Clarence Gauss Hurley was officially offered the ambassadorship to China but initially declined with a statement that the duties he had been called upon to perform in China had been the most disagreeable that he had ever performed and further he felt that his support of Chiang Kai shek and the National Government of China had increased the opposition directed toward himself by the un American elements in the State Department Upon receiving a telegram from the President on November 17 urging him to take the job because of the critical nature of the situation he reluctantly accepted Hurley s dealings with the State Department did not improve Moreover President Roosevelt s February 1945 Yalta Conference with Winston Churchill and Joseph Stalin resulted in a secret agreement in which among other things the Soviet Union was granted concessions in China that Czarist Russia had lost in the Russo Japanese War early in the century This Hurley believed was the beginning of the end of a non Communist China He held out hope that after President Roosevelt s death President Harry S Truman would recognize what he regarded as the errors of Yalta and would rectify the situation but his efforts in that direction were in vain On November 26 1945 he submitted a scathing letter of resignation I requested the relief of the career men he wrote who were opposing the American policy in the Chinese Theater of war These professional diplomats were returned to Washington and placed in the Chinese and Far Eastern Divisions of the State Department as my supervisors Some of these same career men whom I relieved have been assigned as supervisors to the Supreme Commander in Asia In such positions most of them have continued to side with the Communist armed party and at times with the imperialist bloc against American policy Besides Hoover himself Hurley was the last living member of the Hoover administration Hurley was the Republican candidate for a seat in the United States Senate for the state of New Mexico in 1946 1948 and 1952 but he lost all three attempts Hurley started the United Western Minerals Corporation of Santa Fe New Mexico It was involved in the rush to start uranium mining in the Ambrosia Lake region of New Mexico in the 1950s See [Uranium mining in New Mexico](#) [A Concise Introduction to Logic](#) Patrick Hurley,2008-12-23 Tens of thousands of students have learned to be more discerning at constructing and evaluating arguments with the help of Patrick J Hurley Hurley s lucid friendly yet thorough presentation has made *A CONCISE INTRODUCTION TO LOGIC* the most widely used logic text in North America In addition the book s accompanying technological resources such as CengageNOW and Learning Logic include interactive exercises as well as video and audio clips to reinforce what you read in the book and hear in class In short you ll have all the assistance you need to become a more logical thinker and communicator Important Notice Media content referenced within the product description or the product text may not be available in the ebook version *China and the United States* Xiaobing Li,Hongshan Li,1997-12-11 This essay collection presents a new examination and fresh insight into Sino American relations from the end of World War II to the 1960s The compilation breaks new ground by exploring some of the untouched Chinese and Soviet Communist sources to document the major events and crises in East Asia It also identifies a new pattern of confrontations between China and America during the Cold War Based on extensive multi archival research

utilizing recently released records the authors move the study away from the usual Soviet American rivalry and instead focus on the relatively unknown area of communists interactions and conflicts in order to answer questions such as why Beijing sent troops to Korea what role China played in the Vietnam War and why Mao caused crises in the Taiwan Straits The articles in the book examine Chinese perceptions and positions and discuss the nature and goals of China's foreign policy and its impact on Sino American relations during this crucial period
