begin and maintain the recovery process Neuro Linguistic Programming in Alcoholism Treatment is a wealth of innovative state of the art information on the history of NLP basic NLP assumptions concepts for establishing rapport with clients and essential family participation in NLP Each chapter directs itself either to a specific NLP technique featuring clear case demonstrations and a step by step outline for applying the technique to the development of the counseling process in working with addicted systems or to a particular group affected by addiction such as alcoholics children of alcoholics or the addicted family as a unit Clinicians focus on alcoholism and other addictions as treatable conditions applying specific strategies and techniques initially developed in Neuro Linguistic Programming and Hypnotherapy adapted to meet the demands of alcoholism and addiction treatment specialists This important volume allows for a substantial increase in the repertoire of treatment choices available to professionals and enables clinicians to individualize treatment An extensive bibliography is included to further assist readers in gaining additional skills in the treatment of alcoholics and other addicts

The Origins Of Neuro Linguistic Programming John Grinder,2013-05-09 The Origins of NLP brings together the recollections and thoughts of some of the main protagonists from the very early days of NLP In 1971 Richard Bandler and Frank Pucelik were students at Kresge College at the University of California Santa Cruz They had a strong mutual interest in Gestalt Therapy Frank because of his traumatic time in Vietnam and because he had been working with some disaffected and drug addicted kids and Richard because he had been working with Science and Behavior Books on transcribing and editing Fritz Perls seminal work The Gestalt Approach and Eyewitness to Therapy They started a local Gestalt group and ran 2 3 sessions a week collaborating and experimenting with the language of therapy They started achieving some brilliant results but were having problems transferring their skills to others and so Richard invited one of their college professors John Grinder to observe what they were doing in order that he would hopefully be able to deconstruct what they were doing that was so effective John was a professor of Linguistics and was instantly impressed with the work that they were doing He was able to add more structure and in due course the three of them formalised what is now known as the Meta Model NLP or Meta as it was known then was born

Neuro-Linguistic Programming P. Tosey,J. Mathison,2009-11-12 Addressing the need for a discerning research based discussion of NLP this book seeks to answer the many questions that clients potential users and practitioners ask including what is NLP and what can it best be used for This book looks at the research and theory behind NLP also exploring claims that it is a pseudoscience
