*The Pattern of Our Salvation* Ronald Arthur Ward, 1978      *Collected Writings on Scripture* D. A. Carson, 2010-07-01 God's Word has always had enemies but in recent years the inspiration and authority of Scripture have been attacked with renewed vigor Respected scholar D A Carson has written widely on the nature of Scripture over the past thirty years and here presents a timely collection of his work in two parts In part 1 Carson selects essays written on such themes as how to interpret the Bible recent developments in the doctrine of Scripture unity and diversity in the New Testament and redaction criticism Presenting a theologically balanced and confessional perspective Carson defines the terms of a number of debates critiques interpretive methods and theories and suggests positive guidelines for future action Part 2 presents critical reviews of nine books dealing with the inspiration and authority of Scripture Though substantial in content Carson's detailed reviews will foster careful thought and perspective in those who are relatively new to the debates surrounding biblical inspiration and authority This volume is a diverse collection that will prove to be a helpful resource to both seasoned pastors and scholars and those who are just starting serious study of the Bible      **Scripture and Truth** D. A. Carson, John D.

Woodbridge, 1992-09-01 From a biblical historical or theological perspective each essay examines a challenge to belief in the integrity and reliability of Scripture What emerges from these essays is a full orbed restatement of this evangelical doctrine

God, Revelation and Authority: God Who Speaks and Shows (Vol. 4) Carl F. H. Henry, 1999-01-25 Part 4 in a monumental six volume set that presents an undeniable case for the revealed authority of God to a generation that has forgotten who he is and what he has done      *Special Revelation and Scripture* David S. Dockery, Malcolm B. Yarnell, 2024-05-01 In their book *Special Revelation and Scripture* David Dockery and Malcolm Yarnell explore the fundamental elements of divine revelation such as inspiration reliability and authority and how these elements influence and shape the Christian's understanding of theological doctrines ethical teachings and matters concerning worldview      *God, Revelation and Authority (Set of 6)* Carl F. H. Henry, 1999-01-25 A monumental six volume set that presents an undeniable case for the revealed authority of God to a generation that has forgotten who he is and what he has done      **Hebrews** David L. Allen, 2010-09-15 For the word of God is living and active Sharper than any doubleedged sword it penetrates even to dividing soul and spirit joints and marrow it judges the thoughts and attitudes of the heart Hebrews 4:12 THE NEW AMERICAN COMMENTARY series is an exceptionally acclaimed resource for ministers and Bible students who want to understand and expound the Scriptures Notable features in this new Hebrews volume by scholar David Allen include Commentary based on the New International Version NIV text printed in the body of the commentary Sound scholarly methodology reflecting capable research in the original languages Interpretation emphasizing the theological unity of each book and Scripture as a whole Readable and applicable exposition

*Systematic Theology, Volume 1, Fourth Edition* James Leo Garrett, 2014-09-14 Rivals the major systematic theologies of this century Baptist History and Heritage Journal July 1996 One of the characteristics of Garrett's system that needs

especially to be noted is its balanced judicious and nearly invariably objective presentation of materials While holding true to the teachings of his own Baptist faith Garrett so carefully and judiciously presents alternatives that teachers and students from other confessional and denominational positions will find his work instructive Consensus 1997 If one is searching for an extensive exposition of the biblical foundations and historical developments of the various loci of systematic theology there is no more complete presentation in a relatively short work than this Pastors will especially find this feature to be a real help in teaching theology It is an indispensable contribution to the task of systematic theology Journal of the Evangelical Theological Society September 1999 Many students and pastors will find all they need here and will in addition be helped to relate their knowledge to recent developments in the theological world The Churchman A Journal of Anglican Theology 1991 A gold mine of helpful material The Christian Century May 29 June 5 1991 No book that I know is more loaded with biblical and theological facts than this one The prodigious research that must have gone into the preparation of this volume is truly mind boggling Faith and Mission Fall 1991 Garrett has provided a massive and scholarly systematic theology from a thoroughly conservative and comprehensive viewpoint The work is well documented in both biblical and historical scholarship and will prove to be a classic William Hendrickson Southern Baptist Theological Seminary One of the most comprehensive concise books of its type available it should receive wide use in the classroom and in the study Robert H Culpepper Southern Baptist Theological Seminary *Catalog of Copyright Entries, Fourth Series* Library of Congress. William Burkitt, 1844 **Readings in the Canon of Scripture** David Jasper, 2009-06-23 Canonical criticism is not a recognized branch of biblical studies granting new focus to questions of the authority and truth of the scriptural writings Developed within a critical sense of the dominant historical critical tone of biblical studies canonical criticism as it has been pursued by the American scholars Brevard S Childs and James A Sanders stands as witness to the theological necessity of a more literary approach to the Bible This book both criticizes the canonical enterprise and takes it

much further into readings of the canon from the perspective not only of literature but also art and in particular the biblical art of Rembrandt In addition it remains acutely conscious of the contemporary environment of our reading within the political concerns of feminist criticism popular absorption in film and the narratives of the screen and finally the crisis or crises which characterize the so called postmodern condition What emerges is at once highly critical of traditional strategies of canonization and at the same time constructive and concerned to recover the Bible for our own time in readings which move outside the limited academic concerns of the biblical critic or the institutions of the church and religious community
