Nineteenth Century Literature Criticism Vol 112:

Wild Rose Louise O'Connor, 2018-09-26 During much of his brief and troubled life Victor Marion Rose was a walking anomaly The scion of a venerable Texas farming and ranching family he was widely reported to be unable to distinguish one horse from another He fought for the Confederacy and endured imprisonment at Ohio's notorious Camp Chase yet he later bitterly decried the Civil War as utter folly for the South His florid poetry often celebrated the feminine mystique and ideal as he considered it yet he was infamously unfaithful and sometimes abusive in his relationships with women He built a respected reputation as a journalist and historian and at the same time he struggled with alcoholism and bouts of deep depression Born in 1842 as the third of thirteen children of a wealthy Victoria Texas planter Victor Marion Rose served as publisher and editor of the Victoria Advocate from 1869 to 1873 before moving to Laredo reportedly due to a scandalous love affair where he edited the Laredo Times He also wrote volumes of poetry and published several histories of South Texas and the biography of Gen Ben McCulloch Rose ultimately succumbed to pneumonia in February 1893 Louise S O Connor a descendant of Victor Marion Rose has mined family records and recorded family traditions about Uncle Vic She carefully reviewed Rose's collected papers both in her personal possession and in the archives of the Briscoe Center for American History and other repositories Wild Rose provides an intimate portrait of a complicated individual who despite his frequently unsuccessful struggles with his demons nevertheless left an important mark on Texas history and letters

Disaffected Tanya Agathocleous,2021-04-15 Disaffected examines the effects of antisediton law on the overlapping public spheres of India and Britain under empire After 1857 the British government began censoring the press in India culminating in 1870 with the passage of Section 124a a law that used the term disaffection to target the emotional tenor of writing deemed threatening to imperial rule As a result Tanya Agathocleous shows Indian journalists adopted modes of writing that appeared to mimic properly British styles of prose even as they wrote against empire Agathocleous argues that Section 124a which is still used to quell political dissent in present day India both irrevocably shaped conversations and critiques in the colonial public sphere and continues to influence anticolonialism and postcolonial relationships between the state and the public Disaffected draws out the coercive and emotional subtexts of law literature and cultural relationships demonstrating how the criminalization of political alienation and dissent has shaped literary form and the political imagination

Adapting to the Stage: Theatre and the Work of Henry James Chris Greenwood,2017-11-01 This title was first published in 2000 The American novelist and playwright Henry James was drawn to the theatre and the shifting conventions of drama throughout his writing career This study demonstrates that from the 1890s onwards James concentrated on adapting his novels and stories to and from the stage and increasingly employed metaphors that spoke of novel writing in terms of playwriting Christopher Greenwood argues that these metaphors helped

James to conceive himself as an artist who composed characters dramatically and visually and in doing so sets his novels significantly apart from those of his contemporaries In the introduction to the first part of the book Greenwood examines James's career within the context of contemporary European and North American theatre providing an appraisal of what James gained from contemporary theatre his position in that milieu and what he brought to it Part 2 of the book focuses on two novels *The Other House* and *The Spoils of Poynton* both of which illustrate the ways in which James used the mechanism of contemporary theatre to communicate a character's personality Discussion of these two works is used to throw light on similar concerns that develop in James's later writing English Association Bulletin English Association,1922
