DMK figures like Periyar E V Ramasamy C N Annadurai M Karunanidhi and K Kamaraj It illustrates their synthesis of anti caste ideology socioeconomic and educational mobility and inclusive Dravidian Tamil identity and considers why that vision resonated with marginalised communities Tracing the early DMK years from the party s social justice campaigns to its landmark electoral victory in 1967 Rajahmani highlights the challenges of navigating ideological commitments within the constraints of political pragmatism while also making politics accessible to the common person He explains how iterations on the initial ideology and political offering can reinvigorate such movements keeping their politics agile and incentivising inclusive policymaking He also shows how the DMK shaped Tamil Nadu s counter hegemonic political identity which has proven electorally resilient in spite of majoritarian onslaughts Finding Your Unique Pathway N.
