

Messages from Frank's Landing

A STORY
OF SALMON,
TREATIES,
AND THE
INDIAN WAY

CHARLES WILKINSON

Messages From Franks Landing

Bruce E. Johansen

Messages From Franks Landing:

Messages from Frank's Landing Charles Wilkinson, 2006-01-13 Billy Frank Jr has been celebrated as a visionary but if we go deeper and truer we learn that he is best understood as a plainspoken bearer of traditions a messenger passing along messages from his father from his grandfather from those further back from all Indian people really They are messages about the natural world about societies past about this society and about societies to come When examined rigorously not out of any romanticism but only out of our own enlightened self interest these messages can be of great practical use to us in this and future years Charles Wilkinson from the Introduction In 1974 Federal Judge George H Boldt issued one of the most sweeping rulings in the history of the Pacific Northwest affirming the treaty rights of Northwest tribal fishermen and allocating to them 50 percent of the harvestable catch of salmon and steelhead Among the Indians testifying in Judge Boldt's courtroom were Nisqually tribal leader Billy Frank Jr and his 95 year old father whose six acres along the Nisqually River known as Frank's Landing had been targeted for years by state game wardens in the so called Fish Wars By the 1960s the Landing had become a focal point for the assertion of tribal treaty rights in the Northwest It also lay at the moral center of the tribal sovereignty movement nationally The confrontations at the Landing hit the news and caught the conscience of many Like the schoolhouse steps at Little Rock or the bridge at Selma Frank's Landing came to signify a threshold for change and Billy Frank Jr became a leading architect of consensus a role he continues today as one of the most colorful and accomplished figures in the modern history of the Pacific Northwest In *Messages from Frank's Landing* Charles Wilkinson explores the broad historical legal and social context of Indian fishing rights in the Pacific Northwest providing a dramatic account of the people and issues involved He draws on his own decades of experience as a lawyer working with Indian people and focuses throughout on Billy Frank and the river flowing past Frank's Landing In all aspects of Frank's life as an activist from legal settlements negotiated over salmon habitats destroyed by hydroelectric plants to successful negotiations with the U S Army for environmental protection of tribal lands Wilkinson points up the significance of the traditional Indian world view the powerful and direct legacy of Frank's father conveyed through generations of Indian people who have crafted a practical working philosophy and a way of life Drawing on many hours spent talking and laughing with Billy Frank while canoeing the Nisqually watershed Wilkinson conveys words of respect and responsibility for the earth we inhabit and for the diverse communities the world encompasses These are the messages from Frank's Landing Wilkinson brings welcome clarity to complex legal issues deepening our insight into a turbulent period in the political and environmental history of the Northwest The Boldt decision profoundly changed natural resource management in the Pacific Northwest This book clearly builds an historical base to help guide us today The wisdom and patience of Billy Frank fill virtually every page It is required reading for anyone interested in salmon preservation Governor Daniel J Evans Charles Wilkinson evokes the character and culture of the Nisqually people as well as their deep love for their land From Chief Leschi to Billy Frank we see the long

thread of cultural continuity culminating in modern times with this fight for justice Ada Deer Menominee University of Wisconsin Madison Charles Wilkinsonis Moses Lasky Professor of Law at the University of Colorado Boulder He is the author of *Fire on the Plateau* Conflict and Endurance in the American Southwest and numerous other books including standard texts on Indian and Federal public land law [Rights Remembered](#) Pauline Hillaire, 2016 *Rights Remembered* is a remarkable historical narrative and autobiography written by esteemed Lummi elder and culture bearer Pauline R Hillaire Scilla Of the Killer Whale A direct descendant of the immediate postcontact generation of Coast Salish in Washington State Hillaire combines in her narrative life experiences Lummi oral traditions preserved and passed on to her and the written record of relationships between the United States and the indigenous peoples of the Northwest Coast to tell the story of settlers government officials treaties reservations and the colonial relationship between Coast Salish and the white newcomers Hillaire's autobiography although written out of frustration with the status of Native peoples in America is not an expression of anger but rather represents in her own words her hope for greater justice for Indian people in America and for reconciliation between Indian and non Indian Americans based on recognition of the truths of history Addressed to indigenous and non Native peoples alike this is a thoughtful call for understanding and mutual respect between cultures

[Native Americans Today](#) Bruce E. Johansen, 2010-06-22 This engaging collection of Native American profiles examines these individuals unique life experiences within the larger context of U S history *Native Americans Today* A Biographical Dictionary focuses on the lives of contemporary Native Americans Such treatments are rare as most Native American biographies are historical pre 1900 and cover familiar figures Profiles collected here are written to be enjoyable as well as instructive presented as examples of personal storytelling that should be savored not only for their factual content but also for the humanity they evoke The book spotlights Native American lives in the United States and Canada mainly after 1900 though a few older figures are included because their lives evoke strikingly modern themes The author an expert on all things Native American knows or knew several of the people in the entries adding a special vibrancy to the writing Among those profiled are former U S Senator Ben Nighthorse Campbell activist Eloise Cobell and controversial political prisoner Leonard Peltier as well as writers artists and musicians The compilation also includes non Native Americans whose lives and careers impacted Indian life **Encyclopedia of the American Indian Movement** Bruce E. Johansen, 2013-04-09 A vivid description of the people events and issues that forever changed the lives of Native Americans during the 1960s and 1970s such as the occupation of Alcatraz fishing rights conflicts and individuals such as Clyde Warrior Rising out of more than a century of poverty and pervasive repression stoked by the example of the movement against the Vietnam War and the upheaval among black and Chicano civil rights activists the American Indian Movement shifted the debate over the Indian problem to a new level Many Native peoples also took a stand for fishing rights land rights and formed resistance to coal and uranium mining on tribal land This work tells the story of that movement and provides the first encyclopedic treatment of this

subject Providing a vital documentation of a controversial and often surprising period in American Indian history Bruce E Johansen an accomplished scholar and authority on Native American history provides more than descriptions of historic events and careful analysis he also frames what occurred in the American Indian Movement personally and anecdotally drawing from individual stories to illustrate larger trends and to ensure that the material is appealing to high school students university level readers and general readers alike

A Heartbeat and a Guitar Antonino D'Ambrosio,2009-10-13 A Heartbeat and a Guitar tells of the collaboration of two distinct yet connected musicians iconoclast Johnny Cash and pioneering folk artist Peter La Farge Bitter Tears Ballads of the American Indian the album that influenced the likes of Bruce Springsteen and Bob Dylan In this intimate portrayal of the two musicians D Ambrosio interviewed surviving members of Cash s band his producers and admirers Pete Seeger and Kris Kristofferson He renders a dramatic picture of both an era of radical protest and the making of one of the most controversial and enduring works of political pop art of the 1960s A Heartbeat and a Guitar is the inspiration for the new album Look Again to the Wind Johnny Cash s Bitter Tears revisited featuring a collective of top Americana artists including Emmylou Harris Steve Earle Gillian Welch and Kris Kristofferson

Creating Rain Gardens Apryl Uncapher,Cleo Woelfle-Erskine,2012-04-17 A beautifully written practical guide to planning and creating your own rain garden Green Upgrader You probably spend hundreds of dollars watering your yard but there is an easy way to save money and resources by collecting rain to reuse in front and backyards In Creating Rain Gardens water conservation experts Cleo Woelfle Erskine and Apryl Uncapher walk you through the entire process with step by step instructions for designing and building swales French drains rain gardens and ephemeral ponds From soil preparation planting troubleshooting and maintenance to selecting palettes of water loving plants that provide four season interest and a habitat for wildlife Creating Rain Gardens covers everything you need to create a beautiful rain garden at home

Pan-Tribal Activism in the Pacific Northwest Vera Parham,2017-12-06 On September 27 1975 activist Bernie Whitebear Sin Aikst and Seattle Mayor Wes Uhlman broke ground on former Fort Lawton lands just outside Seattle Washington for the construction of the Daybreak Star Indian Cultural Center The groundbreaking was the culmination of years of negotiations and legal wrangling between several government entities and the United Indians of All Tribes the group that occupied the Fort lands in 1970 The peaceful event and sense of co operation stood in marked contrast to the turbulent and sometimes violent occupation of the lands years before Native Americans who joined the UIAT came from all parts of the Pacific Northwest and beyond Inspired by the Civil Rights and protest era of the 1960s and 1970s they squared off with local and federal government to demand the protection of civil and political rights and better social services Both the scope and the purpose of this book are manifold The first purpose is to challenge the predominant narrative of Anglo American colonization in the region and re assert self determination by re defining the relationship between Pacific Northwest Native Americans the larger population of Washington State and government itself The second purpose is to illustrate the growth in

Pan Indian Pan Tribal activism in the second half of the twentieth century in an attempt to place the Pacific Northwest Native American protests into a broader context and to amend the scholarly and popular trope which characterizes the Red Power movement of the 1960s as the creation of the American Indian Movement AIM In this book casual students of history as well as academics will find that Fort Lawton represents the zone of conflict and compromise occupied by Indigenous people of the Pacific Northwest in their ongoing struggle with colonial society

Framing Chief Leschi Lisa Blee,2014-03-17 In 1855 in the South Puget Sound war broke out between Washington settlers and Nisqually Indians A party of militiamen traveling through Nisqually country was ambushed and two men were shot from behind and fatally wounded After the war Chief Leschi a Nisqually leader was found guilty of murder by a jury of settlers and hanged in the territory s first judicial execution But some 150 years later in 2004 the Historical Court of Justice a symbolic tribunal that convened in a Tacoma museum reexamined Leschi s murder conviction and posthumously exonerated him In *Framing Chief Leschi* Lisa Blee uses this fascinating case to uncover the powerful lasting implications of the United States colonial past Though the Historical Court s verdict was celebrated by Nisqually people and many non Indian citizens of Washington Blee argues that the proceedings masked fundamental limits on justice for Indigenous people seeking self determination Underscoring critical questions about history and memory *Framing Chief Leschi* challenges readers to consider whether liberal legal structures can accommodate competing narratives and account for the legacies of colonialism to promote social justice today

History of American Indians Robert R. McCoy,Steven M. Fountain,2017-04-24 A comprehensive look at the entirety of Native American history focusing particularly on native peoples within the geographic boundaries of the United States The history of American Indians is an integral part of American history overall a part that is often overlooked *History of American Indians Exploring Diverse Roots* provides a broad chronological overview of Native American history that challenges readers to grapple with the elemental themes of adaptation continuity and persistence The book enables a deeper understanding of the origins and early history of American Indians and presents new scholarship based on the latest research Readers will learn a wealth of American Indian history as well as appreciate the key role American Indians played in certain significant stages of American history as a whole The direct connections between the events in the past and many current hot button topics such as race climate change water use and other issues are clearly identified The book s straightforward chronological presentation makes it a helpful and easy to read scholarly work appropriate for advanced high school and undergraduate college students

From Medicine Creek to Daybreak Vera Lynn Parham,2008 [Restricting Issuance of Franks Or Rendering of Free Service](#) United States. U.S. Congress. Senate.
