*Christianity Looks East* Peter Feldmeier, 2006 This fascinating book takes a fresh look at interreligious dialogue with St John of the Cross and Bhadantacariya Buddhaghosa as representatives of Christian and Buddhist paths to liberation As the world is increasingly experienced as a global village dialogue with other religious traditions is widely regarded as possibly the greatest modern or post modern challenge and the distinctive journey of our time Dialogue not only informs our understanding of various expressions of holiness it also can inform one s own religious faith and practice This book investigates a form of dialogue that can be a model for future dialogues Without laying

assumptions on the nature of religious experience it allows these classic texts and their representative religions to speak for themselves What is often lacking in this history of dialogue is its lack of appreciation for distinctive religious paths and the experiences described therein **Love and Hope** Adir Cohen,1990 First Published in 1990 Routledge is an imprint of Taylor Francis an informa company **To Have or To Be?** Erich Fromm,2013-02-26 From the legendary psychoanalyst who wrote *The Art of Loving* and *Escape from Freedom* A profound critique of materialism in favor of living with meaning Life in the modern age began when people no longer lived at the mercy of nature and instead took control of it We planted crops so we didn't have to forage and produced planes trains and cars for transport With televisions and computers we don't have to leave home to see the world Somewhere in that process the natural tendency of humankind went from one of being and of practicing our own human abilities and powers to one of having by possessing objects and using tools that replace our own powers to think feel and act independently Fromm argues that positive change both social and economic will come from being loving and sharing This ebook features an illustrated biography of Erich Fromm including rare images and never before seen documents from the author's estate [The Life of the Buddha](#) Bhikkhu Ñānamoli,2013-05-09 Composed entirely of texts from the Pali canon this unique biography presents the oldest authentic record of the Buddha's life and revolutionary philosophy The ancient texts are rendered here in a language marked by lucidity and dignity and a framework of narrators and voices connect the canonical texts Vivid recollections of his personal attendant Ananda and other disciples bring the reader into the Buddha's presence where his example offers profound inspiration and guidance on the path to freedom
