the movement of people and goods and the effect of the war on terrorism on civil and human rights

**Moving Together** Allana C. Lindgren, Batia Boe Stolar, Clara Sacchetti, 2021-05-11 Moving Together Dance and Pluralism in Canada explores how dance intersects with the shifting concerns of pluralism in a variety of racial and ethnic communities across Canada Focusing on the twentieth and twenty first centuries contributors examine a broad range of dance styles used to promote diversity and intercultural collaborations Examples include Fijian dance in Vancouver Japanese dance in Lethbridge Danish Chinese Kathak and Flamenco dance in Toronto African and European contemporary dance styles in Montreal and Ukrainian dance in Cape Breton Interviews with Indigenous and Middle Eastern dance artists along with an artist statement by a Bharata Natyam and contemporary dance choreographer provide valuable artist perspectives Contributors offer strategies to decolonize dance education and also challenge longstanding critiques of multiculturalism Moving Together demonstrates that dance is at the cutting edge of rethinking the contours of race and ethnicity in Canada and is necessary reading for scholars students dance artists and audiences and everyone interested in thinking about the future of racial and ethnic pluralism in Canada

**Baptists and Public Life in Canada** Gordon L. Heath, Paul R. Wilson, 2012-02-02 Public discussion about the relationship between religion and public life in Canada can be heated at times and scholars have recently focused on the historical study of the many expressions of this relationship The experience of Canada's smaller Protestant Christian groups however has remained largely unexplored This is particularly true of Canada's Baptists This volume the first produced by the Canadian Baptist Historical Society explores the connections between Baptist faith and Baptist activity in the public domain and expands the focus of the existing scholarship to include a wide range of Canadian Baptist beliefs attitudes perspectives and actions related to the relationship between Baptist faith and practice and public life

**Strangers to Neighbours** Shauna Labman, Geoffrey Cameron, 2020-09-23 As a leading country in global refugee resettlement Canada operates a unique program that allows private groups and individuals to sponsor refugees This innovative approach has received growing international attention but there remains a need for a more expansive

understanding of the sponsorship framework and its potential implications within Canada and across the world *Strangers to Neighbours* explains the origins and development of refugee sponsorship paying particular attention to the unintended consequences and ethical dilemmas it produces for refugee policy The contributors to this collection draw upon law social science and philosophy to bring a more robust and objective perspective on Canada's historical experience with sponsorship into wider conversations about the refugee crisis and resettlement Together they present recent cases that exemplify how the model has been applied and how it functions while also analyzing the challenges that emerge in host sponsor relations This volume further examines how sponsorship has been implemented differently in countries such as the United States and Australia The first dedicated study of refugee sponsorship policy *Strangers to Neighbours* assembles leading scholars from a range of disciplines to consider whether Canada's system is indeed a sustainable model for the world *The Bloomsbury Handbook of Religion and Migration* Rubina Ramji, Alison Marshall, 2022-05-19 The Bloomsbury Handbook of Religion and Migration presents the story of religion and migration predominantly through the experiences of Muslims Sikhs Hindus and Buddhists considering intersectional issues including race ethnicity class gender and generation throughout Many chapters are grounded in embodied ethnography including participant observation fieldwork interviews oral history collections and qualitative analysis drawing on sociological and anthropological theory as well as non western and historical approaches to religion Chapters also chronicle migration in regional transnational multicultural and populist contexts examining everyday religiosity and religion across generations The volume includes chapters on Islam and Muslim identity Chinese and Vietnamese Buddhism Filipino and Korean religiosity and Polish Catholicism *Externalizing Migration Management* Ruben Zaiotti, 2016-02-05 The extension of border controls beyond a country's territory to regulate the flows of migrants before they arrive has become a popular and highly controversial policy practice Today remote control policies are more visible complex and widespread than ever before raising various ethical political and legal issues for the governments promoting them The book examines the externalization of migration control from an interdisciplinary and comparative perspective focusing on remote control initiatives in Europe and North America with contributions from the fields of politics sociology law geography anthropology and history This book uses empirically rich analyses and compelling theoretical insights to trace the evolution of remote control initiatives and assesses their impact and policy implications It also explores competing theoretical models that might explain their emergence and diffusion Individual chapters tackle some of the most puzzling questions underlying remote control policies such as the reasons why governments adopt these policies and what might be their impact on migrants and other actors involved *Chinese Criminal Entrepreneurs in Canada, Volume I* Alex Chung, 2019-03-09 This book explores the historical origins activities and structure of the archetypal new Asian criminal entrepreneurs in Canada known as The Big Circle Boys BCB It traces their illegal immigration abroad from Guangzhou the extent to which they are organised and violent and what the future holds for them in Canada The BCB's organisational features are examined against

theories and legislation of organised crime to understand how they compare to other criminal entities For the first time a unique glimpse is provided into the workings of an elusive cellular network comprised of BCB dai lo bosses Through interviews and official documents their criminal undertakings and structural dimensions are pieced together to show how their interdependent and collaborative cells enabled them to form a dynamic criminal community This book speaks to those interested in how a collective of ethnic Chinese career criminals have replaced traditional criminal organisations in transnational criminal markets particularly for scholars and students of social sciences disciplines

*Migration, Temporality, and Capitalism* Pauline Gardiner Barber, Winnie Lem, 2018-05-08 Bringing together a range of illustrative case studies coupled with fresh theoretical insights this volume is one of the first to address the complexities and contradictions in the relationship between migration time and capitalism While temporal reckoning has long fascinated anthropologists few studies have sought to confront how capitalism fetishizes time in the production of global inequalities historically and in the contemporary world As it explores how the agendas of capitalism condition migration in Europe North America and Oceania this collection also examines temporality as a feature of migrants experiences to ultimately provide a theoretically robust and ethnographically informed investigation of migration and temporality within a framework defined by the political economy of capitalism

**Multicultural Variations** Lance W. Roberts, Barry Ferguson, Mathias Bös, 2013-02-01 Contrary to mid twentieth century predictions ethnic pluralism has increased dramatically in North America and significantly in Europe Neither the post 9 11 emphasis on international border security nor anti immigration and anti multiculturalism movements have affected the fifty year trend of increasing labour mobility and sustained levels of migration The ethnic pluralism accompanying this powerful trend has fueled academic research and public debate Contributors report on and develop a conceptualization of ethnic social incorporation and multiculturalism in Canada the United States Germany Greece Bulgaria and Italy This group of countries displays a remarkable variety of both ethnic diversity and public policy responses to ethnic social incorporation over the past four decades It includes two countries Canada and the United States built upon very large scale immigration over the course of more than a century two countries Greece and Italy which until recently were characterized by large scale emigration but now are grappling with immigration one country Bulgaria that was until the 1990s insulated from extensive migration and faces a demographic slump and one Germany that has experimented with isolating temporary populations but is now addressing the responsibilities of permanent immigration Multicultural Variations includes national reports describing each of the six countries under investigation and is book ended by introductory and concluding chapters that present a new understanding of and synthesis on multiculturalism that is distinct from either enthusiastic support or ideological critiques Contributors include Mathias B s Philipps Universit t Marburg Germany Antonio Chiesi Universit degli Studi di Milano Italy Jason Edgerton University of Manitoba Canada Barry Ferguson University of Manitoba Canada Nikolai Genov Freie Universit t Berlin Germany Louis Hicks St Mary s College of Maryland USA Paul

**For Home and Empire** Steve Marti, 2019-10-01 For Home and Empire is the first book to compare voluntary wartime mobilization across the Australian Canadian and New Zealand home fronts As communities organized to raise recruits or donate funds their efforts strengthened communal bonds but they also reinforced class race and gender boundaries Which jurisdiction should provide for a soldier s wife if she moved from Hobart to northern Tasmania Should Welsh women in Vancouver purchase comforts for local soldiers or for Welsh soldiers in the British Army Should Mori volunteers enlist with their home regiment or with a separate battalion Voluntary efforts reflected how community members understood their relationship to one another to their dominion and to the Empire Steve Marti examines the motives and actions of those involved in the voluntary war effort applying the framework of settler colonialism to reveal the geographical and social divides that separated communities as they organized for war

**Ruin and Redemption** Thomas G. W. Telfer, *North of the Color Line* Sarah-Jane Mathieu, 2010-11-29 North of the Color Line examines life in Canada for the estimated 5 000 blacks both African Americans and West Indians who immigrated to Canada after the end of Reconstruction in the United States Through the experiences of black railway workers and their union the Order of Sleeping Car Porters Sarah Jane Mathieu connects social political labor immigration and black diaspora history during the Jim Crow era By World War I sleeping car portering had become the exclusive province of black men White railwaymen protested the presence of the black workers and insisted on a segregated workforce Using the firsthand accounts of former sleeping car porters Mathieu shows that porters often found themselves leading racial uplift organizations galvanizing their communities and becoming the bedrock of civil rights activism Examining the spread of segregation laws and practices in Canada whose citizens often imagined themselves as devoid of racism Mathieu historicizes Canadian racial attitudes and explores how black migrants brought their own sensibilities about race to Canada participating in and changing political discourse there

**The Church, Migration, and Global (In)Difference** Darren J. Dias, Jaroslav Z. Skira, Michael S. Attridge, Gerard Mannion, 2021-01-21 The painful reality faced by refugees and migrants is one of the greatest moral challenges of our time in turn becoming a focus of significant scholarship This volume examines the global phenomenon of migration in its theological historical and socio political dimensions and of how churches and faith communities have responded to the challenges of such mass human movement The contributions reflect global perspectives with contributions from African Asian European North American and South American scholars and contexts The essays are interdisciplinary at the intersection of religion anthropology history political science gender and post colonial studies The volume brings together a variety of perspectives inter related by ecclesiological and theological concerns
