apocalyptic imagination      *God's Events, Now and Forever* Miss Nan, Nan Thompson, 2009-05 Are we living in the end times The condition of the world today would seem to suggest that we indeed may be As a result this book is quite timely It presents God's events in an easy to understand manner The beginning prophecy student as well as the advanced student can study this book and have a better understanding of God's events now and forever and a better understanding of how our Lord Jesus fits into the picture MISS NAN spent many years in the educational field She started as an English teacher moved into administration and served as president of a private junior college in Jackson Mississippi for twenty years a position from which she retired in 1995 It was in Jackson that she found her true calling teaching the Word of God in a local church Colonial Heights Baptist Church Soon after becoming a member she began to teach Sunday School first to older women and currently to younger women during a span of over thirty years Throughout the years she has taught men and women of all ages in other Bible studies particularly studies concerning end times Soon after she began to teach prophecy she came to understand that no one book tells the whole story God's events now and forever are presented from Genesis through The Revelation of the Lord Jesus Christ She has pieced together God's plan by consulting the whole Bible Some people may not hold all the views Miss Nan has presented but it is important to understand that she wrote what God laid on her heart as she studied His Word      *The Latter-Day Saints' Millennial Star*, 1890      **The New Testament Arranged in Historical and Chronological Order** George Townsend, 1844      **The Old Testament [and the New]**, 1837      **Armageddon** Bart D. Ehrman, 2024-03-19 A humane thoughtful and intelligent The New York Times Book Review bestselling Biblical scholar reveals why our popular understanding of the Apocalypse is all wrong and why that matters You'll find nearly everything the Bible says about the end in the Book of Revelation a mystifying prophecy filled with bizarre symbolism violent imagery mangled syntax confounding contradictions and very firm ideas about the horrors that await us all But no matter what you think Revelation reveals whether you read it as a literal description of what will soon come to pass interpret it as a metaphorical expression of hope for those suffering now or only recognize its highlights from pop culture you're almost certainly wrong In *Armageddon* acclaimed New Testament authority Bart D. Ehrman delves into the most misunderstood and possibly most dangerous book of the Bible on a vigilantly persuasive The Washington Post tour through three millennia of Judeo-Christian thinking about how our world will end With wit and verve he explores the alarming social and political consequences of expecting an imminent apocalypse considers whether the message of Revelation may be at odds with the teachings of Jesus and offers inspiring insight into how to live in the face of an uncertain future By turns hilarious moving troubling and provocative *Armageddon* is nothing short of revelatory in its account of what the Bible really says about the end      *Israel's watchman (and prophetic expositor) [afterw.] The prophetic news and Israel's watchman*, ed. by A. Edersheim. [1st]-7th year Alfred Edersheim, 1883      *The Bible and the Working Classes: Being a Series of Lectures, Etc* Alexander Wallace (D.D.), 1854      **The Quarterly Journal of Prophecy**, 1853      *Varieties of Early Christianity* Rebecca I.
