Dr. DOA Simon R. Green,2016-06-07 From the New York Times bestselling author of From a Droid to a Kill comes the next Secret Histories adventure The name is Droid Eddie Droid also known as Shaman Bond My family has been safeguarding humanity for generations facing the hidden horrors of the world so you can sleep at night and remain oblivious to the existence of the monstrous nightmares that walk and stalk among us Speaking of predatory night terrors there is a man who gets away with murder A man who specializes in removing the problems from other people s lives by killing the people who cause those problems He operates from the darkest shadows of the hidden world coming and going unseen No one knows who he is just his *nomme du muerte* Dr DOA Somehow this demented doc poisoned me I don t know how he did it when or where but whatever is coursing through my veins seems to be immune to magic cures and treatments But that s not going to stop me from finding him and whoever hired him and give them both a taste of their own medicine *Masquerade and Civilization* Terry Castle,1986 Public masquerades were a popular and controversial form of urban entertainment in England for most of the eighteenth century They were held regularly in London and attended by hundreds sometimes thousands of people from all ranks of society who delighted in disguising themselves in fanciful costumes and masks and moving through crowds of strangers The authors shows how the masquerade played a subversive role in the eighteenth century imagination and that it was persistently associated with the crossing of class and sexual boundaries sexual freedom the overthrow of decorum and urban corruption Authorities clearly saw it as a profound challenge to social order and persistently sought to suppress it The book is in two parts In the first the author recreates the historical phenomenon of the English masquerade the makeup of the crowds the symbolic language of costume and the various codes of verbal exchange gesture and sexual behavior The second part analyzes contemporary literary representations of the masquerade using novels by Richardson Fielding Burney and Inchbald to show how the masquerade in fiction reflected the disruptive power it had in contemporary life It also served as an indispensable plot catalyst generating the complications out of which the essential drama of the fiction emerged An epilogue discusses the use of the masquerade as a literary device after the eighteenth century The book contains some 40 illustrations *The Film Daily Year Book* ,1928 *Ballou's Monthly Magazine* ,1882
