Middle East Peace Process:

The Palestinian Delusion Robert Spencer, 2019-12-03 Every new American President has a plan to bring about peace between the Israelis and the Palestinians and every one fails Every peace process has failed in its primary objective to establish a stable and lasting accord between the two parties such that they can live together side by side in friendship rather than enmity But why And what can be done instead While this failure is a consistent pattern stretching back decades there is virtually no public discussion or even basic understanding of the primary reason for this failure The Palestinian Delusion is unique in situating the Israeli Palestinian conflict within the context of the global jihad that has found renewed impetus in the latter portion of the twentieth century and the beginning of the twenty first Briskly recounting the tumultuous history of the peace process Robert Spencer demonstrates that the determination of diplomats policymakers and negotiators to ignore this aspect of the conflict has led the Israelis the Palestinians and the world down numerous blind alleys This has often only exacerbated rather than healed this conflict The Palestinian Delusion offers a general overview of the Zionist settlement of Palestine the establishment of the State of Israel and the Arab Muslim reaction to these events It explores the dramatic and little known history of the various peace efforts showing how and why they invariably broke down or failed to be implemented fully The Palestinian Delusion also provides shocking evidence from the Palestinian media as well as statements from the Palestinian leadership showing that negotiations between Israel and the Palestinians will never work But there is still cause for hope Spencer delineates a realistic viable alternative to the endless and futile peace process that shows how the Jewish State and the Palestinian Arabs can truly coexist in peace without illusions or unrealistic expectations

Middle East Peace Process Alfred L. Atherton, 1978 **The Middle East Peace Process**, 1994 Syria and the Middle East Peace Process Alasdair Drysdale, Raymond A. Hinnebusch, 1991 In Syria and the Middle East Peace Process Alasdair Drysdale and Raymond A Hinnebusch two noted Middle East scholars present the first detailed examination of Syria's role in the long struggle for an Arab Israeli peace They paint a surprising portrait of a country whose power is out of proportion to its size economy and resources They explore the reasons behind this phenomenon most importantly the Machiavellian brilliance of its leader Hafez al Asad The authors address the origins of the Asad regime Syria's strategy toward its Arab neighbors its conflict with Israel and the history of its relationships with the Soviet Union and the United States The authors argue forcefully that Syrian involvement is vital in an effort to resolve the Arab Israeli conflict **Developments Related to the Middle East Peace Process**, 1996 **The Middle East Peace Process** J. Ginat, Edward Joseph Perkins, Edwin G. Corr, 2002 Political stability is a crucial precondition for peace in the Middle East In The Middle East Peace Process Vision versus Reality Joseph Ginat Edward J Perkins and Edwin G Corr have assembled a comprehensive overview of the complex peace negotiations taking place among Middle Eastern nations to resolve the Israeli Palestinian conflict and forge normal relations between Arab nations and Israel More than thirty academics and practitioners probe discuss and engage

themselves with issues concerning the peace process The volume focuses first on the Oslo Agreement and the Palestinian Track then addresses Israeli relations with Egypt Jordan Lebanon Syria and Iraq and concludes with an examination of relations between Israelis and Palestinians in Jerusalem The Middle East Peace Process is the result of the Center for Peace Studies conference The Peace Process in the Middle East cosponsored by the International Program Center at the University of Oklahoma and the University of Haifa in Israel The volume features a foreword by HRH Prince El Hassan bin Talal of Jordan and a preface by David L Boren President of the University of Oklahoma

U.S. Middle East Policy and the Peace Process Henry Siegman,1997 An independent Task Force sponsored by the Council on Foreign Relations calls for a change in U S policy and for a bold American initiative to help Israel and the Palestinians reach agreement on the broad contours of a final settlement that can satisfy the minimal aspirations of both parties

What Lies Ahead? Canada's Engagement with the Middle East Peace Process and the Palestinians Jeremy Wildeman,Emma Swan,2021-12-26 This edited volume explores Canada s foreign policy relationship with the Palestinians and broader Middle East Peace Process MEPP Canada was intensively involved from 1992 to 2000 in peacebuilding as a mediator in the multilateral part of the MEPP as chair of the Refugee Working Group and sponsor of Track II negotiations This all changed after a significant mid 2000s discursive and policy shift when Canada withdrew from the politics of Israel Palestine peacebuilding and took a strong partisan stance in favour of Israel Through 10 chapters by current and former government insiders and academics with extensive field experience this unique edited volume offers insight into decades of evolution in Canadian policy toward the Palestinians MEPP and the Middle East It arrives at an important time when the international community is reconsidering how it views Israel s entrenched occupation of the Palestinians after three failed decades of United States led efforts to find peace through a negotiated two state model Today peace may never have appeared further away after the Trump Administration adopted policies directly contradictory to the MEPP This proved a test to Canada s own official policy toward Israel and Palestine its longest running and most important region of engagement in the Middle East The chapters were originally published as a special issue of the Canadian Foreign Policy Journal guest edited by Jeremy Wildeman and Emma Swan
