Pauls Use Of Ethos Pathos Logos:

Paul's use of ethos, pathos, and logos in 2 Corinthians 10-13, 1995 *Paul's Use of Ethos, Pathos, and Logos in 2 Corinthians 10-13* Mario M. DiCicco, 1995 **Persuading the Galatians** D. Francois Tolmie, 2005 Revised thesis doctoral University of the Free State Bloemfontein South Africa *Paul and the Ancient Letter Form* Stanley E. Porter, Sean A. Adams, 2010 Throughout the last century there has been continuous study of Paul as a writer of letters Although this fact was acknowledged by previous generations of scholars it was during the twentieth century that the study of ancient letter writing practices came to the fore and began to be applied to the study of the letters of the New Testament This volume seeks to advance the discussion of Paul's relationship to Greek epistolary traditions by evaluating the nature of ancient letters as well as the individual letter components These features are evaluated alongside Paul's letters to better understand Paul's use and adaptations of these traditions in order to meet his communicative needs *The Paul-Apollos Relationship and Paul's Stance toward Greco-Roman Rhetoric* Corin Mihaila, 2009-06-25 Research into the social and rhetorical background of the Corinthian church shows that the Corinthians were evaluating their leaders based on their rhetorical prowess seeking to associate with those who would enhance their status and honour The coherence of Paul's argument in 1 Corinthians 1:4 is evaluated particularly by showing how Paul's discourse of the cross and Sophia relate to the issue of the dissensions in the Corinthian ekklesia Once demonstrated that there is a misunderstanding of wisdom amongst church leaders at the basis of the dissensions a redefinition of the wisdom offered in Corinthians is required In what could be considered the locus of Paul's theology of proclamation i.e. 1 Corinthians 2:1-5 he rejects any employment of worldly wisdom in his proclamation of the cross for theological reasons and will not allow himself or other leaders to be drawn into this game of personality cult and honour enhancement Such conclusions then raise the question of the role played by Apollos name in Paul's argument against dissensions After a review of several possible views it is concluded based primarily on exegetical grounds and refusing to engage in hermeneutical speculations that Paul had a congenial relationship with Apollos If any distinction is drawn between the two it was solely the Corinthians fault who viewed their preachers in competitive rather than complementary terms **A Graeco-Roman Rhetorical Reading of the Farewell Discourse** John C. Stube, 2006-06-22 The Farewell Discourse John 13:1-17 is a climactic portion of John's Gospel which serves as a hinge on which the entire Gospel narrative pivots from Jesus public ministry to his Passion This is an analysis employing the elements of Greco Roman rhetoric **Colometric Analysis of Paul's Letters** Priscille Marschall, 2024-03-13 Priscille Marschall explores some stylistic aspects of Paul's letters in particular their oral oriented logic of structuration employing Chapters 10-13 of Second Corinthians as a case study The method of analysis draws upon the rhetorical treatises of the Greco Roman world **Paul and Rhetoric** J. Paul Sampley, Peter Lampe, 2013-06-20 Paul and Rhetoric contains essays that have been presented in a seminar called Paul and Rhetoric in the annual meetings of the Studiorum Novi Testamenti Societas the leading international forum for New

Testament and Christian Origin scholars Translated into English these essays by leaders in the field and in the topic engage and represent modern scholarship on Paul and rhetorical studies The foundational essays are listed under the heading State of the Discussion attempting to take the major rhetorical categories of the time contemporary with Paul types of rhetoric invention and arrangement and figures and tropes and first lays out where the discussion is now They then note the problems and highlights where continued discussion and deliberation would be helpful The Broad Questions section asks what can be learned about reading Paul s letters to congregations in light of ancient epistolography how theology and rhetoric are related because the two are often treated as if they are alien to one another and how ancient rhetoric and ancient psychology are associated with one another All in all a volume that illustrates examines and assesses where we are now in the study of rhetorical traditions in Pauline scholarship and in some instances suggests the direction of future studies **Handbook on**

Enemies of the Cross of

Christ Demetrius Williams,2002-12-01 *Enemies of the Cross* employs classical rhetorical analysis to examine how Paul structures a deliberative argument using his understanding of the cross of Christ His goals are to guide advise the Philippian community through internal and external strife ch 2 combat his opponents ch 3 and develop his notion of the eschatological community 3 18 21 Williams proposes that while Paul has a theology of the death of Jesus of which cross terminology is one of several aspects this terminology is used almost exclusively in polemical conflictual contexts Hence Paul appears to be using cross of Christ not so much as a doctrine but rather as a rhetorical tool in a context of conflict and strife to support his understanding of eschatology apostolic service the nature of Christian existence and community among the saints **Paul**

Prof. Jerry L. Sumney,2014-11-18 Covering the entire Pauline corpus the reader finds a man who was adept at persuasive arguments and providing theological answers to real and often thorny congregational issues Readers have a keen understanding of Paul s place in the early church the relationship between church and synagogue and the relationship between the teaching of Paul and that of Jesus These discussions set Paul firmly within the church that existed before he joined finding that he became an adherent to much that preceded him *2 Corinthians, Volume 40* Ralph P. Martin,2017-10-10 Pastors and students will appreciate this new edition with its up to date bibliography and discussion of pertinent issues In this full revision and update of the book of Second Corinthians Dr Ralph P Martin addresses the scholarly questions about the text of the epistle and the significance of Paul s thought for Christian living and ministry In a penetrating analysis of Paul s responses to the various crises within the Corinthian congregation Dr Martin gives insight into the particular problems of Christianity as expressed in the hedonistic cosmopolitan setting of Corinth He shows how Paul s attempt to clearly distinguish the gospel from Hellenistic Judaism and Hellenistic Jewish Christian ideology results in a moving statement of the Christian message Rather than the theology of glory prevalent in Corinth Paul articulates his theology of the Cross as a theology of weakness of servanthood and ministry What was at stake at Corinth says Dr Martin was nothing less than the essence of the kerygma as in expressed in the way of the cross for proclamation and daily living New sections on the Collection and Rhetoric have been added and the issues of Composition and Social Setting of the letter have been included along with topics such as the Spirit the Opponents Paul s Theology and the Resurrection in this epistle The Word Biblical Commentary series offers the best in critical scholarship firmly committed to the authority of Scripture as divine revelation It is perfect for scholars students of the Bible ministers and anyone who wants a theological understanding of Scripture **Second Corinthians (Paideia: Commentaries on the New Testament)** Raymond F. Collins,2013-06-15 In this addition to the well received Paideia series a respected senior New Testament scholar examines cultural context and theological meaning in Second Corinthians Paideia commentaries explore how New Testament texts form Christian readers by attending to the ancient narrative and rhetorical strategies the text employs showing how the text shapes theological convictions and moral habits commenting on the final canonical form of each New Testament book focusing on the cultural

literary and theological settings of the text making judicious use of maps photos and sidebars in a reader friendly format Students pastors and other readers will appreciate the historical literary and theological insight offered in this practical commentary

1 Corinthians 1-4 Oh-Young Kwon,2010-08-01 This book investigates 1 Corinthians 1 4 from a rhetorical and social perspective and explores that a divisive culture of rhetorical and paternal elitism lies behind the schisms and problems identified in the letter This culture appears to have been shaped to some extent by the legacy of Cicero Paul s references to boasting and imitation indicate both his subversive use and his critique of this Greco Roman wisdom In the final chapter this analysis of wisdom traditions and their social consequences among first century Corinthians leads to a critical reflection on similar dynamics among Korean Christians in twenty first century Korean Confucian culture In particular Korean Protestants are encouraged to take a more positive stance towards Confucian wisdom traditions as exemplified by T oegye s legacy and some insights are suggested into the ethics of imperial worship ancestral veneration and ethnic exclusivity

The Gospel of John in Cultural and Rhetorical Perspective Jerome H. Neyrey,2009-11-10 Johns Gospel has been studied and evaluated and interpreted constantly by theologians throughout the ages Can anything more possibly be said Jerome Neyrey says it can indeed by interpreting it in two fresh ways by means of ancient rhetoric and by viewing it in its cultural context In order to find patterns and concepts that have a bearing on how to read John Neyrey examines the rhetoric of praise and blame described in the ancient encomium the Greek commonplace on noble death rules for rhetorical conclusions and Jewish background materials He then uses materials from cultural anthropology such as the effects of limited good and envy secrecy and brokerage Even innocent topics such as time and space have much to say about interpreting the figure of Jesus In viewing John through these two lenses The Gospel of John in Cultural and Rhetorical Perspective brings the book into clear focus as a truly maverick gospel

Metaphors and Social Identity Formation in Paul's Letters to the Corinthians Kar Yong Lim,2017-05-05 Why did Paul frequently employ a diverse range of metaphors in his letters to the Corinthians Was the choice of these metaphors a random act or a carefully crafted rhetorical strategy Did the use of metaphors shape the worldview and behavior of the Christ followers In this innovative work Kar Yong Lim draws upon Conceptual Metaphor Theory and Social Identity Theory to answer these questions Lim illustrates that Paul employs a cluster of metaphors namely sibling familial temple and body metaphors as cognitive tools that are central to how humans process information construct reality and shape group identity Carefully chosen these metaphors not only add colors to Paul s rhetorical strategy but also serve as a powerful tool of communication in shaping the thinking governing the behavior and constructing the social identity of the Corinthian Christ followers
