Method In Theology:

Method in Theology Bernard J. F. Lonergan, Lonergan Research Institute, 1990-01-01 A reflection on the operations theologians perform as they do theology **Method in Theology** Bernard Lonergan, 1988-01-01 The papers deal with scientific mathematical theological and philosophical questions including discussions of such topics as the proper foundation of metaphysics the form of inference the nature of love and marriage and the role of the university in the modern world

Method in Theology Bernard Lonergan, 2017-09-18 Method in Theology stands with Insight as Bernard Lonergan's most important work It is Lonergan's answer to those who would argue that in this time of cultural change and dissolution the believer is afloat on a sea of multiplying theologies without rudder or compass Lonergan was resolute in his refusal to be defeatist on this point While agreeing that theology must continually change to mediate between religion and culture he worked out an integral method to guide and control this ongoing process Method in Theology is the fruit of this labour This critical edition has benefited from extensive research into Lonergan's typescripts and from consulting the recordings from several institutes where he lectured over the course of the work's development Lonergan's intention was to provide a set of methods that would guide a collaborative community in the ongoing construction of a theology that would move from recovery of the data through resolution of conflicts to contemporary formulations and applications With this work the cognitional theory of Insight A Study of Human Understanding underwent a surprising set of developments in the form of what he calls functional specialization *Method in Theology* Frederick E. Crowe, 1980 *Method in Theology* Bernard J. F. Lonergan, 1979 Method in Theology stands with Insight as Bernard Lonergan's most important work It is Lonergan's answer to those who would argue that in this time of cultural change and dissolution the believer is afloat on a sea of multiplying theologies without rudder or compass Lonergan was resolute in his refusal to be defeatist on this point While agreeing that theology must continually change to mediate between religion and culture he worked out an integral method to guide and control this ongoing process This is a reprint of the 1973 edition A new annotated edition of Method in Theology will be published eventually as a part of the Collected Works of Bernard Lonergan **Method in Theology** Bernard J.F. Lonergan, 1975 Method, Meaning, and Revelation Neil Ormerod, 2000 In Method Meaning and Revelation Ormerod examines the writings of Lonergan to ascertain his theology of revelation and to place this in the context of current theologies of revelation Rahner Pannenberg and Lindbeck Ormerod's synthesis of Lonergan's position is that of seeing revelation as the entry of divine meanings and values into human history A valuable addition to the study of the work of Lonergan *Method of Theology*, 1901 *Introducing Theological Method* Mary M. Veeneman, 2017-11-07 Sound theological method is a necessary prerequisite for good theological work This accessible introduction surveys contemporary theological methodology by presenting leading thinkers of the 20th and 21st centuries as models The book presents the strengths and weaknesses in each of the major options Rather than favoring one specific position it helps students of

theology think critically so they can understand and develop their own theological method
