**The Activist Impulse** Jared S. Burkholder,David Cramer,2012-04-04 Anabaptists have often felt suspicious of American evangelicalism and in turn evangelicals have found various reasons to dismiss the Anabaptist witness Yet at various points in the past as well as the present evangelicals and Anabaptists have found ample reason for conversation and much to appreciate about each other The Activist Impulse represents the first book length examination of the complex relationship between evangelicalism and Anabaptism in the past thirty years It brings established experts and new voices together in an effort to explore the historical and theological intersection of these two rich traditions Each of the essays provides fresh insight on at least one characteristic that both evangelicals and Anabaptists share an impulse to engage society through the pursuit of active Christian witness      North-western Christian Advocate ,1898      **The Activist Collector** Christa Clarke,2023-02-17 Published by the Newark Museum Distributed worldwide by Rutgers University Press After twenty eight years of desire and determination I have visited Africa the land of my forefathers So wrote Lida Clanton Broner 1895 1982 an African American housekeeper and hairstylist from Newark New Jersey upon her return from an extraordinary nine month journey to South Africa in 1938 This epic trip was motivated not only by Broner s sense of ancestral heritage but also a grassroots resolve to connect the socio political concerns of African Americans with those of black South Africans under the segregationist policies of the time During her travels this woman of modest means circulated among South Africa s Black intellectual elite including many leaders of South Africa s freedom struggle Her lectures at Black schools on race consciousness and race pride had a decidedly political bent even as she was presented as an American beauty specialist How did Broner a working class mother come to be a globally connected activist What were her experiences as an African American woman in segregated South Africa and how did she further her work after her return Broner s remarkable story is the subject of this book which draws upon a deep visual and documentary record now held in the collection of the Newark Museum of Art This extraordinary archive includes more than one hundred and fifty objects ranging from beadwork and pottery to mission school crafts acquired by Broner in South Africa along with her diary correspondence scrapbooks and hundreds of photographs with handwritten notations      **The National Union Catalog, Pre-1956 Imprints** ,1974

Library,1972      *Activist Hermeneutics of Liberation and the Bible* Jin Young Choi,Gregory L. Cuéllar,2023-02-08 Inspired by the current political moment around the globe in which uprisings protests revolutions and movements are on the rise this book examines the intersections between the Bible and activism It does this by showcasing intersectional readings of the Bible as an activist act and a tool for activism historicizing the uses of the Bible within activist freedom movements

around the globe and offering activist approaches to teaching the Bible Each chapter in this volume provides a critical and substantive response from the discipline of Biblical Studies to global political trends International in scope with contributors from Africa Asia the Caribbean Europe Latin America Oceania South Africa and the United States they address themes such as gender politics racial injustices violence toward women political resistance and activist hermeneutics and pedagogies Together they harness the intellectual energies of minoritized Biblical scholars in a nonessentialist manner to reflect on the Bible as a tool for liberating social and political change Reflecting on the activist potential of the Bible this book will be of keen interest to scholars in Biblical Studies Political Theology and Religious Studies

**Paul, Campaigner for Christ** William Jackson Lowstuter, 1915 *Bob Drinan* Raymond A. Schroth, 2010-12-01 Raymond Schroth's Bob Drinan The Controversial Life of the First Catholic Priest Elected to Congress shows that the contentious mixture of religion and politics in this country is nothing new Four decades ago Father Robert Drinan the fiery Jesuit priest from Massachusetts not only demonstrated against the Vietnam War he ran for Congress as an antiwar candidate and won going on to serve for 10 years Schroth has delved through magazine and newspaper articles and various archives including Drinan's congressional records at Boston College where he taught and also served as dean of the law school and has interviewed dozens of those who knew Drinan to bring us a life sized portrait The result is a humanistic profile of an intensely private man and a glimpse into the life of a priest politician who saw advocacy of human rights as his call Drinan defined himself as a moral architect and was quick to act on his convictions whether from the bully pulpit of the halls of Congress or from his position in the Church as a priest to him they were as intricately woven as the clerical garb he continued to wear unapologetically throughout his elected tenure Drinan's opposition to the Vietnam War and its extension into Cambodia his call for the impeachment of President Richard Nixon he served on the House Judiciary Committee which initiated the charges his pro choice stance on abortion legally not morally his passion for civil rights and his devotion to Jewish people and the well being of Israel made him one of the most liberal members of Congress and a force to be reckoned with But his loyalty to the Church was never in question and when Pope John Paul II demanded that he step down from office he did so unquestioningly Afterward he continued to champion the ideals he thought would make the world a better place He didn't think of it in terms of left and right as moral architect he saw it in terms of right and wrong This important book doesn't resolve debate about issues of church and state but it does help us understand how one side can inform the other if we are listening It has much to say that is worth hearing

**Currents in the Interpretation of Paul** Neil Elliott, 2024-09-05 The apostle Paul has long been championed or criticized as a Christian thinker as a brilliant theological genius or an enthusiastic convert who spun arguments to justify his new allegiances In these essays Neil Elliott engages some of the most provocative currents in contemporary scholarship including Paul and the nature of violence the presumptions of religious cultural or national innocence in particular interpretations of the apostle the recent enthusiasm for Paul in some streams of Marxist thought competing construals of

economic realities in Paul's day and our own and questions surrounding Paul's legacy today      In Defence of Jesus the Christ G. C. Ezeigwe, 2021-09-23 This book of mine diligently but strictly challenges another book that viciously insults God Jesus Christ and Christianity in various matters Some of the matters God does not exist Jesus was a fiction he was no son of God he was a trickster a criminal He depended upon the power of witchcraft for his miracles His teaching is responsible for the backwardness of African countries If his death washes away our sins Judas Iscariot and the Jews are to be praised not blamed He escaped crucifixion someone else died in his place and eloped with Mary Magdalene to Europe and married her The insult goes on In addition to challenging the book my book reveals the history of Jesus' early life unaccounted for in the popular Christian Bible explains the difference between the status of Jesus and the status of Christ Looks into the real meaning of forbidden fruit the Holy Trinity the virgin birth reincarnation good Friday compares Christianity from emperor Constantine's era to our present time to paganism considers who took over from Peter the apostle of Jesus and gives the true meaning of Sabbath Finally my book outlines the legacies of Jesus Christ to the world To Christians my book is a buttress To non-Christians it is an enticing invitation to come to Christian fold and taste and see that God is good      **The Encyclopedia of Christian Literature** George Thomas Kurian, James D. Smith III, 2010-04-16 The written word is one of the defining elements of Christian experience As vigorous in the 1st century as it is in the 21st Christian literature has had a significant function in history and teachers and students need to be reminded of this powerful literary legacy Covering 2 000 years The Encyclopedia of Christian Literature is the first encyclopedia devoted to Christian writers and books In addition to an overview of the Christian literature this two volume set also includes 40 essays on the principal genres of Christian literature and more than 400 bio-bibliographical essays describing the principal writers and their works These essays examine the evolution of Christian thought as reflected in the literature of every age The companion volume also features bibliographies an index a timeline of Christian Literature and a list of the greatest Christian authors The encyclopedia will appeal not only to scholars and Christian evangelicals but students and teachers in seminaries and theological schools as well as to the growing body of Christian readers and bibliophiles      **University of Michigan Official Publication** University of Michigan, 1999 Each number is the catalogue of a specific school or college of the University      *Who's who in Massachusetts* , 1940
