## **Paths To Homelessness Extreme Poverty And The Urban Housing Crisis:**

*Paths To Homelessness* Doug A Timmer,D. Stanley Eitzen,Kathryn D. Talley,D Stanley Eitzen,2019-06-04 The major theme in this book is that people are homeless because of structural arrangements and trends that result in extreme impoverishment and a shortage of affordable housing in U S cities It explains the economic and historical causes of homelessness with accounts of individuals and families

**Homeless Not Hopeless** Edna Molina-Jackson,2008-08-28 The importance of moving toward a national policy to end homelessness is crucial In this striking examination of the roles that homeless people and the U S government play in causing and curtailing the escalating phenomena of homelessness Edna Molina Jackson asserts that there is a great need to alter the socio economic structures that generate extreme and entrenched forms of poverty that lead to homelessness Homeless Not Hopeless explores the role social networks play in the daily survival of homeless Latino and African American men Using a qualitative research design author Molina Jackson observes how these men initiate participate in and maintain social networks and how these networks function The findings support a more empowering view of homeless men as active rational and competent actors engaged in negotiating their social world Members rely on social networks composed of a hierarchy of casual and intimate affiliations The networks of Americanized Latinos and African Americans facilitate their integration into a subculture of street life while those of recent immigrant Latinos revolve around their struggles to find work avoid deportation and enlist the support of paisanos

*The Creation of a Federal Partnership* Margaret M. Brassil,2010-11-03 With the ongoing recession and housing crisis it has never been more important to understand the federal and state governments roles in affordable housing The Creation of a Federal Partnership takes a fresh look at the history of national and state housing policy by examining the role played by state housing agencies since the 1970s Establishing new ground in the field this volume discusses how the relationship between the federal and state levels has evolved over time The result Margaret M Brassil argues is that the federal government s broad policy guidelines allow states to better address their own social issues an improvement for policy and ultimately for the people it serves

*No Room of Her Own* D. Hellegers,2016-04-30 This oral history collection brings together extended interviews with fifteen women illuminating the part that gender roles play in ensnaring women in cycles of domestic abuse and homelessness and highlighting the physical stresses It also challenges liberal myths about homeless people and homeless women in particular

*Homelessness in America* Robert Hartmann McNamara,2008-08-30 Homelessness is one of the most compelling social problems in the United States Dating from the early years in Colonial America to the current problems relating to homeless women and children homelessness has been the topic of discussion of scholars social activists and policy makers Many types of social problems are linked to homelessness including poverty substance abuse foster care and crime As a result unpacking the issues has proven to be a challenge for anyone interested in this topic Homelessness in America offers an assessment of

what is known about each segment of the homeless population which contrary to conventional belief is comprised of a wide variety of faces from many backgrounds It explains linkages to other social issues and provides a balanced overview of homelessness in light of the varying perspectives on the topic While much of what has been written about homelessness has come from the academic perspective agendas often interfere with an accurate understanding of the problem Clearly there is a place for other types of perspectives including those that view homelessness through political and legal lenses These groups have provided us with a robust body of information within which we may better understand the questions relating to homelessness McNamara has brought together the voices of these groups in order to reveal the numerous political economic and social constraints that beset current attempts to solve homelessness In addition the commonly held belief that homelessness is a result of laziness or a poor work ethic is turned on its head to reveal that homelessness is truly a multifaceted and complex issue

**America's Shame** Barbara A. Arrighi, 1997-07-30 Rejecting those who urge a bootstrap approach to people living in extreme poverty on the edge of society sociologist Barbara Arrighi makes an eloquent compassionate plea for empathy and collective responsibility toward those for whom either the boots or the straps are missing This book further offers solutions in consciousness raising community collaboration and informed responsible public policy The book is a critique of a system that purports to serve yet sometimes impedes the welfare of those who are in need of the basic elements for survival including affordable shelter It analyzes the structural factors of poverty and the social psychological costs of being poor and lacking a home Utilizing interview findings from families who have lived in a shelter in northern Kentucky and from staff members the book examines the degrading effects of shelter life on women s self respect and children s development Rather than an examination of individual pathologies leading to lack of shelter it centers on women and children living in shelters and offers a sociological study of poverty and the family

**Racism in Contemporary America** Meyer Weinberg, 1996-05-23 Racism in Contemporary America is the largest and most up to date bibliography available on current research on the topic It has been compiled by award winning researcher Meyer Weinberg who has spent many years writing and researching contemporary and historical aspects of racism Almost 15 000 entries to books articles dissertations and other materials are organized under 87 subject headings In addition there are author and ethnic racial indexes Several aids help the researcher access the materials included In addition to the subject organization of the bibliography entries are annotated whenever the title is not self explanatory An author index is followed by an ethnic racial index which makes it convenient to follow a single group through any or all the subject headings This is a source book for the serious study of America s most enduring problem as such it will be of value to students and researchers at all levels and in most disciplines

Transitioning to Reduced Inequalities Sabin Bieri, Christoph Bader, 2023-02-09 The world has never been richer than today The distribution of our global wealth however is hugely biased Since 1980 the gains were mainly captured by the rich The top 1% obtained twice as much of the income growth as compared to the bottom 50% Nevertheless within economics debates about inequality have remained rather marginal despite long term research by renowned scholars such as Tony Atkinson Within the public arena concerns about inequality emerged as a result of a number of developments First the global financial crisis in 2008 exposed the risks of the financing of the economy secondly 2013 Thomas Picketty's book *Capital in the 21st century* demonstrated that against the trend of the overall 20th century capital returns outstrip the gains through economic growth in recent decades thus threatening social coherence and democratic institutions and thirdly the Millennium Campaign presented impressive achievements regarding poverty but stirred doubts whether the most deprived were left even further behind Since 2015 then the stated aim of SDG 10 is to reduce inequality within and among countries There is growing consensus that economic growth is not sufficient to reduce poverty and that our efforts to make it more inclusive so far were insufficient The very first step reduce inequality is to adopt a systemic perspective allowing an integrative analysis covering both ends of the ladder Policies should be universal in principle and pay attention to the needs of disadvantaged and marginalized populations Predicated on comparison inequality reminds us that it's not enough to study lower earners and the poor Instead the term demands that we expand our perspective scrutinizing how economic value is generated accumulated at whose cost and not least how the overall system could be made fairer *Transitioning to Reduced Inequalities* therefore explores inequality trends worldwide offers a debate on different measures and comparative perspectives highlights key actors who either benefited or suffered from recent economic trends and explores policy options to reduce inequality and thus contribute to SDG 10 The volume considers particularly conceptual frameworks with regards to the inequality debate the relationship between poverty reduction economic growth and inequality measures of inequality overlooked bypassed groups in developing countries analysis on income wealth growth for different groups in the global north discussion about policies to reduce inequality and further research in the realm of inequality *Transitioning to Reduced Inequalities* is part of MDPI's new Open Access book series *Transitioning to Sustainability* With this series MDPI pursues environmentally and socially relevant research which contributes to efforts toward a sustainable world

*The Blackwell Companion to Social Inequalities* Mary Romero, Eric Margolis, 2008-04-15 The *Blackwell Companion to Social Inequalities* is a first rate collection of social science scholarship on inequalities emphasizing race ethnicity class gender sexuality age and nationality Highlights themes that represent the scope and range of theoretical orientations contemporary emphases and emerging topics in the field of social inequalities Gives special attention to debates in the field developing trends and directions and interdisciplinary influences in the study of social inequalities Includes an editorial introduction and suggestions for further reading

*Real Reality of Skid Row: Systemic and Homiletic Insights* Rev. Jeffrey R. Thomas, PhD, 2014-08-28 The Real Reality of Skid Row A Practical Theology Perspective looks with an unblinking eye at the details of the lives of homeless people and uses the portraits that emerge as the perspective from which to think theologically about the challenges they face and calling the church hears to offer its witness to them Rev Jeffrey R Thomas PhD drawing upon his time serving as a pastor of a congregation in Skid Row Los Angeles sketches out the contours of individuals lives analyzes the personal and societal factors that contribute to their circumstances and suggests approaches for shaping the church s responses in both word and deed

*Who is My Neighbor?* Phillip K. Tompkins, 2015-11-17 Who Is My Neighbor is a compelling account of the author s ten year journey as a volunteer at the St Francis Center a homeless shelter in Denver Colorado A retired Professor of Communication Phil Tompkins marshals his considerable experience as a participant observer in recording the voices of the guests of the shelter as they teach us about their situation We learn about their hopes for regaining a home and their fears as they are victimized in some cases even murdered Tompkins shows how effective communication and organization can contribute to finding an end to homelessness and establishing a movement toward protective action especially when a proactive local government gets involved In addition to giving voice to homeless people Who Is My Neighbor explores Denver Mayor John Hickenlooper s ambitious Commission to End Homelessness This remarkable social experiment now called Denver s Road Home is two years into implementing an innovative plan for ending homelessness It provides a model for other cities nationwide where persistent homelessness has defied resolution

**Toward a More Strategic View of Strategic Planning Research** John M. Bryson, Lauren Hamilton Edwards, David M. Van Slyke, 2022-08-15 This book summarizes the current state of research on strategic planning and offers an agenda for future research The book edition comes with a new introduction that argues that strategising by public non profit and business organisations should be a major focus of research Strategising is what links aspirations capabilities and implementation Strategic planning should be viewed as one approach but not the only approach to strategising A focus on strategising prompts researchers to consider issues of vertical and horizontal alignment of purpose including across sectors competence and scalability co production decision making and change management and trust transparency authenticity and accountability Additionally the role of various strategising techniques and information technology should be analysed further Beyond the book s introductory overview of the field chapters focus on the following topics planning styles collaboration strategic plans and government performance impacts of context and political responsibilities on government strategic planning efforts impacts of strategic planning in municipal governments impacts of austerity on strategic planning and government performance The chapters in this book were originally published as a special issue of the journal Public Management Review
