Prosa Plebeya Ensayos 19801992:

Prosa plebeya Néstor Perlongher, 1997 **Affect, Gender and Sexuality in Latin America** Cecilia Macón, Mariela Solana, Nayla Luz Vacarezza, 2021-02-23 This book emphasizes the significance of affects feelings and emotions in how we think about politics gender and sexuality in Latin America Considering the complex and even contradictory social processes that the region is experiencing today many Latin American authors are turning to affect to find a key to understand our present situation to revisit our history and to imagine new possibilities for the future This tendency has shown such a specificity and sometimes departure from northern productions that it compels us to focus more deeply on its own arguments methods and critical contributions This volume features essays that explore the particularities of Latin American ways of thinking about affect and how they can shed new light into our understanding of gender sexuality and politics *Plebeian Prose* Néstor Perlongher, 2019-07-09 *Plebeian Prose* is a key work by the pioneering Argentine Brazilian anthropologist sociologist and poet Néstor Perlongher Perlongher whose work has been highly influential in the development of Latin American cultural theory and literature represents an original critical queer voice in Latin American thought This book is an exploration of the politics of desire questions of identity Latin American neo baroque aesthetics sexual dissidence violence and jouissance Prompted by his reading of Gilles Deleuze the link between politics and desire remains central to all Perlongher's reflections and gives his writings a lasting topicality A thinker of the streets with a keen interest in those on the margins of society the ideas that are developed in this book offer a lucid critique of capitalism and institutional power Perlongher's approach also reflects a particular Latin American neo baroque style a mode of critique whose value endures today Providing insight into Latin American culture and politics of the late twentieth century *Plebeian Prose* will be of particular interest to anyone working on critical theory literary theory anthropology sociology and gender studies *Evita, Inevitably* Jean Graham-Jones, 2014-10-23 Examines Argentina's most iconic female figures from saints to pop singers politicians to anarchists **Queering the Chilean Way** Carl Fischer, 2016-11-11 This book examines and critiques the fact that Chile's claims to economic exceptionalism have been embodied often quite aggressively in a heterosexual and primarily male ideal Despite the many shifts Chilean economics and politics have undergone over the past fifty years the country's view of itself as a model in contrast to other Latin American countries has remained constant By deploying an artistic literary and cinematic archive of queer figures from this period this book draws parallels among the exceptionalisms of Chile's economic discourse the subjects deemed most and least apt to embody it and the maneuvers of its cultural production between local and global ideas of gender and politics to delineate its place in the world *Queering the Chilean Way* thus sheds light on the sexual economic and aesthetic dimensions of exceptionalism at its heart a discourse of exclusion that often comprises a major element of nationalism in Chile and throughout the Americas *Encyclopedia of Latin American and Caribbean Literature, 1900-2003* Daniel Balderston, Mike Gonzalez, 2004 The Encyclopedia of Twentieth Century Latin American and Caribbean

Literature 1900 2003 draws together entries on all aspects of literature including authors critics major works magazines genres schools and movements in these regions from the beginning of the twentieth century to the present day With more than 200 entries written by a team of international contributors this Encyclopedia successfully covers the popular to the esoteric The Encyclopedia is an invaluable reference resource for those studying Latin American and or Caribbean literature as well as being of huge interest to those following Spanish or Portuguese language courses

Contemporary

Archipelagic Thinking Michelle Stephens, Yolanda Martínez-San Miguel, 2020-09-15 Contemporary Archipelagic Thinking takes as point of departure the insights of Antonio Benítez Rojo Derek Walcott and Édouard Glissant on how to conceptualize the Caribbean as a space in which networks of islands are constitutive of a particular epistemology or way of thinking This rich volume takes questions that have explored the Caribbean and expands them to a global Anthropocene framework This anthology explores the archipelagic as both a specific and a generalizable geo historical and cultural formation occurring across various planetary spaces including the Mediterranean and Aegean Seas the Caribbean basin the Malay archipelago Oceania and the creole islands of the Indian Ocean As an alternative geo formal unit archipelagoes can interrogate epistemologies ways of reading and thinking and methodologies informed implicitly or explicitly by more continental paradigms and perspectives Keeping in mind the structuring tension between land and water and between island and mainland relations the archipelagic focuses on the types of relations that emerge island to island when island groups are seen not so much as sites of exploration identity sociopolitical formation and economic and cultural circulation but also and rather as models The book includes 21 chapters a series of poems and an Afterword from both senior and junior scholars in American Studies Archaeology Biology Cartography Digital Mapping Environmental Studies Ethnomusicology Geography History Politics Comparative Literary and Cultural Studies and Sociology who engage with Archipelago studies Archipelagic Studies has become a framework with a robust intellectual genealogy The particular strength of this handbook is the diversity of fields and theoretical approaches in the Humanities Social Sciences and Natural Sciences that the included essays engage with There is an editor's introduction in which they meditate about the specific contributions of the archipelagic framework in interdisciplinary analyses of multi focal and transnational socio political and cultural context and in which they establish a dialogue between archipelagic thinking and network theory assemblages systems theory or the study of islands oceans and constellations

Pathologisation, Depathologisation and Mental Health Raudelio Machin Suarez, 2024-11-16 This book examines the pathologisation and depathologisation of mental health in Ibero America It highlights the possibilities and the epistemic limits of the interpretative models of pathos that have legitimised mental health pathologies Further it proposes a rereading of psychopathology and analyses the clinical philosophical ontological ethical psychological and anthropological consequences of this Across ten chapters it brings together academics from Latin America with colleagues from Europe Asia and North America to address issues including stigma aesthetics childhood gender

migration political public or social networks and their relationship with mental health Section 1 brings critical psychology into dialogue with psychiatry sociology philosophy and psychoanalysis to review the conceptual frameworks through which pathology has been understood in psy discourses Section 2 presents a range of case studies that demonstrate the impact of debates around the pathologisation and de pathologisation on mental health care in various populations across Latin American It will offer fresh insights to practitioners as well as to students and scholars working in the areas of mental health critical psychology medical sociology Latin American studies psychiatry and psychoanalysis **Eva Perón** María Belén Rabadán Vega, Mirna Vohnsen, 2021-08-15 No Latin American woman has ever elicited such extreme feelings of love and hate as Eva Perón She was an actress of humble origins who fell in love with and married the soon to be president of Argentina Juan Domingo Perón Evita as she was fondly known became the most powerful woman in Argentine history Adored by the masses and loathed by the bourgeoisie Evita polarized Argentine society Not even her death could put an end to the mixed feelings she aroused during her lifetime and Evita remains till this day a controversial figure Eva Perón A Reference Guide to Her Life and Works captures Evita's eventful life her works and her legacy The volume features a chronology that includes her childhood her acting career her trip to Europe her political activity her illness and her death as well as more recent events that have memorialized her While an introduction offers a brief account of her life a dictionary section lists entries on people places and events related to her A comprehensive bibliography offers a list of works by and about Evita Finally a filmography includes the movies in which Evita appeared and the TV series and films that have been made about her

Speculation, Heresy, and Gnosis in Contemporary Philosophy of Religion Joshua Ramey, Matthew S. Haar Farris, 2016-10-12 Many in continental philosophy of religion aver that we are in a new moment one where the intellectually marginalized and religiously bastardized traditions of mystical intuitive and esoteric apprehensions must be re articulated and appreciated anew In an era marked by catastrophic events and atrophied cultural institutions what seems to be needed is an affirmation of the human potential to truck with non human or even inhuman forces and intentions at scales of speed slowness or intensity that break with consensual conceptions of human limitations The essays in this volume outline patterns of mind and mortality existence and ecstasy creativity and expression political possibility and religious matrix from a position that takes quite seriously possible relations with the absolute however enigmatic that modernity has denied and postmodernity has obscured in the name of academic skepticism and humanist reservations Beyond post modernist pastiche and post secular nostalgia these essays explore the potencies of archaic spiritual disciplines as well as the passions driving the mystical heretical and Gnostic intimations riddling contemporary relations with the absolute
