Heywood Thomas, 2000-12-13 Paul Tillich 1886 1965 was a remarkable and a singular theologian who was as much at home in a philosophical discussion as he was in the pulpit and seemed as keenly interested in art and politics as he was in his work as a professional theologian His attacks on Nazism led to the banning of his books his dismissal from Frankfurt University and ultimately his departure for the United States in November 1933 He continued to live and work in America after the war engaging in many lecture tours around the world Professor Heywood Thomas reviews critically the philosophical background to Tillich s theology including his debts to Schelling Kant and Husserl He surveys Tillich s achievement as a philosophical theologian examining his ontological approach to Christology and salvation and his understanding of the Church as a spiritual community He concludes with an
