

1 Corinthians

Paul, called to be an apostle of Christ
Jesus by the will of God, and our brother

to the church of God in Corinth, to those
who have been called to be holy,
all those everywhere who call
on the name of our Lord Jesus Christ—their

grace and peace from God the Father
and Jesus Christ our Lord

With words of human wisdom, lest the cross of
Christ be emptied of its power.
Christ the Wisdom and Power
of God, for the message of a
secret, hidden, but now revealed,
to those who are called,
that they may obtain the glory of
our Lord Jesus Christ.

Message Of 1 Corinthians:

The Message of 1 Corinthians David Prior, 2020-11-24 When the apostle Paul heard about the problems facing the church in Corinth he wrote them an intense and pointed letter In this revised BST volume David Prior shows the relevance of 1 Corinthians for our times with clear exposition of each passage information about the letter s historical background and key principles and applications for today

The Message of 1 Corinthians David Prior, 1985 Living like a Corinthian In ancient Greece this phrase was an insult cast at vagrants drunkards and sexual deviates The city of Corinth was infamous as a center for intellectual pride and moral laxity Any church planted there was bound to have problems The Corinthian church was no exception Snobbishness factionalism insensitivity to other believers doctrinal looseness and overexuberance all flourished in the Corinthian church When the apostle Paul heard about the difficulties he was grieved because he had founded the church and felt closely tied to it He therefore wrote an intense and pointed letter In this fresh and gripping exposition of 1 Corinthians David Prior plainly shows the relevance of Paul s letter for our times His hope is that all churches may better live out the lordship of Christ in today s cosmopolitan world Back cover

First Corinthians: An Exegetical and Explanatory Commentary B. Ward Powers, 2009-01-01 In most areas of this Epistle B Ward Powers has come to share the interpretation of Paul s meaning held by the Early Church Fathers although he explains and expounds those views This is particularly the case in relation to chapters 12 through 14 where in keeping with the Early Church Fathers the Reformers most Scripture expositors until recent times and many present day exegetes Powers expounds the interpretation that tongues refers to human languages spoken on earth The one major area where Powers parts company with the Fathers of the first Christian centuries is in relation to matters of sex and marriage divorce and remarriage and attitudes to women generally Here Powers explains that Paul is more affirming of sex marriage and remarriage and women than many early writers and some modern writers have understood him to be We need at times to take considerable care he writes to understand the meaning of what Paul says to the Corinthians and in coming to terms with how this teaching is to apply to us in today s world But when we have arrived at our understanding of these things then there is no question this is the Word of God to us and we must take it very seriously indeed We cannot just dismiss it offhandedly and simply say Well that is just Paul s opinion and we can take it or leave it Not at all Paul has explained clearly that what he writes comes with the inspiration and authority of the Holy Spirit of God

1 Corinthians: A Social Identity Commentary J. Brian Tucker, 2024-10-17 Paul s first letter to the Corinthians deals with key aspects of the formation of the Christian community at Corinth Paul uses his correspondence with the Corinthians to address issues of morality of community structure of ritual and of religious behaviour The letter is a key document for understanding the development of Christianity and for understanding Christianity in its earliest context In this Social Identity Commentary J Brian Tucker provides a comprehensive coverage of the issues and concerns related to 1

Corinthians from the perspective of social identity Tucker outlines his interpretation of the theoretical issues concerned and then applies this to provide a clear overview of historical and critical issues related to the study of 1 Corinthians This provides a clear engagement with the text that will serve as a useful resource for scholars students clergy and people interested in the formation and purpose of the letter **Life-Study of 1 Corinthians** Witness Lee,1990-08 **Strengthening Christ's Church** Roger Ellsworth,1995 Paul s first letter to the Corinthians was directed to a deeply troubled church in the midst of a very challenging world The problem was that the church was contaminated by society s sins and confused in its thinking If this sounds hauntingly familiar it is because it hits perilously close to home Today s church finds herself in a frighteningly secular world one in which paganism is aggressive and militant Opportunities are great but the church often seems to be as contaminated and confused as the church at Corinth Paul s letter is a clarion call to the Christians in Corinth and to Christians today to come away from contamination and confusion and to function as salt and light **Life-Study of 1 Corinthians** Witness Lee,1990-08 **Ready to Teach Bible Messages 1** Pilgrim Preacher,2021-11-07 Rules of Bible Interpretation Study Bio with many religions and sects abounding today all using the Bible and yet claiming differing views and doctrines we must wonder if there are any rules to interpreting the bible and if there are do these groups employ them Even the average Bible believing Christian is prone to arrive at unorthodox opinions on passages and thus forms beliefs and convictions that often work to ostracize brethren from each other Schisms arise and stands are taken which if analyzed can find no sound scriptural support Therefore I propose that this series is vital to inform us of the rules of interpreting the Holy Bible and to therefore 1 Help us avoid coming to wrong conclusions in our personal bible study 2 Help us to discern a doctrine or conviction held by another which is based upon an inaccurate interpretation of the sacred Scriptures A six lesson series on the commonly accepted rules of bible interpretation Students can learn how to read understand and apply the bible with confidence This course comes with an assignment for each lesson which gives the student hands on exercises Utilize each book in this series to become the best that you can be Wow Two Amazing Bible Courses How to Prepare Bible Messages Study Bio A five part series on preparing bible lesson outlines to teach or preach to an adult audience This course is for church workers who must compile organize and present a sermon or lesson for use in the auditorium or a class setting A great course for all those who want to be involved in meaningful Christian ministry Thanks for your bible studies I have presented a few of your series to my church family and they lap it up Attendance has increased and I see people taking notes as I am teaching Further your word smith ability in the outlines means that teaching is easier and the people retain the information My people are growing in faith because of your bible messages Again thank you Pastor T Matthews Ordained with over thirty five years of theological experience and with books distributed in online bookstores the Pilgrim Preacher is your one stop shop for sermons bible lessons devotions music and books to read Everyone in ministry should have this suite of e learning courses to educate and inspire their parishioners to greater heights in the Faith These Ready to Teach Bible

Ten Great Ideas from First Corinthians George Renner, Mark Shaw, 2021-10-19 First Corinthians is one of the most relevant NT documents for both younger churches seeking maturity in the majority world and older churches seeking renewal in the Western world in the twenty first century The reason this epistle is so relevant is that it focuses on renewing the church through believing and living out the good news that because of Jesus s death and resurrection God has begun his new creation agenda amid the broken world of today This is not just another commentary there are many very good ones but rather we present a biblical theology of church renewal based on solid exegesis and our experience as teachers and pastors in both Africa and North America This book will pull out the essential teaching of Paul on renewal in ten manageable principles or great ideas Church renewal is not just following certain steps but results from nurturing a culture that practices both cross power and a life of new creation hope When churches make the shift from traditionalism to radical community and evangelical activism through a new experience of the gospel seen as both personal liberation and the transformation of all things the church begins to move and the world begins to change
