Grimley,2019-07-23 In *The 7Cs of Coaching* Bruce Grimley expertly explains neuro linguistic programming NLP to the
advanced coach and counsellor by asking a simple question What is NLP Inviting us on his personal journey he provides the
reader in this book with an insight as to how he coaches using his own NLP model as well as exploring the complexity of NLP
as a practice and why it tends to polarise opinion in today s coaching landscape Grimley insists that if the NLP paradigm is to

his own research this book does just that Incorporating contemporary psychological understanding and neuroscientific
research throughout it provides a complete NLP model outlining specific steps for the reader to follow in order to achieve
excellence in coaching It includes case studies exercises and reflective questions which will encourage both novice and
