Middle East Politics The Military Dimens

Kenneth M. Pollack

Middle East Politics The Military Dimens:

Middle East Politics J. C. Hurewitz, 2019-03-04 The Arab Israel Six Day War in June 1967 riveted world attention on the huge quantities of sophisticated weapons amassed in the arsenals of the Middle East and left in its wake tangled political military dilemmas and the intensification of the most dangerous arms race in the nonindustrialized world How do major upheavals spread across borders so easily in the Middle East What is the role of the military in the process of modernization How can the rash of military coups be explained Why is Israel the most vigorous democracy in the Middle East also the most vigorously mobilized and armed nation J C Hurewitz Professor of Government at Columbia University's School of International Affairs believes the answers to these and other pressing questions of Middle Eastern politics can be found only in a thorough examination of civil military relations in each country whether it is under military rule or not The Middle East as defined in this book comprises eighteen states stretching from Morocco to Afghanistan and Pakistan Probing the role of the military in each state the author assesses such other factors as the geographical and regional influences on specific national developments Dominating all are the ramifications of the competing American and Soviet policies for the region Through his analysis of the cold war tactics of the two Great Powers and of the bewildering arms races and the confusion of military politics that these tactics have engendered Professor Hurewitz brings into much clearer perspective the options for the West and particularly for the United States in this area He has provided in sum an informative and fully documented study of the whole interplay of domestic regional and international politics in the postwar Middle East Middle East Politics Jacob C. Hurewitz, 1974

Civil-Military Relations in the Modern Middle East David S. Sorenson, 2023-01-31 Civil Military Relations in the Modern Middle East explores the political and economic interactions between civilians and the armed forces in the post World War II Middle East emphasizing four themes military and society the role of the military in political transitions the military's part in national economies and the relations between soldiers and civilians in wartime Covering the greater Middle East including the Arab States Israel Turkey and Iran the book establishes how militaries in many Middle Eastern countries influence the national political and economic systems and how in turn politics influences the national militaries *Politics, the Military and National Security in Jordan, 1955-1967* L. Tal, 2002-11-12 Using new archival material Lawrence Tal examines how Jordan remained stable during the volatile period between 1955 and 1967 Tal asserts that Jordan's security was due primarily to the cohesion of its National Security Establishment a ruling coalition of security and foreign policy professionals that included the monarchy the political elite and the military Military Politics of the Contemporary Arab World Philippe Droz-Vincent, 2020-10-29 Aside from large scale civic mobilisations no force was more critical to the outcomes of the 2011 Arab uprisings than the armed forces Nearly a decade after these events we see militaries across the region in power once again performing critical roles in state politics Taking as a point of reference five case studies where uprisings took place in 2011 Tunisia Egypt Libya Yemen and Syria Philippe Droz Vincent explores how

these armies were able to install themselves for decades under enduring authoritarian regimes how armies reacted to the 2011 Uprisings and what role they played in the post Uprising regime re formations or collapses Devoting a chapter to monarchical armies with a special focus on Saudi Arabia and the UAE Droz Vincent addresses whether monarchies radically differ from republics to compare the foundational role of Arab armies in state building in the Arab world and beyond

Turkish Politics and the Military William Hale,2013-09-13 Turkey's geographical position between the Middle East and Europe and at the centre of the current upheavals in the USSR and the Balkans has led to a reawakening of interest in its international standing Meanwhile its domestic politics are of increasing interest and Turkey seems to have become a model for Liberal Democracy in Central Asia David Hale focuses on the role of the military in contemporary politics He author argues that the military has behaved quite differently from its counterparts in other third world states it has acted in some degree as a guardian of the state committed to economic and social modernisation The book places contemporary politics in perspective by looking at the evolution of the armed forces in Turkey from the end of the eighteenth century The author traces the role of the military through the establishment of the Republic the military coups of 1960 and 1980 the gradual return to civilian government of the sixties and seventies and the military disengagement from politics of 1983 onwards Hale is interested in the army as an actor in the political drama rather than in the professional functions of soldiers and his historical exposition reveals much about the modern scene

The Military and Modernization Henry Bienen,2017-07-05 There is a growing body of work on the military in developing countries Few studies have explored in depth questions concerning the social origins of officers and enlisted men or trace career patterns within the armed forces of the developing world With the exception of Latin America it has been rare for a study to assess the performance of ruling or non ruling militaries for political development and modernization of their societies This oversight is exactly what Henry Bienen addresses in this collection

Armies of Sand Kenneth M. Pollack,2018-12-06 *Armies of Sand* addresses why Arab armed forces fared so poorly in battle since the Second World War It explores four different explanations that scholars soldiers and military experts have suggested Soviet doctrine politicization underdevelopment and culture To do so it looks at the performance of over two dozen Arab militaries from 1948 to 2017 and compares them to a half dozen non Arab militaries to conclude that politics economics and culture all contribute to the past weakness of Arab armies It concludes by addressing circumstances in which Arab military fortunes may shift as both warfare and their societies change

Endgames Hicham Bou Nassif,2020-10-01 The 2011 Arab Spring is the story of what happens when autocrats prepare their militaries to thwart coups but unexpectedly face massive popular uprisings instead When demonstrators took to the streets in 2011 some militaries remained loyal to the autocratic regimes some defected whilst others splintered The widespread consequences of this military agency ranged from facilitating transition to democracy to reconfiguring authoritarianism or triggering civil war This study aims to explain the military politics of 2011 Building on interviews with Arab officers extensive fieldwork and

archival research as well as hundreds of memoirs published by Arab officers Hicham Bou Nassif shows how divergent combinations of coup proofing tactics accounted for different patterns of military behaviour in 2011 both in Egypt and Syria and across Tunisia and Libya

Survey of Arab-Israeli Relations Cathy Hartley, Paul Cossali, 2004-06-17 Impartial documentation and background information fundamental to the understanding of Arab Israeli relations Key Features covers in detail the years since the first Arab Israeli war and the statehood of Israel in 1947 48 to the most recent developments in relations between Israel the emerging Palestinian political entities and the Arab States a chronology provides an at a glance record of events from 1947 until the present day a Documents on Palestine section gives essential background to the various ongoing areas of dispute profiles of prominent political figures a bibliography section a series of maps illustrating the history of Arab Israeli conflict and recent peace initiatives and settlement issues

Getting the books **Middle East Politics The Military Dimens** now is not type of challenging means. While this might not be the Middle East Politics The Military Dimens full book , it can give you a taste of the authors writing

style.Subscription Services Platforms like Kindle Unlimited or Scribd offer subscription-based access to a wide range of Middle East Politics The Military Dimens eBooks, including some popular titles.

FAQs About Middle East Politics The Military Dimens Books

What is a Middle East Politics The Military Dimens PDF? A PDF (Portable Document Format) is a file format developed by Adobe that preserves the layout and formatting of a document, regardless of the software, hardware, or operating system used to view or print it. **How do I create a Middle East Politics The Military Dimens PDF?** There are several ways to create a PDF: Use software like Adobe Acrobat, Microsoft Word, or Google Docs, which often have built-in PDF creation tools. Print to PDF: Many applications and operating systems have a "Print to PDF" option that allows you to save a document as a PDF file instead of printing it on paper. Online converters: There are various online tools that can convert different file types to PDF. **How do I edit a Middle East Politics The Military Dimens PDF?** Editing a PDF can be done with software like Adobe Acrobat, which allows direct editing of text, images, and other elements within the PDF. Some free tools, like PDFescape or Smallpdf, also offer basic editing capabilities. **How do I convert a Middle East Politics The Military Dimens PDF to another file format?** There are multiple ways to convert a PDF to another format: Use online converters like Smallpdf, Zamzar, or Adobe Acrobats export feature to convert PDFs to formats like Word, Excel, JPEG, etc. Software like Adobe Acrobat, Microsoft Word, or other PDF editors may have options to export or save PDFs in different formats. **How do I password-protect a Middle East Politics The Military Dimens PDF?** Most PDF editing software allows you to add password protection. In Adobe Acrobat, for instance, you can go to "File" -> "Properties" -> "Security" to set a password to restrict access or editing capabilities. Are there any free alternatives to Adobe Acrobat for working with PDFs? Yes, there are many free alternatives for working with PDFs, such as: LibreOffice: Offers PDF editing features. PDFsam: Allows splitting, merging, and editing PDFs. Foxit Reader: Provides basic PDF viewing and editing capabilities. How do I compress a PDF file? You can use online tools like Smallpdf, ILovePDF, or desktop software like Adobe Acrobat to compress PDF files without significant quality loss. Compression reduces the file size, making it easier to share and download. Can I fill out forms in a PDF file? Yes, most PDF viewers/editors like Adobe Acrobat, Preview (on Mac), or various online tools allow you to fill out forms in PDF files by selecting text fields and entering information. Are there any restrictions when working with PDFs? Some PDFs might have restrictions set by their creator, such as password protection, editing restrictions, or print restrictions. Breaking these restrictions might require specific software or tools, which may or may not be legal depending on the circumstances and local laws.
