Paul Hunt's Night Diary Paul Hunt,1992 *Paul Hunt's Night Diary* Paul Hunt,1992 **Paul Hunt's Night Diary**

Brian Plummer,2002-03 an entertaining and unusual record of a year s activities with a pack of Jack Russell terriers half a
dozen lurchers as many ferrets and a varied cast of human characters Terrier lurcher and ferret breeding lots of rat hunting
as well as rabbiting a bit of falconry and much else besides Also includes an inside account of the television documentary
which was made about the author Rat Hunting Man **Meuse-Argonne Diary** William M. Wright,2004-06-09 September 13
1918 Got no sleep at all last night About two o clock in the morning Col Heintzelman chief of staff of the corps came out and
he was much pleased with what the division had accomplished and with the way they had gone through It was the division s
first battle and it played a very important and creditable part Certain things fell down The truth of the matter is the troops
got away from the wire and it was impossible to keep the wire up through the tangle of barbed wire and woods We captured
3 000 prisoners on our front alone and have lost 521 November 1 1918 Considerable heavy artillery fire all night The
preparation fire went down promptly at 3 30 it was very heavy The barrage went down promptly at 5 30 Troops jumped off At
7 30 thirty prisoners reported from Le Dhuy Fme taken by the 353rd and 354th infantries I don t understand what the 353rd
Infantry is doing in there as it is out of the sector At 7 00 a m there was a distinct lull in the artillery fire I told Hanson at 8
05 to move his troops forward to parallel 86 immediately He stated that he would get them going about 8 30 but actually did
not get them started until about eleven o clock I sent for him on arrival and told him to hurry his men up Before Lee left I had
ordered the divisional reserve to move forward with its advance element on the first objective to maintain their echelonment
in depth Smyser came in at one o clock and I ordered the divisional machine guns to the front to take position about one half
kilometer east of Dhuy Fme At the time the reserves were ordered forward I ordered Hanson to take his P C to Dhuy Fme
Hanson has just arrived I do not understand why he is always so slow He seems to be inordinately stupid During America s
participation in World War I 1917 1918 only a single commander of a division William M Wright is known to have kept a diary
In it General Wright relates his two month experience at St Mihiel and especially the Meuse Argonne the largest and most
costly battle in American history In the Meuse Argonne the Eighty ninth Division made up of 28 000 draftees from Missouri
and Kansas and under Wright s command was one of the two American point divisions beginning November 1 1918 when the
U S First Army forced the German defenders back to the Meuse River and helped end World War I as the main German
railway line for the entire Western Front came under American artillery fire It was a great moment and Wright was at the
center of it Robert Ferrell skillfully supplements the diary with his own narrative making use of pertinent manuscripts
notably a memoir by one of Wright s infantry regiment commanders The diary shows the exacting attention that was
necessary to keep such a large unwieldy mass of men in motion It also shows how the work of the two infantry brigadiers and

of the two supporting artillery brigades required the closest attention Meuse Argonne Diary a unique account of among other things a singular moment in the Great War in which American troops ensured victory will fascinate anyone interested in military history in general and World War I in particular **Children's Book Review, 1994** Beverly Baer,1995-04 Provides access to reviews of children's books and periodicals that are indexed by Book Review Index **Looking at Literacy** Nigel Hall, Anne Robinson, 1996 This volume contains 84 transcripts of presentations which are centered around four major topics methods for assessment of oxygenation the physiology of oxygen transport organ system in disease and restoration of oxygen in disease Subjects include cerebral oxygenation during cardiopulmonary bypass reflectance pulse oximetry the effect of capillary blood flow on the oxygen release into rat heart tissue hypoxia ischemia and the pH paradox oxygen transport in tumors the lung in distress extracorporeal oxygenation and pulmonary mechanics during laparoscopic surgery Annotation copyright by Book News Inc Portland OR Whitaker's Books in Print, 1998 *Hunters in the Fog* Jim Stallings, 2003-10 During WWII my father kept a diary during his 300 combat hours and 81 missions as a decorated P 47 fighter pilot in England This book celebrates and honors my father and mother's participation in that difficult time The screenplay *Hunters in the Fog* looks into the mysteries of luck and fate in war Why is it certain pilots regardless of their refined skills in war fall victim to death chopped short in youth My father turns over that question in his diary He notes the near misses to himself and other pilots the mysterious accidents the horror of fiery death and the strange beauty and suspense of aerial warfare With his advice and inspired in part by the classic characters of Dumas *The Three Musketeers* we fashioned a similar set of personalities who must survive 300 hours of deadly aerial combat to complete their tour of duty **Children's Literature Awards and Winners**, 1994 *The publishers weekly*, 1992 Children's Book Review Index Gary C.
