Latina Realities Oliva Espin, 2018-02-20 This book emphasizes psychology s role as a means of human welfare focusing on the complexities of the psychological development of immigrant women Latinas and other women of color and issues relevant to providing psychological services to them

Inside Out and Outside In Joan Berzoff, Laura Melano Flanagan, Patricia Hertz, 2021-04-08 Inside Out and Outside In has established itself as a foundational book for mental health practitioners in a variety of disciplines who work with clients in complex social environments It is unique in its focus on the forces that shape people from within and also from their social worlds with sensitivity to race gender sexuality and class The fifth edition features new material and revisions throughout while maintaining the respectful and accessible style for which the book is known It has been fully updated to reflect the changing political and social landscape regarding women s issues immigration issues and racism to name just a few Two new chapters have been added on Biopsychosocial Assessment and Neurobiology In addition the authors reinforce intersectionality and diversity through case studies in every chapter The fifth edition of Inside Out and Outside In is an up to date and essential resource for mental health professionals and students practicing in today s increasingly complex environment

The Myth of Empowerment Dana Becker, 2005-02 Her power today her power is said to reside in her ability to relate to others or to take better care of herself so that she can take care of others Dana Becker argues that ideas like empowerment perpetuate the myth that many of the problems women have are medical rather than societal personal rather than political From mesmerism to psychotherapy to the Oprah Winfrey Show women have gleaned ideas about who they are as psychological beings Becker

questions what women have had to

Feminist Counselling and Domestic Violence in India Padma Bhate-Deosthali, Sangeeta Rege, Padma Prakash, 2020-11-29 Mainstream counselling in domestic violence often fails to address critical issues such as gender socialisation processes and the abuse of power that allows violence against women and focuses primarily on the intra psychic nature of individual women In contrast feminist counselling is an effective alternative model owing to its ability to address the fundamental correlation of abuse with power In going beyond the individual it helps women locate the source of their distress in the larger social context of power and control manifesting in intimate interpersonal relationships and enables them to resist systemic oppression This volume offers one of the first systematic documentations of feminist psychosocial interventions in India It situates the issue of domestic violence in the historical context of the women s movement and examines institutional factors such as family and marriage that perpetuate abuse Using extensive case studies it discusses the methods principles techniques skills and procedures followed by feminist organisations across the country and their role in women s empowerment The book will serve as a practical reference guide to practitioners such as social workers counsellors and para counsellors health activists grassroots workers protection officers and service providers It will also be useful to scholars and students of psychology sociology women s studies law and public policy

Innovations in Feminist Psychological Research Ellen B. Kimmel, 1999 What are the best ways to do research on the psychology of women and gender Within feminist psychology there is a great deal of methodological creativity and diversity This volume highlights how familiar methods such as focus groups can be brought to bear on feminist issues It demonstrates less common methods such as Q sort phenomenological analysis concept mapping and discourse analysis Moreover it explores the role of personal values interpersonal dynamics and sociopolitical influences on the research process Over 60 international contributors share insights into adolescent girls and adult women s sexuality violence and its prevention life patterns and narratives the teaching research nexus gender and race in clinical practice and more Included is a comprehensive resource guide for research publication and teaching on methodological diversity

Toward a New Socialism Anatole Anton, Richard Schmitt, 2007-01-01 Toward a New Socialism offers a critical analysis of capitalism s failings and the imminent need for socialism as an alternative form of government This book demonstrates that capitalism is destructive and limiting to the many ongoing campaigns to increase freedom equality and security Dr Richard Schmitt joins with Dr Anatole Anton to compile a volume of essays exploring the benefits and consequences of a socialist system as an avenue of increased human solidarity and ethical principle The essays offer a new definition of socialism by investigating the theories and principles of socialism its influence on social institutions and its role in work dynamics Raising important and unavoidable questions for contemporary society Toward a New Socialism is a vital resource for scholars of political theory and the globalization movement as well as a necessary read for every citizen under capitalism

Handbook of Constructionist Research James A. Holstein, Jaber F. Gubrium, 2013-10-21 Constructionism has become one of the most

popular research approaches in the social sciences But until now little attention has been given to the conceptual and methodological underpinnings of the constructionist stance and the remarkable diversity within the field This cutting edge handbook brings together a dazzling array of scholars to review the foundations of constructionist research how it is put into practice in multiple disciplines and where it may be headed in the future The volume critically examines the analytic frameworks strategies of inquiry and methodological choices that together form the mosaic of contemporary constructionism making it an authoritative reference for anyone interested in conducting research in a constructionist vein
