Redeeming Time Endowing Your Church With The Power Of Covenant:

Redeeming Time Walter P. Herz, 1999 Congregational reevaluation and right relation among communities are the goals of the UUA trustees proposed four year process called Fulfilling the Promise Redeeming Time was put together as a tool for use by Unitarian Universalist congregations in their quest to reestablish a spiritually grounded interdependent web of congregations The central idea in this work is to reconnect with the concept of a covenant the promise of support and accountability which is foundational to a liberal religious community Includes helpful sample covenants and discussion questions ideal for workshops and adult religious education classes **Engaging Our Theological Diversity** Unitarian Universalist Commission on Appraisal, 2005 In the Interim Barbara Child, Keith Kron, 2013 The Complete Guide to Small Group Ministry Robert L. Hill, 2003 *The Inside Light* Deborah G. Plant, 2010-05-20 This exploration of Zora Neale Hurston's life and work draws on a wealth of newly discovered information and manuscripts that bring new dimensions of her writing to light The Inside Light New Critical Essays on Zora Neale Hurston caps a decade of resurgent popularity and critical interest in Hurston to offer the most insightful critical analysis of her work to date Encompassing all of Hurston's writings fiction folklore manuscripts drama correspondence it fully reaffirms the legacy of this phenomenal writer whom The Color Purple's Alice Walker called A Genius of the South The Inside Light offers 20 critical essays covering the breadth of Hurston's writing including her poetry which up to now has received little attention Essays throughout are informed by revealing new research previously unseen manuscripts and even film clips of Hurston The book also focuses on aspects of Hurston's life and work that remain controversial including her stance on desegregation her relationships with Charlotte Mason Langston Hughes and Richard Wright and the veracity of her autobiography Dust Tracks On a Road Darkening the Doorways Mark D. Morrison-Reed, 2011 Profiles essays and archival documents of African American Unitarian Universalists

Premise and The Promise , **Worship that Works** Wayne Bergthor Arnason, Kathleen Rolenz, 2017 Just ten years after it was first published Worship That Works is already a classic text of the Unitarian Universalist liturgical arts Following a road trip in which they visited congregations of various sizes and traditions the authors offer essential theory and best practices for lay worship leaders ministers and student ministers alike Significantly updated this second edition includes revisions and new chapters on multicultural worship multigenerational worship and new models of services for contemporary practices **Belonging** Unitarian Universalist Commission on Appraisal, 2001 **Not for Ourselves Alone** Lauri Hallman, Burton D. Carley, 2014 These twelve essays from Unitarian Universalist leaders emerge as part of a movement in the faith from focusing on individual identity to relational connectedness Through personal stories and thoughtful reflections the contributors describe how we might grow our souls through our connections with one another and with the Holy They invite us to move beyond the age old theological question Who am I and ask instead Whose are we This new emphasis suggests that we are all part of something larger something that both includes us and transcends us Group exercises and journaling

prompts accompany the essays making this an ideal resource for use in congregational settings or small gatherings Helping us to be more vulnerable with one another and to express things not easily defined in precise ways Not for Ourselves Alone offers fertile new ways for Unitarian Universalists to grow in the life of the spirit
