Redeeming Choices A Work Of Fiction:

Redeeming Choices Helen Sell Chadwick,1999 **The Choice** Andrew Beaumont Robertson,1911 The Redeemed D. L. Bostick,2011-01-19 Devastated by the murder of her husband Cricket Lewis finds herself in a deceitful web of lies with a man she just met and married Bradford is on top of his game pretending that he is a christian as he woos Cricket to get what he wants Control As Cricket searches for truth the biggest horror that faces the destruction of the world is about to be unleashed In fact it has been released forcing her to wonder if she and her family are redeemed *Redeemed* Mrs. George Sheldon Downs,2019-12-06 In Redeemed Mrs George Sheldon Downs masterfully weaves a narrative that explores themes of forgiveness redemption and the transformative power of love Set against a backdrop of societal upheaval the novel is characterized by a lyrical prose style that resonates with emotional depth Downs artfully employs vivid imagery and nuanced characterization crafting a story that reflects the intricacies of human relationships and the quest for personal salvation within the broader framework of moral dilemmas and societal expectations Mrs George Sheldon Downs a prominent author known for her keen insights into human nature brings her life experiences to bear in this poignant work Her background in social advocacy and her personal encounters with themes of struggle and redemption resonate throughout the narrative enriching the text with authenticity It is this personal stake in the subject matter that allows her to create multi dimensional characters grappling with their pasts ultimately leading them toward paths of healing and reconciliation Redeemed is highly recommended for readers seeking a profound exploration of the human condition With its compelling storytelling and emotional resonance this novel invites readers to reflect on their own lives and the possibilities of healing and forgiveness Lovers of literary fiction will find themselves captivated by Downs s thoughtful prose and the enduring message of hope that permeates the pages **Rabbit (un)redeemed** Peter J. Bailey,2006 This book approaches Updike s oeuvre by illuminating its ongoing pervasive conflict between faith and doubt Concentrating on a trio of Olinger stories the Rabbit Angstom tetralogy In the Beauty of the Lilies and Rabbit Remembered and dramatizing most emphatically Updike s career spanning dialogue with his complexly fragile religious beliefs Bailey interprets the Rabbit saga as fictionalized spiritual autobiography in which through imposing Harry Angstom s perceptual limitations upon his own stylistic gifts Updike set himself the toughest trial of his ethical and aesthetic creed of the spirit affirming capacities of human perception and expression **The Redeemed Reader** Janie Cheaney,Betsy Farquhar,Hayley Morell,Megan Saben,2025-09-02 Good books awaken us to truth warn us from falsehood and provide unforgettable examples They open our hearts to beauty and wonder They shape us In The Redeemed Reader parents and educators find encouragement and guidance to raise readers who can engage both heart and mind with books and culture This book offers insight into how to build discernment in children and provides practical tips examples and booklists for their literary journey Passionate about shepherding imaginations and hearts the authors read ahead so that you can confidently choose books for your children Readers will discover a deeper understanding of how the

gospel shines into books and practical guidance for applying these principles If you want the imaginations of your children to be formed by what is good and true this book equips you parents librarians and educators to navigate literary culture in a fallen world and to nurture thoughtful readers *Choice in Charles Dickens's Later Novels* Keith Easley,2023-06-19 We read the book and the book is reading us In his later novels Charles Dickens uses the interaction between characters and their audiences within the fiction to dramatise his growing understanding of the pivotal role of spectatorship and choice in a more democratic society Egotists of all stripes intent on bending the world to their singular will would appropriate the power of spectatorship by taking command of the detachment necessary for choice Dickens s pluralistic art of sameness and difference redefines that detachment and liberates choice both inside and outside the novels for the relationship between characters and their audiences within the narratives actually inscribes our own relationship with them in the performance of reading a reflective doubling of the fiction upon the reader across time with moral consequences for our spectatorship of our own lives **Lewis on the Christian Life** Joe Rigney,2018-04-16 C S Lewis excelled at plumbing the depths of the human heart both the good and the bad the beautiful and the corrupt From science fiction and fantasy to essays letters and works of apologetics Lewis has offered a wealth of insight into how to live the Christian life In this book Rigney explores the center of Lewis s vision for the Christian life the personal encounter between the human self and the living God In prayer in the church in the imagination in our natural loves in our pleasures and our sorrows God brings us into his presence so that we can become fully human alive free and whole transformed into the image of Jesus Christ *Fate and Freedom in the Novels of David Adams Richards* Sara MacDonald,Barry Craig,2017-05-04 This book explores the understanding of freedom developed in the later novels of celebrated Canadian author David Adams Richards Many reviewers highlight two interconnected features in Richards novels a seemingly rigid determinism of setting and sociodemographics and a resulting hopelessness In contrast Richards describes the quest of human life and the purpose of his novels as a search for freedom This book explores the account of freedom that is developed through the course of four of Richards s works *The Friends of Meager Fortune* *Mercy Among the Children* *The Lost Highway* and *Crimes Against My Brother* Following the Augustinian thread that informs Richards s writing we argue that rather than presenting an understanding of human life that is bleak or hopeless Richards instead reveals an argument wherein one s happiness and freedom is found in the midst of love *Atlantis Redeemed* Alyssa Day,2019-05-24 A cursed warrior A truth touched woman A love that could shatter the world or save it Brennan was doomed by Poseidon to feel nothing No desire No rage No love Until Tiernan The human journalist with the Gift of Truth can see through every lie but nothing prepares her for the dangerous allure of an Atlantean warrior who awakens her heart even if loving her steals his memories As a deadly alliance of vampires and rogue scientists threatens to enslave humanity Brennan and Tiernan must risk everything to stop them When the future of the world is at stake can she overcome death itself so together they can protect mankind When truth and emotion collide Will their love redeem Atlantis or doom it forever
