Paul And The Salvation Of The Individual Biblical Interpretation Series:

Paul and the Salvation of the Individual Gary W. Burnett, 2001-12-01 This book proposes that there was a lively sense of the individual self in persons in the Hellenistic world of the urban centres in which Paul lived and ministered whereby individualistic behaviour was not unknown and where individuals were not simply determined by their culture and the group of which they were a part This is in contrast to many recent sociological approaches to the New Testament which emphasise the collective over the individual Hence it is argued that the individual is a central feature of Paul's letter to the Romans Three texts in the first eight chapters of Romans are examined to indicate Paul's concern with the salvation of the individual and not just with questions of a more collective nature to do with the identity of the people of God This book challenges the very strong emphasis put upon the collective in recent approaches to Paul's letter to the Romans especially by sociologically based NT research but also within the wider body of Romans research It suggests that it is possible to maintain that Paul was vitally interested in the salvation of the individual without having to revert to traditional Lutheran interpretations of the text

Paul and the salvation of the individual [electronic resource] Gary W. Burnett, 2001-01-01 This work suggests that it is possible to maintain that Paul had a lively interest in the salvation of the individual without having to revert to traditional Lutheran interpretations of the text It focuses on three important texts in Romans **Individual and Community in Paul's Letter to the Romans** Ben C. Dunson, 2012 Revision of the author's thesis Ph D University of Durham England 2011

Paul's Use of the Old Testament in Romans 9.1-9 Brian J. Abasciano, 2006-02-07 This investigation builds upon recent developments in the study of Paul's use of Scripture that center around the concept of intertextuality Abasciano uses an exegetical method that incorporates into a thorough traditional exegesis a comprehensive analysis of Paul's use of Scripture against the background of interpretive traditions surrounding the texts alluded to with great emphasis placed on analyzing the original contexts of Paul's citations and allusions Such an intertextual exegesis is conducted in Romans 9.1-9 with an awareness of the broader unit of chapters 9.1-11 especially and also the epistle as a whole The study finds that many of the themes Paul deals with in Romans 9.1-11 are also present in ancient Jewish and Christian interpretive traditions surrounding the passages he invokes and more importantly that Paul's scriptural quotations and allusions function as pointers to their broad original contexts from which he developed much of the form content and direction of his argument holding significance for a number of exegetical details as well as broader themes and rhetorical movements The final chapter seeks to draw conclusions concerning the significance of Paul's use of the Old Testament in Romans 9.1-9 for the exegesis and theology of Romans and for Pauline intertextuality The identity of the true people of God is central to Romans 9.1-11 and the epistle And Paul's use of Scripture is contextual and referential calling for attention to Pauline intertextuality in standard exegetical procedure JSNTS 301 *The Church according to Paul* James W. Thompson, 2014-09-09 Amid conflicting ideas about what the church should be and do in a post Christian climate the missing voice is that of Paul The New Testament's most prolific

church planter Paul faced diverse challenges as he worked to form congregations. Leading biblical scholar James Thompson examines Paul's ministry of planting and nurturing churches in the pre-Christian world to offer guidance for the contemporary church. The church today as then must define itself and its mission among people who have been shaped by other experiences of community. Thompson shows that Paul offers an unprecedented vision of the community that is being conformed to the image of Christ. He also addresses contemporary misunderstandings of words like missional megachurch and formation.

After Imperialism Richard R. Cook, David W. Pao, 2011-05-01 This collection of essays is committed to the belief that evangelicalism continues to have the historical assets and intellectual hermeneutical and theological tools able to contribute to the global church. Evangelicalism possesses assets with explanatory power to address significant theological and cultural issues arising out of the churches in the Global South. Evangelical approaches to contextualization and biblical studies can produce valuable fruit. Therefore in May 2008 over a dozen evangelical scholars Chinese and Western from the United States Hong Kong and Taiwan came together to address issues of Christian and evangelical identity. The Inter Cultural Theological Conversation was titled *Beyond Our Past: Bible, Cultural Identity and the Global Evangelical Movement*. This collection of papers from the conference demonstrates the value of the careful balancing of judicious appropriation of the social sciences and thorough biblical inquiry. Questions of evangelical identity in China and around the world are addressed from the disciplines of history, biblical studies and systematic theology.

Faith and the Faithfulness of Jesus in Hebrews Matthew C. Easter, 2014-10-27 This volume explores faith in the Book of Hebrews and posits that it is manifested in four dimensions: ethical, eschatological, Christological and ecclesiological.

Living in the Flesh by the Spirit Brian H. Thomas, 2020-02-05 What does Paul mean by the flesh? There is a great deal of confusion among laymen and disagreement among scholars on this issue. Christians know that we are supposed to walk by the Spirit so that they will not gratify the desires of the flesh, but it is not entirely clear what these expressions mean. Furthermore, Paul can also be confusing when he addresses the Christian's relationship to the flesh: are we in the flesh or not? This book clarifies these issues for us by exploring the different meanings of flesh throughout the Bible and analyzing the influence both of Old Testament conceptions of flesh as well as new salvation historical realities on Paul's thinking, especially in the context of the controversy over circumcision in Galatians. By carefully following Paul's thought, we will also gain greater insight into other Pauline themes that intersect with his theology of the flesh: new creation and his view of this age and the one to come. Most importantly, we will discover Paul's own program for our spiritual transformation so that we may live a life of Christlike love and service despite the moral weakness of our flesh.

Jesus and the Eyewitnesses, 2d ed. Bauckham, Richard, 2017 Jesus and the Eyewitness argues that the four Gospels are closely based on the eyewitness testimony of those who knew Jesus. The author challenges the assumption that the accounts of Jesus circulated as anonymous community traditions, asserting instead that they were transmitted in the name of the original eyewitnesses.

Election of the Lesser Son David R.

Wallace,2014-09-01 Chapters 9 11 of Romans remains one of the most contested biblical texts in scholarship today Theological discussions often limit the focus of this passage to God s sovereignty or to Paul s defense of God s faithfulness but less attention has been devoted to the form and style Wallace demonstrates how Paul weaves two distinct Jewish literary forms together lament and midrash into a logical narrative concerning Israel s salvation Attention is given to Paul s poetical structures key literary terms and use of Old Testament contexts Jesus and the Eyewitnesses, 2nd ed. Richard Bauckham,2017-04-28 A groundbreaking work in New Testament studies expanded and updated Winner of the 2007 Christianity Today Book Award in Biblical Studies this momentous volume argues that the four Gospels are closely based on the eyewitness testimony of those who personally knew Jesus Noted New Testament scholar Richard Bauckham challenges the prevailing assumption that the Jesus accounts circulated as anonymous community traditions asserting instead that they were transmitted in the names of the original eyewitnesses In this expanded second edition Bauckham is adding a new preface three substantial new chapters that respond to critics and clarify key points of his argument and a comprehensive new bibliography **Jesus and the Eyewitnesses** Richard Bauckham,2008-09-22 Noted New Testament scholar Bauckham challenges the prevailing assumption the accounts of Jesus circulated as anonymous community traditions instead asserting that they were transmitted in the name of the original eyewitness **The Gospel of God** David R. Wallace,2008-09-01 When Paul pens his letter to the Roman believers he writes as a missionary to strengthen a church at the center of imperial power choosing language that is familiar to his recipients Paul responds not only to the influence of Judaism but also to the wider culture by contrasting prominent Roman values David Wallace argues that Paul s gospel in Romans rejects and countervails the significant themes of Virgil s Aeneid the most well known prophetic source that both proclaimed Roman ideology and assured Roman salvation After demonstrating that a close but nonauthoritarian relationship existed between Augustus and Virgil Wallace examines relevant literary aspects symbolism and key imagery of Virgil s epic A discussion of Paul s contraliterary approach follows drawing out possible parallels and echoes in Romans against the universal message of the Aeneid *Joel's Use of Scripture And the Scripture's Use of Joel* John Strazicich,2007 This work focuses on the appropriation and resignification of scripture in Joel and its NT Nachleben where Israel s literature functions as an authoritative medium of refraction The purpose is to recover the canon s unrecorded hermeneutics at the intersection of both diachronic and synchronic textual surfaces **The Singers of Lamentations** Nancy Lee,2021-10-01 The author analyzes the poetic songs of biblical Lamentations with oral poetic folkloric method for the first time with surprising results Contemporary lament poems are then compared from recent post war Croatia and Bosnia Herzegovina about suffering in cities under siege Oral poetic and socio rhetorical methods illumine two lead singers in dialogue in a mourning context employing formulas and themes of dirge psalmic and prophetic traditions in their compositions but infusing these with their individual artistry to respond to Jerusalem s destruction Poets through history and across cultures share common ground in

how they render the suffering of their war torn cities The prophet Jeremiah emerges in Lamentations as one lead singer by virtue of how he modifies traditional formulas imagery themes terms in response to the context A woman emerges as another lead singer who pushes the limits of current theology in crisis *Conflict and Identity in Romans* Philip Francis

Esler,2003-11-07 What is the purpose of Paul s letter to the Romans Esler provides an illuminating analysis of this epistle employing social scientific methods along with epigraphy and archaeology His conclusion is that the apostle Paul was attempting to facilitate the resolution of intergroup conflict among the Christ followers of Rome especially between Judeans and non Judeans and to establish a new identity for them by developing a form of group categorization that subsumes the various groups into a new entity **Medieval Readings of Romans** William S. Campbell,Peter S. Hawkins,Brenda Deen

Schildgen,2007-11-15 This sixth volume of the Romans through History and Culture series consists of 14 contributions by North American and European medievalists and Pauline scholars who discuss significant readings of Romans through the twelfth and thirteenth centuries to the eve of the Reformation The commentaries of Abelard William of St Thierry Thomas Aquinas and Nicolas of Lyra and the wider influence of Romans as reflected in the letters of Heloise and the works of Dante demonstrate the reception of Romans at this period Starting with an introduction inviting the reader to into the biblical environment of the Middle Ages and suggesting the varied ways in which Paul was understood in both high clerical culture and among the people it also offers a summary of the work done by each of the authors This volume attests the dominant role of scripture in communal life and witnesses to the pervasive influence of Paul s letter to the Romans in the flourishing discussions on Scripture and theology *Jesus Reads Scripture* Emerson B. Powery,2021-11-29 This project highlights Jesus

use of scripture within each Synoptic Gospel as an important component of each Gospel s narrative rhetoric Using literary analysis particularly composition criticism narrative criticism and comparative analysis the main object of study is the explicit citation of Jesus rather than any implied citation allusion or echo Concentration on the latter areas offers insight into the way scripture was understood by Christians and Jews in Second Temple Judaism however the study of explicit citations provides the basis upon which we assume other allusions may be heard by first century audiences The study concludes that each Gospel offers its own distinctive portrayal of Jesus use of scripture based on each one s narrative rhetoric **Mapping**

Gender in Ancient Religious Discourses Todd C. Penner,Caroline Vander Stichele,2007 A collection of essays on early Christian Jewish and Greco Roman religious discourses in antiquity focusing on the construction of gender in relationship to broader cultural and religious themes argumentation and identity formation in the early centuries of the common era

Paul's Letter to the Philippians in the Light of Disunity in the Church Davorin Peterlin,2014-04-09 This volume discusses the development of disunity in the Philippian church as the occasion for Paul s response in his letter The first part of the book examines references and allusions to strife among the Philippians and tension between them and Paul It demonstrates the pervasiveness of the theme of disunity in most sections of the letter The second part correlates these

findings with sections of the letter dealing with the Philippians financial support for Paul It treats such topics as Paul s attitude to money and the sociological composition of the church The book s aim is to draw attention to social and non theological aspects of the Philippian situation and make a contribution to a more theological study of Philippians
