True Stories of Law & Order Kevin Dwyer, Juré Fiorillo, 2006-11-07 True Stories of Law Order reveals the fascinating and shocking facts behind 25 of the hit show s most popular episodes from the incredible account of how a woman s repressed memory leads to the solving of a 30 year old cold case to the high profile investigation of tranvestite millionaire Robert Durst And just like in Law Order the actual crime is just the beginning as you follow these cases from the initial stages of the investigation through the trial and up to the often controversial verdicts Part of the reason millions of fans tune in to Law Order is the gritty realism of its storytelling The monumentally popular show has included many episodes inspired by actual cases ripped from the headlines true crimes that are often stranger and more chilling than fiction

*Conservation Directory* ,1976 Early Exits Lou Hovsen,2016-05-06 While serving in Vietnam Larry Braden finds himself in a horrific situation that offers him his only way out of the war sane and alive By staging his death and taking the identity of a dead soldier he leaves with no plan other than to get out of the country He embarks on a journey that leads to a diversity of adventures in many places seizing opportunities as they arise Several bold life decisions and occasionally letting his guard down lead to some difficult situations By the time he establishes a normal life as Paul multiple people have suspicions concerning his past and are actively seeking information Despite the trail of lies necessary to enjoy the life he desires he strives to be an honest person The overwhelming feeling he will be discovered constantly haunts him as he wavers between feeling victimized and guilt He is always armed with a plan to run if necessary Efforts to stay out of the limelight do not match his personality Several ironic unexpected twists take place Life is full of surprises for this runaway *To Punish and Protect* Jeanine Pirro,Catherine Whitney,2015-06-16 Former prosecutor Jeanine Pirro s *To Punish and Protect* challenges us to have the will and the courage to wage war on the predators roaming our streets and to avenge their victims The office of the district attorney is a battleground where the fight between good and evil unfolds each day We see the ugliest side of life the pain that people go through for no reason They didn t do anything They didn t ask for it Yet here they are living their personal nightmares We cannot take away their pain or turn back time to undo the damage but we can be the avengers We can seek justice on their behalf So begins this riveting account by the former Westchester County District Attorney Jeanine Pirro as she takes us inside the violent world of modern crime fighting Before Pirro was elected DA in 1993 the job was always considered a man s domain demanding a macho toughness Pirro can be as tough as any man and yet she adds an important new dimension to the role She believes that being tough on crime means much more than just filling the jails She goes beyond her role to punish criminals to be a passionate advocate for the victims of crime In *To Punish and Protect* Pirro brings readers face to face with the gruesome realities of her daily battles and tells the true heartbreaking stories of the victims the slaughter of a young woman and her two children by a jealous enraged boyfriend a teenage girl forced to assume wifely duties after her father murdered her stepmother a nine year old boy chained to a radiator in a dark room and nearly starved to death as the rest of the family went about its business a gentle hardworking man shot fatally in a dispute over a parking place because he was black an eighty year old woman savagely beaten by her son and left for two days on the cold floor of her apartment a beautiful woman whose wealth and privilege could not prevent her murder at the hands of a violent

husband and a group of young girls lured into a sexual nightmare by a cunning predator posing as a trustworthy youth counselor Pirro presents hard truths about the ways in which parents communities and the justice system share complicity in fostering an environment of danger to our children She describes the dark world of Internet pedophiles and hate mongers who are allowed to hide behind First Amendment protections to gain access to kids in their own bedrooms She offers a harsh judgment on parents who fail to address the deadly consequences of teen drinking and even host keg parties in their homes while alcohol continues to take young lives and destroy families Pirro delivers a bold indictment of the criminal justice system and asks whether we as a nation are truly committed to justice Increasingly she warns our laws attitudes and behaviors seem to be veering away from what we say is our moral core as a nation We say that we exalt good and punish evil yet we do the opposite We turn criminals into celebrities and view victims with suspicion If we re going to make our communities safer and our society less violent we need to do more than just pay lip service to our ideals
