death row and Alexa's joint task force is immediately put on the case. A high profile case with national media attention. Alexa isn't the only one who's called in and between the clashes of ego with other state and federal powers she knows the killer is only getting further away. What appears to be a straightforward manhunt though quickly evolves into something more complex as more bodies turn up dead and as the killer inexplicably eludes everyone. And when a shocking twist occurs that Alexa never saw coming she realizes this case is far more complex and disturbing than she could have ever imagined. With the killer outsmarting everyone Alexa is the only one with a mind brilliant enough to stop him the only one standing between him and his next kill. But weighed down by the pressure of her own traumatic past can Alexa hold it together long enough to enter the darkest canals of his mind and come out whole. A page turning and harrowing crime thriller featuring a brilliant and tortured Deputy Marshal the ALEXA CHASE series is a riveting mystery packed with non stop action suspense twists and turns revelations and driven by a breakneck pace that will keep you flipping pages late into the night.
