Paul And The Power Of Sin:

Paul and the Power of Sin T. L. Carter, 2001-12-13 Paul and the Power of Sin first published in 2001 seeks to ground Paul's language of sin in the socio cultural context of his original letters T L Carter draws on the work of social anthropologist Mary Douglas to conduct a cross cultural analysis of the symbolism of the power of sin in the letters examining thoroughly Douglas Grid and Group model and defending its use as a heuristic tool for New Testament scholars He uses this model to examine the social location of Paul and the communities to which he wrote and offers a fresh insight into key passages from 1 Corinthians Galatians and Romans Carter concludes that an important part of Paul's purpose was to safeguard the position of law free Gentile believers by redrawing social boundaries along eschatological rather than ethnic lines

Sin and Its Remedy in Paul Nijay K. Gupta, John K. Goodrich, 2020-09-22 This collection of essays considers what light is shed on Pauline soteriology by giving focused attention to the apostle's language and conception of sin Sometimes Paul appears to present sin and disobedience as transgression while at other times sin is personified and treated as an enslaving power Is there a model or perspective that can account for Paul's conceptual range in his discussion of sin What does careful study of Paul's letters reveal about the christological and pneumatological remedies to the problem of sin as he conceives of them These questions are explored with attention to individual Pauline letters towards a richer understanding of his attitude towards sin and its remedy

Sin and its Remedy in Paul John K. Goodrich, Nijay K. Gupta, 2022-08-25 Though much studied Pauline soteriology can be seen afresh by giving focused attention to the apostle's language and conception of sin Sometimes Paul appears to present sin and disobedience as transgression while at other times sin is personified as an enslaving power Is there a single model or perspective that can account for Paul's conceptual range in his discussion of sin What does careful study of Paul's letters reveal about the christological and pneumatological remedies to the problem of sin as he conceives of them These questions are explored in the context of individual Pauline letters building a richer understanding of the apostle's attitude to sin and its remedy

The Story of Original Sin John Toews, 2013-01-15 This book traces the history of the interpretation of the disobedience of Adam and Eve in Genesis 3 through the biblical period and the church fathers until Augustine It explains the emergence of the doctrine of original sin with the theology of Augustine in the late fourth century on the basis of a mistranslation of the Greek text of Romans 5:12 The book suggests that it is time to move past Augustine's theology of sin and embrace a different theology of sin that is both more biblical and makes more sense in the postmodern West and in the developing world

Paul and the Person Susan Grove Eastman, 2017-10-23 In this book Susan Grove Eastman presents a fresh and innovative exploration of Paul's participatory theology in conversation with both ancient and contemporary conceptions of the self Juxtaposing Paul ancient philosophers and modern theorists of the person Eastman opens up a conversation that illuminates Paul's thought in new ways and brings his voice into current debates about personhood

Paul and the Hope of Glory Constantine R. Campbell, 2020-11-24 A Unique Study of Pauline Eschatology that Is Both Exegetical and Theological One of the trajectories coming out of Constantine Campbell s award winning book Paul and Union with Christ is the significance of eschatology for the apostle Along with union with Christ eschatology is a feature of Paul s thinking that affects virtually everything else While union with Christ is the webbing that joins Paul s thought together eschatology provides the shape of his thought and thus gives shape to his teaching about justification resurrection the cross ethics and so forth There is considerable debate however about Paul s eschatology asking whether he is a covenant or an apocalyptic theologian In Paul and the Hope of Glory Campbell conducts a thorough exegetical study of the relevant elements of Paul s eschatological language metaphors and images including parousia the last day inheritance hope and others He examines each passage in context aiming to build inductively an overall sense of Paul s thinking The results of this exegetical study then feed into a theological study that demonstrates the integration of Paul s eschatological thought into his overall theological framework The study is comprised of three parts The first part introduces the key issues both exegetical and theological and sets the parameters and methodology of the book It also offers an historical survey of the scholarly work produced on Paul s eschatology through the twentieth century to the present day The second part contains the detailed exegetical analysis with chapters on each important Pauline phrase metaphor and image related to eschatology The third part turns its attention to theological synthesis It recapitulates relevant conclusions from the evidence adduced in part two and launches into theological discussion engaging current issues and debates This volume combines high level scholarship and a concern for practical application of a topic currently debated in the academy and the church More than a monograph this book is a helpful reference tool for students scholars and pastors to consult its treatment of any particular instance of any phrase or metaphor that relates to eschatology in Paul s thinking **Understanding Paul** Peter Frick, 2023-09-04 Peter Frick argues that the key issue to which the apostle Paul correlates the death and resurrection of Jesus Christ is the power of sin Sin singular is an ontological existential category and distinct from sins plural For the death of Jesus to be effective in overcoming the power of sin salvation is established strictly in the new ontology of the resurrection of Jesus *A New Commentary on Holy Scripture* Charles Gore, Henry Leighton Goudge, Alfred Guillaume, 1928 **Cross-Cultural Paul**

Charles H. Cosgrove, Herold Weiss, K. K. Yeo, 2005-08-16 The apostle Paul was a cross cultural missionary a Hellenistic Jew who sought to be all things to all people in order to win them to the gospel In this provocative book Charles Cosgrove Herold Weiss and K K Yeo bring Paul into conversation with six diverse cultures of today Argentine Uruguayan Anglo American Chinese African American Native American and Russian No other book on the apostle Paul looks at his thought from multiple cultural perspectives in the way that this one does From the introduction outlining the authors cultural backgrounds to the conclusion drawing together what they learn from each other Cross Cultural Paul orients readers to the hermeneutical struggles and rewards of approaching texts cross culturally God, Freedom, and the Body of Christ Alexander J. D. Irving, 2020-10-13 A contribution to the end of the Church knowing itself as the body of Christ Irving articulates a theology of the Church as that which participates in all that Jesus is in his vicarious humanity by the power of the Spirit This is developed through a dialogical or covenantal frame that has its focal point in Christ in whom the faithful love of God toward creation and the faithful love of creation toward God is actualized The Church as the body of Christ participates in the mediatorial work of Jesus Christ Each chapter explores a different element of this participatory ecclesiology This book offers a constructive ecclesiology built from the ground up on the foundation of a dialogical perspective which has participation in Christ as its controlling center This foundation provides the basis upon which an exhilarating vision of the Church can be built to encourage Christians to cherish the Church as the body of Christ which participates in the triune communion through being included into the Son by the power of the Spirit and comes to reflect the triune God in its own structures **Grace and Agency in Paul and Second Temple Judaism** Kyle Wells, 2014-09-11 Following recent intertextual studies Kyle B Wells examines how descriptions of heart transformation in Deut 30 Jer 31 32 and Ezek 36 informed Paul and his contemporaries articulations about grace and agency Beyond advancing our understanding of how these restoration narratives were interpreted in the LXX the Dead Sea Literature Baruch Jubilees 2 Baruch 4 Ezra and Philo Wells demonstrates that while most Jews in this period did not set divine and human agency in competition with one another their constructions differed markedly and this would have contributed to vehement disagreements among them While not sui generis in every respect Paul s own convictions about grace and agency appear radical due to the way he reconfigures these concepts in relation to Christ *The Epistles of Paul* Philip Schaff, 1888 **St. Paul's first Epistle to the Corinthians [Gr. text] with a comm. by C.J. Ellicott** Charles John Ellicott, 1887 **Acts and Pauline Writings** Watson E. Mills, Richard F. Wilson, 1997 Volume 7 of the Mercer Commentary on the Bible is comprised of the book of Acts and thirteen Pauline writings plus several appropriate articles from the Mercer Dictionary of the Bible This convenient text is for the classroom and for anyone who wishes to focus on the study of Acts and the Pauline writings Mercer University Press intends these texts to be available appropriate and helpful for Bible students both in and out of the classroom and indeed for anyone seeking guidance in uncovering the abundant wealth of the Scriptures **God's Saving Grace** Frank J. Matera, 2012-11-17

Distinguished biblical scholar Frank Matera here views the theology of the Pauline letters through the lens of the saving grace that Paul experienced at his call and conversion Focusing on Christology soteriology theology anthropology ecclesiology ethics and eschatology Matera explores both the unity and the diversity of the thirteen Pauline letters Written in a clear and coherent style God s Saving Grace presents students professors and pastors with a comprehensive yet concise and accessible overview of the theology found in the entire corpus of Paul s letters *Established in Holiness* David W. Biggs,2020-01-30 God calls believers to not only be born again but to live a holy life Those who stay true to God to the end will be saved God desires that His people stay true to Him and inherit eternal life In spite of the great danger of falling away God s Word Spirit and power provides believers with what is necessary to stay true to God *Established in Holiness* focuses on the biblical theme of God s call for Christians to be established in their faith and God s call for Christians to not only win others to Christ but to teach them to be disciples who know and obey all that Christ teaches as revealed in the Bible Learn or reaffirm How God changes us when He gives us spiritual life and power The danger of falling away How God keeps and establishes Christians The Role of God as our keeper God s provisions for us to stay true to Him to the end Consider sharing what you learn from *Established in Holiness* to help other new Christians and all Christians become stronger in their faith and walk with God **Paul's Eschatological Anthropology** Sarah Harding,2016-02-01 In this study Sarah Harding examines Paul s anthropology from the perspective of eschatology concluding that the apostle s view of humans is a function of his belief that the cosmos evolves through distinct aeons in progress toward its telos Although scholars have frequently assumed that Paul s anthropological utterances are arbitrary inconsistent or dependent upon parallel views extant in the first century world Harding shows that these assumptions only arise when Paul s anthropology is considered apart from its eschatological context That context includes the temporal distinction of the old aeon the new aeon and the significant overlap of aeons in which those in Christ dwell as well as a spatial dimension that comprises the cosmos and the powers that dominate it especially sin and the Holy Spirit These eschatological dimensions determine the value Paul attaches to any particular anthropological aspect Harding examines the cosmological power dominant in each aeon and the structures through which in Paul s view these influence human beings examining texts in which Paul discusses nous kardia and s ma in each aeon **Romans** David E. Garland,2021-10-19 Romans has been described as the theological epistle par excellence Paul emphasizes that salvation is by God s grace alone and that freedom hope and the gift of righteousness are secured through Christ s death and resurrection In this Tyndale Commentary David Garland offers clear guidance along the rewarding though sometimes difficult paths of this great letter
