**O'Brian: A Very Private Life** Nikolai Tolstoy, 2019-10-17 An intimate portrait of Patrick O Brian written by his stepson Nikolai Tolstoy **Lives of the Novelists** Carl Rollyson, 2005-10-21 Is there a right way to write a literary life In this collection of columns from the New York Sun Carl Rollyson explores the relationship between narrative and literary analysis Should biographies be written in the style and form of novels How to balance the life and the work How much literary criticism can a biography absorb into its narrative Rollyson proposes a number of apologies for biography including the thought that in the right hands the literary biography is a continuation of the writer s work and life In such instances there seems to be a symbiosis between biographer and subject In other cases biographies spearhead the rediscovery of important writers He rejects the idea that literary figures are not good subjects for biography because they are not men and women of

action That literary biography is a kind of strip mining a pathography laying bare the subject s life to no good purpose is another canard this book demolishes The pieces here also expose the genre s weak points a proclivity for overstatement and excessive length the failure of biographers to build upon their predecessors work Rollyson invents a term biographology in order to discuss the biographical tradition *Of Sex and Faerie: Further Essays on Genre Fiction* John Lennard,2010-01-01
