Paul Valéry 7 Valéry Et Le Monde Actuel:

Valéry et le "monde actuel" Huguette Laurenti, 1993 **Paul Valéry** Robert Pickering, Micheline Hontebeyrie, 2008
Contributions un colloque international de 2004 sur la pensée historique de Paul Valéry le regard que l'écrivain a porté sur son temps son rapport à la temporalité etc Source inconnue **Paul Valéry Revisited** Walter C. Putnam, 1995 Twayne's United States Authors English Authors and World Authors Series present concise critical introductions to great writers and their works Devoted to critical interpretation and discussion of an author's work each study takes account of major literary trends and important scholarly contributions and provides new critical insights with an original point of view An Authors Series volume addresses readers ranging from advanced high school students to university professors The book suggests to the informed reader new ways of considering a writer's work Each volume features A critical interpretive study and explication of the author's works A brief biography of the author An accessible chronology outlining the life the work and relevant historical context Aids for further study complete notes and references a selected annotated bibliography and an index A readable style presented in a manageable length **Oeuvres, Tome 3** Paul Valéry, 2016-04-20 Si la dernière section de cette édition est la plus ample c'est que Valéry continue d'extraire de ses Cahiers des fragments plus ou moins remaniés pour de nouveaux recueils M'langue et Mauvaises pensées qui paraissent tous les deux en 1941 et surtout qu'il décide de rassembler d'anciens petits livres qui vont permettre la publication des deux volumes c'est l'histoire de Tel Quel Les années de guerre sont naturellement moins propices aux commandes et ses activités de conférencier se trouvent suspendues jusqu'à la libération du deux-cent-cinquantième anniversaire de la naissance de Voltaire Valéry membre du Comité national des écrivains de nouveau président du PEN Club français redevient alors pour tous quelques mois avant sa disparition la haute figure des Lettres françaises qu'il avait tenu avant guerre La grande œuvre de ces années est certainement *Mon Faust* une pièce de théâtre qu'il entreprend dès 1940 et laquelle il continue de travailler de loin en loin Bien qu'inachevée il la fait paraître en deux éditions successives et derrière la brillante légende de l'écriture et les répliques tincelantes l'essentielle lassitude du protagoniste qui est celle même de son auteur assombrit bien des scènes Puis un autre projet fait retour celui d'un recueil de textes l'identité incertaine qui suivent la pente du conte plutôt que du roman que Valéry n'aime pas brossant la figure de quelques héros singuliers il reprend des pages bâchées autour de 1923 en critique de nouvelles et rédige un Avertissement pour ces Histoires brisées Il laisse néanmoins le recueil inachevé et c'est donc pour nous un dossier plus qu'une œuvre d'édition de Michel Jarrety ,

Guttman,2018-02-24 Honor Beaugrand was a soldier in the French Army volunteering at seventeen years of age to help in the conquest of Mexico a colonial war He was a world traveler journalist novelist author of folk tales editor and publisher of several newspapers He was mayor of Montreal from 1885 to 1887 As mayor he faced two major problems floods in spring and a smallpox epidemic in the summer In both he was widely praised for his strong leadership He was subjected to a litany of calumny about his membership in the Freemasons his anti clericalism his republicanism advocating the American form of government his francophilia However the truth is that Beaugrand was not a radical in politics in spite of his protestations otherwise There is some controversy about his religious beliefs but probably on balance he was not a believer in the church He wanted to be buried as Papineau and Doutre without final rites and ceremony Beaugrand was a great traveler visiting the world over He reported his travels in his newspaper that demonstrated his wide interest in the history the cultural and the economic development of the countries visited Early on he began a literary career recounting his experience in Mexico and in Fall River His novel Jeanne la fileuse was the first social novel of French America He wrote about native as well as French Canadian folklore Indian written sign languages industry sociology pottery and anthropology of the numerous places he visited **Albert O. Hirschman** Michele

Alacevich, 2021-04-06 Winner 2023 Best Book Award Italian Association for the History of Economic Thought One of the most original social scientists of the twentieth century Albert O Hirschman led an uncommonly dramatic life After fleeing Nazi Germany as a youth he fought in the Spanish Civil War took part in antifascist activities in Italy and organized an underground rescue operation in Marseille through which more than 2 000 people including Marc Chagall Arthur Koestler and Hannah Arendt escaped Europe Hirschman moved across topics methodologies and disciplinary boundaries as fluidly as he did among countries and languages His work is marked by a deep suspicion of all encompassing theories valuing instead doubt and a sensitivity to contingencies and unexpected consequences In this intellectual biography the economic historian Michele Alacevich explores the development and trajectory of Hirschman s characteristic approach to social scientific questions He traces the many strands of Hirschman s thought and their place in his multifaceted body of work considering their limitations as well as their strengths Alacevich puts Hirschman s ideas into context following his participation in the major intellectual and political debates of his times He examines Hirschman s pioneering work in development studies and his analyses of social change the history of capitalism and the workings of democracy alongside his activities in the postwar reconstruction of Europe and economic development in Latin America A compelling intellectual portrait of a profoundly distinctive thinker this book also reflects on Hirschman s legacy and lasting influence

The Split and the Structure Rudolf Arnheim, 2023-12-22 Rudolf Arnheim s great forte is his ability to illuminate the perceptual processes that go into the making and reception of artworks painting sculpture architecture and film Over the years his pioneering mode of reading art from a unique scientific philosophic perspective has garnered him an established and devoted audience That audience will take pleasure in Arnheim s most recent collection of essays one that covers a range of topics and includes titles such as Outer Space and Inner Space What Is an Aesthetic Fact As I Saw Children s Art Two Ways of Being Human Consciousness an Island of Images and From Chaos to Wholeness The notion of structure is Arnheim s guide in these explorations Most of the essays examine the nature of structure affirmatively how it comes about its incentives and objectives its celebration of perfection He is interested in how artists grope for structure to shape powerful enlightening images and how a scientist s search for truth is a search for structure Writing with enviable clarity even when deploying complex arguments Arnheim makes it easy and exciting to follow him as he thinks America is not abundantly supplied with public intellectuals such as Rudolf Arnheim to have his writings with us is cause for celebration The word structure appears for good reason in the title of this collection Structure seems to be needed as an arbiter wherever this civilization of ours is split by selfish interests and fighting for either or decisions The essays want to speak with the voice of reason because they want to show how the parts require the whole Rudolf Arnheim s great forte is his ability to illuminate the perceptual processes that go into the making and reception of artworks painting sculpture architecture and film Over the years his pioneering mode of reading art from a unique scientific

Mediterranean Europe(s) Matthew D'Auria, Fernanda Gallo, 2022-09-26 This book investigates how ideas of

and discourses about Europe have been affected by images of the Mediterranean Sea and its many worlds from the nineteenth century onwards Surprisingly modern scholars have often neglected such an influence and in fact in most histories of the idea of Europe the Mediterranean is conspicuously absent This might partly be explained by the fact that historians have often identified Europe with modernity and the Atlantic world and therefore in opposition to the classical world centred around the Mediterranean This book will challenge such views showing that a plethora of thinkers from the early nineteenth century to the present have refused to relegate the Mediterranean to the past Importance is given to the idea of a distinct meridian thought a notion first set forth by Albert Camus and now reworked by French and Italian thinkers As most chapters argue this might represent an important tool for rethinking the Mediterranean and in turn it might help us challenge received notions about European identity and rethink Europe as the locus of modernity Mediterranean Europe s Rethinking Europe from its Southern Shores will appeal to researchers and students alike interested in European studies and Mediterranean history

Paul Valéry et la Grèce Suzanne Larnaudie, 1992 **Savage Century** Therese Delpech, 2013-06-18 At the dawn of the twentieth century observers heralded a new era of social progress seemingly limitless technological advances and world peace But within only a few years the world was perched on the brink of war revolution and human misery on an unprecedented scale Is it possible that today in the early twenty first century we are on the verge of similar tumultuous times Blending a detailed knowledge of international security affairs with history philosophy psychology and literature Th r se Delpech vividly reminds us of the signs and warnings that were missed as the civilized world failed to prevent both world wars the Holocaust Soviet death camps and Cambodian killing fields that made the twentieth century so deadly Drawing a parallel between 1905 and 2005 Delpech warns that it could happen again in this current era of increasing international violence and global lawlessness She looks ahead to imagine various scenarios and regions that could become flashpoints in the future Winner of the 2005 Prix Femina de l essai Praise for the original French edition L Ensauvagement One doesn't know what to admire most in this book the precision of information the scope of reference the originality of the approach Le Nouvel Observateur From Iranian nuclear ambitions to the Taiwan question Delpech reviews all the situations which might lead mankind to succumb to the perennial temptation of savagery a passionate and lucid book L'argus de la presse L'ensauvagement transcends its surface content articulating great hope that our reason and will might take hold and overcome unreason Politique étrangère Combining introspection and prediction geopolitics and philosophy Th r se Delpech has issued a warning cry Politique Internationale

The World Republic of Letters Pascale Casanova, 2004 The world of letters has always seemed a matter more of metaphor than of global reality In this book Pascale Casanova shows us the state of world literature behind the stylistic refinements a world of letters relatively independent from economic and political realms and in which language systems aesthetic orders and genres struggle for dominance Rejecting facile talk of globalization with its suggestion of a happy literary melting pot Casanova exposes an emerging regime of inequality in the world of letters

where minor languages and literatures are subject to the invisible but implacable violence of their dominant counterparts Inspired by the writings of Fernand Braudel and Pierre Bourdieu this ambitious book develops the first systematic model for understanding the production circulation and valuing of literature worldwide Casanova proposes a baseline from which we might measure the newness and modernity of the world of letters the literary equivalent of the meridian at Greenwich She argues for the importance of literary capital and its role in giving value and legitimacy to nations in their incessant struggle for international power Within her overarching theory Casanova locates three main periods in the genesis of world literature Latin French and German and closely examines three towering figures in the world republic of letters Kafka Joyce and Faulkner Her work provides a rich and surprising view of the political struggles of our modern world one framed by sites of publication circulation translation and efforts at literary annexation

Breaking up Time Chris Lorenz, Berber

Bevernage, 2013-06-19 Thirteen expert historians and philosophers address basic questions on historical time and on the distinctions between past present and future Their contributions are organised around four themes the relation between time and modernity the issue of ruptures in time and the influence of catastrophic events such as revolutions and wars on temporal distinctions the philosophical analysis of historical time and temporal distinctions and the construction of time outside Europe through processes of colonialism imperialism and globalisation

Russian Émigrés in the Intellectual and Literary Life of Interwar France Leonid Livak, 2010-07-01

In a pioneering exploration of the intellectual and literary exchange between Russian migrants and French intelligentsia in the 1920s and 1930s Leonid Livak provides an impressively comprehensive bibliographic overview of a veritable who's who of Russian intellectuals and literati listing all the material published by Russian migrants or on topics pertaining to them during the period under study Focusing attention on a largely ignored chapter of European cultural history this volume challenges historical assumptions by demonstrating processes of cultural cross fertilization and illuminates the precedents Russians set for political exiles in the twentieth century A remarkable achievement in scholarship *Russian migrants in the Intellectual and Literary Life of Inter War France* is a valuable resource for admirers and researchers of French and Russian culture and European intellectual history
